(Parent/Guardian if participant is a minor)

The competition will be judged in these categories:

A. Lip Sync Abilities: How well the performer(s) lip-sync the lyrics of the song.

B. Creativity: How original and creative the performance is. Instead of just standing on stage and lip-syncing a song - props, choreography, costumes and/or other ideas should be used and often impresses the judges and generates crowd response. Be creative!

C. Stage Presence & Choreography: Again, don't just stand there! Engage the audience, dance, smile, make eye contact with the judges...you're a STAR --have fun!

Each category will be worth 15 points each. In case of a tie, the act with the highest lip sync score will win. The judges' decisions are final.
