

Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in

In 2013, the residents of Barrington bid farewell to two of our precious public servants, Richard O'Brien and Clayton Carl. We dedicate our 2013 Town Report to them and to all of the public servants whose contributions have helped our community thrive over the years.

Richard "Dick" O'Brien served our town in many capacities, always with unyielding integrity, love of community and his wonderful sense of humor. From his involvement in the construction of our Public Safety Building and new Middle School to his years as Town Treasurer, along with his work on so many of our committees and commissions, Dick's gentle guidance and tireless dedication will be felt well into Barrington's future.

As a member of the Friends of the Library where he served several years as President, the Natural Heritage Committee and Conservation Commission, Clayton Carl was deeply committed to serving our community. His cheerful willingness to help in any way needed was an inspiration to other volunteers and will be sorely missed.

A WORD FROM THE BARRINGTON SELECTMEN

In 2013 The Board of Selectmen engaged in a careful examination of the town's facilities. One glaring need was protecting the Town's equipment by building a storage building so the equipment would not be stored outside. This building would reduce the damage to expensive equipment from the weather and lengthen the lifespan of our heavy equipment, which has a total replacement cost of over \$1,500,000. A storage building would also enable trucks preloaded with salt to be kept sheltered until such time as they start treating roads during a snow storm. A new equipment building would also provide shelter for workers during inclement weather to repair equipment which cannot be driven into the current building for repairs. The Board of Selectmen is requesting that voters approve \$250,000 to build a storage shed for the grader, loader, backhoe, roadside mower, and the large highway trucks.

A second area of careful examination of the town's facility confirmed the need to find a permanent home with more room for the town offices and School Administrative Unit, both of which are in temporary quarters and the need to have more space for library and recreation. One possibility would have been renovation of the former Town Hall, however after careful consideration of this option; the Board of Selectmen reached a decision that the best course of action would be demolition of the former Town Hall and construction of new space designed for the specific needs of each function. The former Town Hall has significant problems including problems with air quality, energy inefficiency, and failure to meet standards for accessibility under Americans with Disabilities Act. Approximately one third of the building is space that cannot be used for offices or meeting rooms because of wide halls, stairs, utility areas, etc. The old building will need an elevator with associated space to access it. The fixed walls also create situations where some rooms are larger than needed for a particular office function and some smaller. The fact that Town Meeting has twice voted down renovation indicates lack of public support for renovation. New construction would provide the ability to build to current design needs and reduce the uncertainty about resolving the air quality issue, thus making new construction a cost-effective option. The value of the old building to the project is more than offset by cost to overcome the problems associated with it. The estimated demolition cost is less than \$60,000. The land surrounding and under the building on Ramsdell Lane & Route 9 is deemed to be more valuable to the Town than what it would obtain by sale of the land and building. Therefore the Board is supportive of

building new spaces and demolishing the Old Town Hall. It intends to use 2014, to develop plans for a vote in 2015, on new construction for municipal functions.

While the Board of Selectmen has been concerned with the cost to move to another location for municipal buildings, a number of citizens have urged the Town to abandon the current location and build in the proposed Town Center near the Christmas Dove. Although the Board has been examining accepting the donation of a parcel of land near the Christmas Dove, the estimated costs to develop this site to the point it is as ready to build upon as the Ramsdell Lane site is approximately two hundred thousand dollars. Others assert that spending money to encourage development in the Town Center is worth the additional costs. The Board seeks the opinion of the voters on whether or not it will support spending additional money to build a future municipal building in the Town Center. If the article is not supported by the voters, then the Board will plan on proposing construction at the location of the former Town Hall.

The Board continued its emphasis upon thinking long-term by supporting the road management plan developed in 2010. More miles of road are being improved each year as a result of the increasing amounts available to pay for repair and paving roads. The town is also closely looking at bridges and culverts to seek state and federal funds to help repair and replace those reaching the end of their useful life. It also striped the center lines on most of the town roads for a second year to keep our roads safer for those driving upon them. The town introduced single-stream recycling, which enables people to put all their recyclables into one container. That has resulted in a significant increase in recycling and reduction in costs.

Finally, the Board encourages the people of our community to become involved in public life; to attend meetings; to learn the issues and support solutions to the concerns of the community. Our website, www.barrington.nh.gov, contains a lot of resources. The Board has emphasized improved communications with the website and Channel 26 and plans broadcasting meetings over both in 2014. The Board seeks more volunteers, especially on the important and useful Advisory Budget Committee that could not meet to review the 2014 budget because of a lack of members. Thanks to our many other volunteers who have helped all our other boards and committees function so well for the community. In 2014 there will be additional volunteer opportunities with a group updating the Town's Master Plan.

To all our volunteers, both on Boards and active in other programs, we say thank you. We also thank all our valued employees who with the

many volunteers, help to make Barrington a better place to live. With the support of the community, we trust 2014 will be another productive year.

Respectfully Submitted

TOWN OF BARRINGTON, NEW HAMPSHIRE
2013 Annual Town Meeting

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs:
You are hereby notified of the annual meeting.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, the 2nd day of February 2013 at 9:00AM at the new Middle School on Route 9 in Barrington. If the session cannot be held that date because of weather or other unexpected emergencies the session will be held the 4th day of February 2013, at 6:30PM at the Early Childhood Learning Center, 77 Ramsdell Lane. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 12, 2013, at the new Middle School on Route 9 in Barrington. The polls shall be open from 8:00AM to 7:00PM

The Moderator opened the meeting at 9:01AM and explained his rules of order.

Rules of Order

- 1. The moderator follows no set rules of order
- 2. The moderator reserves the right to limit debate
- 3. Debate should be as concise as possible
- 4. Debate must be pertinent to the warrant article on the floor
- 5. All debate and questions should be through the moderator
- 6. Before speaking, you must be recognized by the moderator and speak into the microphone
- 7. Only eligible voters will be allowed to speak
- 8. When recognized, state your name for the record
- 9. The moderator may ask complicated motions to be put in writing
- 10. No more than 1 amendment will be allowed on the floor at the same time
- 11. The disabled and elderly are allowed to vote first if we go to a secret ballot.

12. The selectman (school board), the ABC, Town Administrator or Town Counsel will be recognized first before any debate is allowed from the floor.
13. After you have spoken, the moderator reserves the right not to recognize you again until others have the opportunity to speak.
14. No personal attacks will be allowed.

The Moderator explained that the first 13 articles will be placed as written on the ballot, they cannot be amended. Residents may consult the planning board if they have any questions.

The Board of Selectmen Chair, Michael Clark gave his opening remarks, his statement is attached.

He introduced John Scruton, the Town Administrator, who delivered a PowerPoint presentation on the entire warrant.

ARTICLES

Article 1 To choose all necessary Town Officers by ballot and majority vote, including:

- Two Selectmen for three years.
- Two Library Trustees for three years.
- One Trustee of Trust Funds for three years.
- One Cemetery Trustee for three years.
- One Town Moderator for two years.

Result:

Two Selectmen 3 years: Fred Bussiere, Michael Clark
Two Library Trustees 3 yrs: Iris Estabrook, Robert Drew
One Trustee of Trust Fund 3 yrs: Stephanie Dimke
One Cemetery Trustee 3 yrs: Brian Lenzi
One Town Moderator 2 yrs: Stanley Swier

Article 2 Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the Zoning Ordinance throughout to replace and rename the Village District (VD) zoning district as the Village (V) zoning district? The Planning Board recommends this article. [Majority Vote Required].

Article 2 Passed With A Majority Vote

Article 3 Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the Zoning Ordinance throughout by changing

bulleted subparagraphs to numbers or letters as appropriate for ease of reference, and also to reformat the text of certain paragraphs into indexed and numbered or lettered paragraphs as appropriate for clarity and ease of reference? The Planning Board recommends this article. [Majority Vote Required].

Article 3 Passed With A Majority Vote

Article 4 Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the Zoning Ordinance in several sections for “housekeeping purposes” by moving phrases or adding or subtracting language to improve clarity and ease of reference? The Planning Board recommends this article. [Majority Vote Required].

Article 4 Passed With A Majority Vote

Article 5 Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Section 5.2.1(2): Permitted Expansion for Certain Nonconforming Structures to clarify that such structures may extend not more than 8 feet into required setbacks as well as buffers? The Planning Board recommends this article. [Majority Vote Required].

Article 5 Passed With A Majority Vote

Article 6 Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article V: Nonconforming Lots, Structures, and Uses to add a new section, Section 5.2.2 Permitted expansion for Accommodation of Physical Disabilities, to allow for the permitted expansion of certain nonconforming structures for the accommodation of physical disabilities; the existing Section 5.2.2 to be redesignated as Section 5.2.3? The Planning Board recommends this article. [Majority Vote Required].

Article 6 Passed With A Majority Vote

Article 7 Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article V: Nonconforming Lots, Structures, and Uses to add a new section, Section 5.4 Permitted Restoration for Certain Non-conforming Structures, to allow for the restoration within a two (2) year period of certain nonconforming structures damaged by fire, natural disaster, or other act of god; the existing provisions are to be redesignated accordingly? The Planning Board recommends this

article. [Majority Vote Required].

Article 7 Passed With A Majority Vote

Article 8 Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18: Definitions by amending the definition of “Setback” to clarify that it includes and shall apply to “any building or structure” as opposed to the “principal structure”? The Planning Board recommends this article. [Majority Vote Required].

Article 8 Passed With A Majority Vote

Article 9 Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18: Definitions by adding a new definition for “Recreation”, as well as a corresponding new accessory use to the Table of Uses? The Planning Board recommends this article. [Majority Vote Required].

Article 9 Passed With A Majority Vote

Article 10 Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18: Definitions by moving all of the defined terms from Section 17.4 Workforce Housing Definitions to Article 18 for purpose of having all defined terms in one place within the ordinance; section 17.4 to read “Reserved”? The Planning Board recommends this article. [Majority Vote Required].

Article 10 Passed With A Majority Vote

Article 11 Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18: Definitions by adding the following definitions: “Accessibility”, “Ramp”, “Multifamily”, “Housing” “Recreation”, “Open Space–Active”, “Open Space–Passive”; various types of “child day care agency” subcategories; and clarify the definition of “Convenience Store with Gas Pumps”? The Planning Board recommends this article. [Majority Vote Required].

Article 11 Passed With A Majority Vote

Article 12 Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18: Definitions by amending the following definition: “Setback” to add that a setback requirement may be

exempted by other provisions of the ordinance? The Planning Board recommends this article. [Majority Vote Required].

Article 12 Passed With A Majority Vote

Article 13 Are you in favor of the adoption of Amendment No. 12 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18: Definitions by amending the following definition: “Structure” to change the criteria for exemption in subparagraph (f) from 120 square feet to 200 square feet? The Planning Board recommends this article. [Majority Vote Required].

Article 13 Passed With A Majority Vote

Article 14 To see if the Town will vote to raise and appropriate the sum of two million three hundred and thirty thousand dollars (\$2,330,000) for the purpose of renovation, construction and equipping of the Old Town Hall building at 137 Ramsdell Lane; two million three hundred and thirty thousand dollars (\$2,330,000) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. [3/5ths Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By a vote of 2 against and 2 abstentions the Advisory Budget Committee did not recommend this article. *This was amended to: By a vote of 2 in favor and 2 against the Advisory Budget Committee did not recommend this article.*

MOTION: K. Pratt SECOND: M. Clark

K. Pratt, who is a member of the building committee as well as selectmen, presented a PowerPoint presentation on the findings from the building committee. A copy is attached. K. Pratt explained how the committee has been active since 2010, and that HL Turner’s results are what they based their recommendations on to arrive at the proposed warrant. He thanked the committee members for their hard work and commitment.

B. Lenzi clarified what was proposed to fix the building: how to fix the mold issues, record storage and the ADA non-compliance. Along with the previously mentioned issues there is an IAQ (indoor air

quality) issue that needs to be corrected as well. He believes that the renovation of the building will bring the building into the 21st century.

S. Diament asked how they were going to address the mold issue. B. Lenzi responded that the remediation of the building which includes updating the air system, will fix the mold issue. K. Pratt clarified that there were professional assessments done on the building.

B. Stock asked about the ABC's split decision on Article 14. D. Langdon stated that with the increase to the budget some members thought it was not a good use of town funds to fix the old building but they agreed with the assessment to use the old building, just not with the price tag. The ABC met with the building committee and 2 members changed from against to for the article.

B. Stock asked about the outstanding bonds on the school, does the skinning on the building have to be done and do they have to leave the dome. D. McNally responded to the school bond. She stated that they were only half way through the bond. B. Lenzi indicated that the dome does not have to stay.

B. Ott declared that skinning the outside of the building should be a last resort. He feels that the present proposal of renovation is inadequate and we should inquire for more bids on the project.

G. Schmalz, ABC member, stated that he feels the people of Barrington deserve a better building and that is why he voted no the proposed building.

L. Brushew asked for clarification on why the committee chose to renovate rather than go with a new building. K. Pratt replied that the criteria set by the Board of Selectmen of cost and meeting the needs to provide a new location for the town hall, SAU and recreation dept., were best met with the renovation. B. Lenzi stated that he agreed with the building committee's decision of 8-1 to skin the building as the most efficient and cost effective way to solve the problem.

C. Weeks shared his concern that the decision to renovate will not be adequate. He requested to consider a pitched roof instead of the proposed flat roof to address the leaking issue. B. Lenzi indicated that the flat roof is fine and that the committee had consulted with architects.

C. Dundorf addressed the mold issue, affirming that he had conducted an energy audit on the building and concluded that the building is extremely porous and that skinning the building is the best solution.

K. Grant questioned that there was no mold study done before the

flooding issue with the building, so it is inconclusive to determine the exact amount of damage that was done. He further stated that he felt the repairs done were not handled properly. He asked if the project comes in under budget what would the Selectmen do with the funds. J. Scruton replied that the funds could only be used for the building.

J. Wallace inquired as to the cost of a new building; K. Pratt responded it would be approximately \$1.5 million more.

Seeing no further discussion, the Moderator declared that Article 14 will appear on the ballot as written.

Article 14 Failed To Pass

The Moderator indicated that Fire Chief Walker requested that Article 23 be addressed at this time, as Chief Walker had taken a break from mandatory training to speak to the article.

Article 23 To see if the town will vote to modify the Ambulance Services Revolving Fund previously established pursuant to RSA 31:95-h for the purpose of providing ambulance services such that 50% of revenues received from ambulance fees will be deposited into the Fund with the remaining 50% to become part of the town's general fund. The money in the Fund shall be allowed to accumulate from year to year and shall not be considered part of the town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the Fund and shall pay out the same only upon order of the Board of Selectmen and no further approval is required by the legislative body to expend. The purpose of the Fund shall be changed such that funds may be expended for replacement and maintenance of ambulance equipment and vehicles as well as for employee and other expenses directly related to the provision of ambulance services. The Fund was originally created in 2011 to put aside \$25,000 a year toward the replacement and maintenance of ambulance equipment and vehicles. [Majority Vote Required]. By a 5-0 unanimous vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee recommends this article.

MOTION: D. Hatch SECOND: S. Gaudiello

R. Walker thanked the Moderator for taking the article out of order and explained that he was asking for some of the funds collected to be used to provide daytime coverage on the weekends. Currently volunteers are used and the shifts are hard to fill. The position would be per diem, paid at an hourly rate with no vacation, no sick days and no holiday pay. This article will enable him to provide adequate

coverage to the residents.

Seeing no further discussion, the Moderator declared that Article 23 will appear on the ballot as written.

Article 23 Passed With A Majority Vote

Article 15 “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$6,247,168 (Six million two hundred forty seven thousand one hundred sixty eight dollars)? Should this article be defeated, the default budget shall be \$6,145,056 (six million one hundred forty five thousand fifty six dollars) which is the same as last year, with certain adjustments required by previous action of the Town of Barrington or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.” [Majority Vote Required]. By a 4-1 vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee recommends this article. NOTE: This operating budget warrant article does not include appropriations contained in any other warrant article.

MOTION: M. Clark SECOND: S. Gaudiello

Seeing no further discussion, the Moderator declared that Article 15 will appear on the ballot as written.

Article 15 Passed With A Majority Vote

Article 16 To see if the town will raise and appropriate the sum of \$175,000 for road paving and reconstruction, with said amount to come from unreserved fund balance. This money funds the second year of a multi-year plan recommended by the town’s consulting engineer to maintain and improve road conditions. This is a special warrant article and will not lapse until December 31, 2014. [Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By unanimous 4-0 vote the Advisory Budget Committee recommends this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: K. Pratt SECOND: D. Hatch

M. Hastings reminded the BOS that he had advised the town of the paving issues one year ago. He went on to discuss the differences in

the price per ton, and explained what is required to pave.

K. Grant questioned our paving of other town's roads and asked to see an agreement in writing or proof of compensation. He stated that the town has to be accountable for this issue. He questioned our consultants advisement on the roads we paved.

Seeing no further discussion, the Moderator declared that Article 16 will appear on the ballot as written.

Article 16 Passed With A Majority Vote

Article 17 To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Fire Truck Capital Reserve Fund previously established, with said amount to come from unreserved fund balance. [Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee recommends this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: S. Gaudiello SECOND: D. Malloy

Seeing no further discussion, the Moderator declared that Article 17 will appear on the ballot as written.

Article 17 Passed With A Majority Vote

Article 18 To see if the town will vote to raise and appropriate the sum of \$10,000.00 to be added to the Fire and Rescue Equipment Capital Reserve Fund previously established, with said amount to come from unreserved fund balance. [Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee recommends this article. *Note: This appropriation is in addition to Warrant Article #14, amended to #15, the operating budget article.

MOTION: D. Malloy SECOND: S. Gaudiello

Seeing no further discussion, the Moderator declared that Article 18 will appear on the ballot as written.

Article 18 Passed With A Majority Vote

Article 19 To see if the town will vote to raise and appropriate the sum of \$3,000.00, to be added to the Library Technology Fund Capital Reserve previously established, with said amount to come from unreserved fund balance. [Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article.

[Majority Vote Required]. Amended to: By a vote of 4 in favor and 1 abstention the Board of Selectmen recommends this article. By a vote of 2 against, 1 for and 1 abstention the Advisory Budget Committee did not recommend this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: D. Hatch SECOND: M. Clark

Ron St. Jean, a Library Trustee, indicated that the software circulation system was about 2 years old, and that the library has about 8 years left before replacement and the cost ideally would be built up over the years instead of one lump sum. The money is also to be used for repair or replacement of computers if the need arises.

B. Stock asked the ABC how they arrived at their decision to not recommend the article. D. Langdon stated how this year they looked at the budget and as it was a balancing act, decided where they needed to spend money and where they could wait.

S. Conklin discussed how the library wants to show transparency with this article.

S. Diament explained that she works in the technology industry and that this is a good idea

Seeing no further discussion, the Moderator declared that Article 19 will appear on the ballot as written.

Article 19 Passed With A Majority Vote

Article 20 To see if the town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Compactor Capital Reserve Fund previously established, with said amount to come from unreserved fund balance. [Majority Vote Required]. By a 5-0 unanimous vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee did not recommend this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: M. Clark SECOND: K. Pratt

Seeing no further discussion, the Moderator declared that Article 20 will appear on the ballot as written.

Article 20 Passed With A Majority Vote

Article 21 To see if the town will vote to establish a Bridge Capital Reserve fund pursuant to RSA 35, for the purpose of the engineering,

construction and replacement of the towns bridges and culverts and related work, and further to raise and appropriate the sum of \$55,000 to be added to this fund, with said amount to come from unreserved fund balance, and further to appoint the Board of Selectmen as agents to expend. Such funds may be expended for the purposes stated above and may be used to apply for 80% state funding from the New Hampshire Bridge Aid Program for this purpose. [Majority Vote Required]. By a 5-0 unanimous vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee recommends this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: K. Pratt SECOND: M. Clark

Seeing no further discussion, the Moderator declared that Article 21 will appear on the ballot as written.

Article 21 Passed With A Majority Vote

Article 22 To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Highway Heavy Equipment Capital Reserve previously established, with said amount to come from unreserved fund balance. [Majority Vote Required]. By a 5-0 unanimous vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee recommends this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: M. Clark SECOND: D. Hatch

M. Hastings advised the town to be cautious of increasing the cost of putting the money toward new equipment and advised to put the money toward maintaining the roads and the current equipment.

Seeing no further discussion, the Moderator declared that Article 22 will appear on the ballot as written.

Article 22 Passed With A Majority Vote

Article 24 To see if the town will vote to establish a Cemetery Capital Reserve Fund pursuant to RSA 35, for the purpose of future cemetery expansion, and further to raise and appropriate the sum of \$51,910 to add to this Fund, and further to appoint the Board of Selectmen as agents to expend. Such funds may be expended for purchasing land, improving land, laying out grave sites, constructing roadways and other uses consistent with expanding a cemetery. This year's appropriation will come from the general fund balance.

Further on advice of the auditor, to vote to discontinue the Cemetery Account established in 1983 for funds from grave sales and held by the Treasurer, which Account had a balance of \$51,910 as of December 2012. These funds will go into the general fund and offset the appropriation to the new Cemetery Capital Reserve Fund [Majority Vote Required]. By a 5-0 unanimous vote the Board of Selectmen recommends this article. By a unanimous 4-0 vote the Advisory Budget Committee recommends this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: D. Malloy SECOND: S. Gaudiello

Seeing no further discussion, the Moderator declared that Article 24 will appear on the ballot as written.

Article 24 Passed With A Majority Vote

Article 25 To see if the town will vote to establish a Library Replacement Capital Reserve fund pursuant to RSA 35, for the purpose of developing plans for a replacement of the current Barrington Public Library including but not limited to legal, appraisal, engineering and architectural costs and further to raise and appropriate the sum of \$50,000 to be added to this fund, with said amount to come from unreserved fund balance, and further to appoint the Library Board of Trustees as agents to expend. [Majority Vote Required]. By a 5-0 unanimous vote the Board of Selectmen recommends this article. Amended to: By a vote of 4 in favor and 1 abstention the Board of Selectmen recommends this article. By a vote of 2 against, 1 for and 1 abstention the Advisory Budget Committee did not recommend this article. NOTE: This appropriation is in addition to Warrant Article #15, the operating budget article.

MOTION: D. Hatch SECOND: M. Clark

K. Grant expressed his dissatisfaction with the direction the library has taken (extra services the library provides); he feels it should just serve as a book repository. He also feels that the library should rely on benefactors.

R. St. Jean specified that he would be happy to name a room after Mr. Grant if he wants to donate any funds. The space the library is currently in was originally designated as a short term space. The circulation and use of the library by the town's residents has increased over the years and they have outgrown the space. The article is asking to match the money that has been donated.

Seeing no further discussion, the Moderator declared that Article 25 will appear on the ballot as written

Article 25 Failed To Pass

Article 26 To see if the town will vote to require that the annual budget and all special and separate warrant articles having a tax impact shall contain a notation stating the estimated tax impact of the article, as authorized under RSA 32:5, V-b. [Majority Vote Required].

MOTION: K. Pratt SECOND: M. Clark

Seeing no further discussion, the Moderator declared that Article 26 will appear on the ballot as written.

Article 26 Passed With A Majority Vote

Article 27 To see if the Town will vote to change the compensation of Town Clerk per RSA 41:25, from a combination of fees and salary to only salary with the salary to be set by the Board of Selectmen at a level comparable to other employees who have similar levels of responsibility. The appropriation to cover either method is included in the proposed budget and default budget. In future years the amount will be approved annually by the Town Meeting as a part of the operating budget. [Majority Vote Required].

MOTION: D. Hatch SECOND: S. Guadiello

Seeing no further discussion, the Moderator declared that Article 27 will appear on the ballot as written.

Article 27 Passed With A Majority Vote

Article 28 Shall the town of Barrington establish a committee to draft a rights based ordinance to protect the Isinglass River? Amended to: Shall the town of Barrington establish a committee to draft an ordinance to protect the Isinglass River? [Majority Vote Required]. The Board of Selectmen unanimously recommend against this article by a 5-0 vote. (By petition)

MOTION: C. Bannenberg SECOND: M. Harris

E. Healy made an impassioned speech to this article, indicating how she lives along the river and it is near and dear to her heart. She mentioned RSA 483, which pertains to protection of rivers.

K. Grant voiced his concern over establishing this ordinance and asked what would be the consequences of enacting this committee.

J. Scruton clarified that this article only establishes a committee and

that ultimately the decisions would have to go through the planning department.

J. Whitelaw, attorney, stated that she had never heard of a “rights based” ordinance and in her research there is no such thing in New Hampshire.

K. Grossman stated his understanding of the group’s effort to protect the river but questioned why the Board of Selectmen has to appoint the group, why they could not just form the group.

K. Grossman motioned to amend the article to remove the term “rights based”. P. Royce seconded the motion.

K. Grant asked what sort of statutory rights would the group have if this was voted in. The attorney indicated they would have no power as they would be an advisory group and advised that if the group was voted in they would be subject to the “Right to Know” law.

There was discussion of whether this group would provide more protection for the town if it was established.

L. Breshew asked if we could remove “rights based”.

The Moderator called for a vote and the amendment passed to remove “rights based” from the article.

Article 28 Passed With A Majority Vote

Article 29 To see if the town will vote to increase the Disabled Veteran’s Credit from the current level of \$1,400 to \$2,000 for each qualifying veteran under the provision of the New Hampshire Revised Annotated Statutes 72:35. [Majority Vote Required]. Amended to add: The Board of Selectmen recommended this article by a 4-1 vote. [By Petition]

MOTION: D. Hatch SECOND: D. Malloy

K. Grant indicated that he was a vet with a disability. He asked for clarification; does there need to be 100% disability to receive the credit? J. Scruton referred him to the selectmen’s office for further clarification.

T. Titus inquired as to the specifics of the 100% disability. He was directed to consult the selectmen’s office.

Seeing no further discussion, the Moderator declared that Article 29 will appear on the ballot as written.

Article 29 Passed With A Majority Vote

Article 30 To see if the town will vote to change the office of Tax Collector from an elected position to an appointed position per RSA 669:15-17b. Such appointment shall be made annually before April 1 by the Board of Selectmen in writing and shall include the compensation to be paid. If approved, the current elected Tax Collector may continue to serve until the March, 2014 annual town meeting, at which time the Tax Collector shall be appointed. [Majority Vote Required].

MOTION: S. Gaudiello SECOND: D. Malloy

Seeing no further discussion, the Moderator declared that Article 30 will appear on the ballot as written.

Article 30 Passed With A Majority Vote

Article 31 To transact any other business that may legally come before said meeting of the honorable Town Government.

K. Grant voiced his concerns about the town employee work hours; he feels that they are limited.

P. Yarensky stated that if he wanted to have traffic lights and more hours in town he would move to Dover.

The Moderator asked if there was any further discussion.

Seeing no further discussion, the Moderator declared that the meeting adjourns at 11:46 am.

Respectfully Submitted

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Barrington
Barrington, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Barrington, as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Barrington, as of December 31, 2012, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3 – 8 and 30 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational or economic context. We have applied certain limited procedures to the

required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Barrington's basic financial statements. The combining nonmajor and individual general fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor and individual general fund schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor and individual general fund schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

As management of the Town of Barrington, we offer readers of the Town's financial statement this narrative overview and analysis of the financial activities of the Town for the years ended December 31, 2012. This overview is designed to assist the reader in focusing on significant financial issues, provide an overview of the Town's financial activity. The Town did not prepare a complete set of basic financial statements (GASB #34 format) for the prior year and accordingly has not presented comparative information, and identify individual fund issues or concerns.

Since the Management's Discussion and Analysis is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Town's financial statements.

Financial Highlights

- The assets of the Town of Barrington exceeded its liabilities at the close of the most recent fiscal year by \$ 12,598,071. (Net Position Exhibit 1).
- The Town of Barrington's net position increased by \$541,069.
- At the end of the current year, the Town's governmental funds reported a combined ending fund balance of \$3,548,563 an increase of \$ 480,740 from the prior year. Exhibit 5
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$1,555,031, a 43% increase over last year. (Exhibit 3)

Overview of the Financial Statements and Using this Report

This discussion and analysis is intended to serve as an introduction to the Town's basic financial statements. These statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements – The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

Statement of Net Assets and Statement of Activities -- One of the most important questions asked about the Town's finances is, "Is the Town, as a whole, better or worse off as a result of the year's activities?" The Statement of Net Assets and the Statement of Activities report information about the Town and its activities in a way that helps answer this question. They provide information on all of the Town's assets and liabilities, with the difference between the two reported as net assets. You can think of the Town's net assets as one way to measure the Town's financial health, or financial position. Over time, increases or decreases in the Town's net assets is one indicator of whether its financial health is improving or deteriorating. However, in evaluating the overall position of the Town, non-financial information such as changes in the Town's tax base and the condition of the Town's capital assets (like roads) will also need to be evaluated. All of the current year's revenues and expenses are taken into account, regardless of when cash is received or paid. Thus, some items reported in this statement may result in cash flows in future fiscal periods (e.g. uncollected taxes and earned but unused compensated absences).

(Continued on next page)

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

The governmental activities of the Town include general government and administration, public safety, public works, health and human services, conservation, and culture and recreation. These services are funded primarily by taxes and intergovernmental revenues, including federal and state grants and other shared revenues.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objects. The fund financial statements provide detailed information about the funds, not the Town as a whole. Some funds are required to be established by State law and by bond covenants, and some the Town has established to account for the services provided to our residents. All of the funds of the Town can be divided into two categories: governmental funds and fiduciary funds.

Governmental Funds – Governmental funds are used to account for essentially the same functions reported as governmental activities on the government-wide financial statements. Most of the Town's basic services are reported in these funds that focus on how money flows into and out of the funds and the year-end balances available for spending. These funds are reported on the modified accrual basis of accounting that measures cash and all other financial assets that can be readily converted to cash. The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services being provided, along with the financial resources available. The Town's governmental funds are the General Fund, and the Special Revenue Funds, including the Library Fund, the Cemetery Lot Fund, the Conservation Fund, Recreation Fund, the Library Trust Funds, and Capital Reserve Funds, Compactor Maintenance Expendable Trust, Grant Fund and PD Special Duty Fund.

Because the focus of the governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities on the government-wide financial statements. By doing so, readers may better understand the long-term effect of the government's short-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Town maintains several governmental funds. Information is presented separately on the governmental fund balance sheet and on the governmental fund statement of revenues, expenditures, and changes in fund balances for the funds, which were identified earlier. Data from the Special Revenue funds are sometimes consolidated into a single, aggregated presentation. Individual fund data for each of these funds is provided in the form of combining statements elsewhere in this report.

Fiduciary Funds – Fiduciary funds, sometimes called Trusts, are used to account for resources held for the benefit of parties outside the Town. Fiduciary funds are not reflected on the government-wide financial statements because the resources from those funds are not available to support the Town's programs. The Town is responsible for ensuring that the assets reported in these funds are used for their intended purposes. The Town holds deposits for various individuals and businesses for contract performance and guarantee. These funds are then returned when the contractual requirements have been fulfilled.

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

Notes to the Financial Statements – The notes provide additional information that is essential to a full understanding of the data provided on the government-wide and fund financial statements.

Other Information – In addition to the basic financial statements and accompanying notes, this report also presents General Fund budgetary information.

Government-Wide Financial Analysis

Net assets may serve over time as a useful indicator of government's financial position. In the case of the Town of Barrington, assets exceeded liabilities by \$12,592,071 as of December 31, 2012.

A large portion of the Town's net assets (71%) reflects its investments in capital assets (e.g. land, building, equipment, improvements, construction in progress and infrastructure), less any debt used to acquire those assets that is still outstanding. The Town uses these capital assets to provide service to citizens; consequently these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

	<u>2012</u>
Assets	
Current and Other Assets	12,116,331
Capital Assets, Net	<u>7,890,026</u>
Total Assets	20,006,357
Liabilities	
Current and Other Liabilities	6,915,205
Long Term Liabilities	<u>493,081</u>
Total Liabilities	7,408,286
Net Position	
Net Investment in Capital Assets	7,609,697
Restricted Net Position	95,178
Unrestricted Net Position	<u>4,893,196</u>
Total Net Position	<u>12,598,071</u>

An additional portion of the Town's net assets (1%) represents resources that are subject to external restriction on how they may be used. The remaining balance of unrestricted net assets \$4,893,196 may be used to meet the Town's ongoing obligation to citizens and creditors.

As of December 31, 2012, the Town is able to report positive balances in all types of net assets.

2013 REPORT OF THE BARRINGTON TAX COLLECTOR

In 2013, the Tax Office underwent many changes, from personnel to procedures. Our office is now open to the public Monday, Tuesday and Thursday, from 8am to 1pm, on Wednesday from 12pm to 6pm and along with other town offices, we are closed on Friday. Opening the office an hour earlier has proven beneficial to taxpayers, especially those with town business in other town offices. Both myself and Jessica, my Deputy, are available after hours via phone for questions regarding taxes.

For the convenience of taxpayers who are unable to come to our office during our business hours, we have a drop-box in the lobby at Town Hall that is designated for tax payments only. All payments deposited in the drop-box will be considered received on the next business day. Our lobby hours are Monday, Tuesday and Thursday, from 7:30am to 5pm and Wednesday from 7:30am to 6pm. Payments can also be made by mail or in person. Pre-payments can now be made up to one year in advance.

Our new tax rate is \$22.46, an increase of \$1.00 per \$1,000 of assessed value. Of this \$1.00 increase, \$.25 is for the Town, \$.71 for local school \$.01 for state schools and \$.03 is for Strafford County.

Last year's tax invoices totaled \$20,295,979.66 and to date \$19,208,323.27 has been collected. Our liens totaled \$500,811.98 and twenty-five properties were deeded to the town for unpaid taxes. As the eviction process has begun, we ask all of our residents to please show kindness to those neighbors facing financial difficulty.

For our December invoicing, we tried a new system, where tax payments were mailed to a lockbox and processed directly by the bank. However due to multiple issues with this confusing system, we will return to our regular procedure next year. We tried but the old way just works better!

If your mailing address has changed, please remember to notify the tax office to ensure that you receive invoices and correspondence from us in the future.

Assuming the position of Tax Collector in April, 2013, was challenging but productive. Since that time, our office has been reorganized and we have worked very hard to improve procedures while increasing our transparency and accessibility. We want to thank our taxpayers for their patience during this transition and assure them that we will continuously strive to provide friendly and

courteous service to our community. The positive feedback we have received over the last months has been very encouraging and reassures us that we are on the right track. As we move into 2014, Jessica and I are looking forward to another great year with minimal issues and smooth operations at the tax office.

I want to thank all of the residents of Barrington for your patience and your kindness. You have made us feel very welcome here and getting to know you and the Barrington community has been our pleasure.

2013 REPORT OF THE BARRINGTON TOWN CLERK

After four demanding elections were held in 2012, having just one in 2013 was a refreshing change. The Town Election had a 22% turnout.

Some questions for voting are:

- What type of ID will be accepted to vote?
- What if I do not have an approved photo ID?
- Is there any post-election action required by me after I vote without an approved photo ID?

These questions are answered in an Explanatory Document issued by the Secretary of State's Office and available on our website: http://barrington.nh.gov/Pages/BarringtonNH_Clerk/voter. A copy of the Voter ID Law (RSA 659:13), is posted on our website under 'General Election Information'.

In 2013 we licensed 1,994 dogs. Don't forget to license your dog in 2014! Renewals and new licensing may be done from Jan. 2, through April 30, 2014.

In March of 2013 we switched to a 'ONE CHECK SYSTEM' for processing Motor Vehicle Registrations and have received positive feedback from our residents. This system brings us a step closer to processing vehicle registrations with credit cards. A total of 1,468 online transactions were processed in 2013. We will continue to send out monthly renewal reminders (by mail or email) to our residents.

We also offer online payments for:

- renewal of motor vehicle registrations
- renewal of dog licenses
- certified copies of vital records [within a date range]

Please check out our website at: [**http://barrington.nh.gov/Pages/BarringtonNH_Clerk**](http://barrington.nh.gov/Pages/BarringtonNH_Clerk). There you will find information on motor vehicle registrations, dog licensing, vital records and elections. There are also many printable forms available for your convenience.

I want to thank my staff, Camille and Deb, who give their best effort to make the residents' visits to our office as pleasant as possible and make our office a brighter place to be. I would also like to thank our residents for giving us the opportunity to serve you. Wishing you all a healthy and joyous New Year!

Total Income	5,996.04	18,017.78	24,013.82
Total Expenditure	3,023.20	17,635.18	20,658.38
Ending Balance	\$ 3,758.30	\$ 6,049.61	\$ 9,807.91

The Friends of the Library made a direct donation of \$500 for the purchase of periodicals and a \$500 donation toward the Summer Reading Program via a Wal-mart grant. All other help they gave the library was a donation of materials or services where they paid the bill directly; such as paying for Constant Contact and the Museum Pass Programs. These funds are accounted for in their 501C-3 records and listed in the town report under total donations of services and equipment. \$.79 was spent from petty cash on hand in 2013.

**2014 WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs:
You are hereby notified of the annual meeting.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, the 1st day of February 2014, at 9:00 A.M. at the Middle School 51 Haley Drive in Barrington. If the session cannot be held that date because of weather or other unexpected emergencies the session will be held the 3rd day of February 2014, at 6:30 PM at the Early Childhood Learning Center, 77 Ramsdell Lane. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- Warrant articles whose wording is prescribed by law shall not be amended.
- Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 11, 2014, at the Middle School 51 Haley Drive in Barrington. The polls shall be open from 8:00 A.M. to 7:00 P.M.

ARTICLES

Article 1 To choose all necessary Town Officers by ballot and majority vote, including:

- Two Selectman for three years.
- Two Library Trustees for three years.
- One Trustee of Trust Funds for three years.
- One Cemetery Trustee for three years.
- One Supervisor of the Checklist for 6 years.

Article 2 Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board - To provide for inclusion of specific items to be reviewed and documented regarding their potential effects of excavation operations within a residential zone. Applications will be reviewed under the Conditional Use Permit which required findings of compatibility with the environs and preservation of land value with the provisions of overall Performance Standards of the Ordinance. By a vote of (7) in favor (0) opposed the Board unanimously recommended this article. [Majority Vote Required]

Article 3 Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board - To provide for the accessory use of “recreation” for limited periods of the year on certain lots that have no principal structure or use. By a vote of (7) in favor (0) opposed the Board unanimously recommended this article. [Majority Vote Required]

Article 4 Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board – To bring current our definition of Light Manufacturing. By a vote of (7) in favor (0) opposed the Board unanimously recommended this article. [Majority Vote Required]

Article 5 Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board - To provide the permitted dwelling density or yield plan (number of houses allowed) for a Conservation Subdivision equal to the permitted dwelling density of a Conventional Subdivision, By a vote of (7) in favor (0) opposed the Board unanimously recommended this article. [Majority Vote Required]

Article 6 Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board - To show the effective date of the “buffer requirement” in the provision that created it. By a vote of (7) in favor (0) opposed the Board unanimously recommended this article. [Majority Vote Required]

Article 7 Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board - This proposal strikes the prohibition of service on the Planning Board by individuals who serve a Code Enforcement function in the Town of Barrington. By a vote of (4) in favor (2) opposed (1) abstention the Board recommends this Article. [Majority Vote Required]

Article 8 Are you in favor of the adoption of Amendment No. 7- This amendment includes Stratified Drift Aquifer Overlay in the list of Overlay Zones at Section 2.1 of the Ordinance. By a vote of (6) in favor (0) opposed (1) abstention the Board recommends this Article. [Majority Vote Required]

Article 9 Are you in favor of the adoption of Amendment No. 8 In order to protect the groundwater in the Swains Lake area this amendments repeals and replaces Article 12 and provides for the amending of the Town Map. This amendment also amends the list of overlay zones at Section 2.1 of the Ordinance to include the Stratified Drift Aquifer Overlay and the Swains Lake – Water Management Zone Overlay.

Other substantive changes consequent to this amendment are as follows:

Describes and sets the boundaries of the SDAO and the SW-WMZO.
Establish performance standards for the SL-WMZO district.
Requires any new development to meet the water needs of that development from an off-site source or from the Swains Lake Village Water District (SLWD). Specifically exempted from this provision is the renovation or expansion of existing residences.
Provides for the repair and replacement of existing wells.
Provides assurance that Property Development can continue.
Exempts the authorized testing by Federal and State Authorities necessary to monitor water contamination levels.

By a vote of (6) in favor (0) opposed (1) abstention the Board recommends this Article. [Majority Vote Required]

Article 10 “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$6,409,114 (six million four hundred nine thousand one hundred fourteen dollars)? Should this article be defeated, the default budget shall be \$6,269,561 (six million two hundred sixty nine thousand five hundred sixty one dollars) which is the same as last year, with certain

adjustments required by previous action of the Town of Barrington or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.” [Majority Vote Required]. By a 5-0 vote the Board of Selectmen recommends this article. NOTE: This operating budget warrant article does not include appropriations contained in any other warrant article. This article has a projected total 2014 property tax increase of \$44.50 on a home currently assessed at \$250,000.

Article 11 To see if the town will vote to approve the cost items included in the collective bargaining agreement reached between the Board of Selectmen and the International Union of Public Employees representing police employees other than the Police Chief which calls for the following increases in salaries and benefits at the current staffing level: \$ 3,291 and further to raise and appropriate the sum of \$3,291 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. [Majority vote required]. By a 5-0 vote the Board of Selectmen recommends this article. Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has a projected total 2014 property tax increase of 90 cents on a home currently assessed at \$250,000.

Article 12 To see if the Town of Barrington will vote to accept the land to be donated by the Svenson family adjacent to the Christmas Dove and further to raise and appropriate the sum of \$50,000 to pay for engineering and related studies for the development of the property for municipal buildings or other civic purposes. This is a special warrant article and will not lapse until December 31, 2016. [Majority vote required]. By a 3-2 vote the Board of Selectmen recommends this article. Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has a projected total 2014 property tax increase of \$13.50 on a home currently assessed at \$250,000.

Article 13 To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Fire Truck Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. [Majority Vote Required]. By a 5-0 vote the Board of Selectmen recommends this article. *Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 14 To see if the town will vote to raise and appropriate the sum of \$10,000.00 to be added to the Fire and Rescue Equipment Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. By a 5-0 vote the Board of Selectmen recommends this article. [Majority Vote Required] *Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 15 To see if the town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Library Technology Fund Capital Reserve previously established, this sum to come from fund balance and no amount to be raised from taxation. [Majority Vote Required]. By a vote of 4 in favor, 0 opposed and 1 abstention the Board of Selectmen recommends this article. *Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 16 To see if the town will vote to raise and appropriate the sum of \$4,209 to be added to the Cemetery Capital Reserve previously established, this sum to come from fund balance and no amount to be raised from taxation. This is the amount the Town collected in 2013, from sale of cemetery lots and other cemetery revenue. [Majority Vote Required]. By a 5-0 vote the Board of Selectmen recommends this article. *Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 17 To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Highway Heavy Equipment Capital Reserve previously established, this sum to come from fund balance and no amount to be raised from taxation. [Majority Vote Required]. By a 5-0 vote the Board of Selectmen recommends this article. *Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 18 To see if the town will vote to raise and appropriate the sum of \$50,000 to be added to the Bridge Capital Reserve fund previously established, this sum to come from fund balance and no amount to be raised from taxation. Such funds may be expended for the purposes of the fund and may be used to apply for 80% state funding from the New Hampshire Bridge Aid Program for some of this work. [Majority Vote Required]. By a 5-0 vote the Board of Selectmen recommends this article. *Note: This appropriation is in

addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 19 To see if the town will raise and appropriate the sum of \$250,000 for construction of a Highway Equipment Garage, this sum to come from fund balance and no amount to be raised from taxation. This is a special warrant article that will not lapse until December 31, 2015. [Majority Vote Required]. By a 5-0 vote the Board of Selectmen recommends this article. *Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 20 To see if the town will raise and appropriate the sum of \$175,000 for road paving and reconstruction, this sum to come from fund balance and no amount to be raised from taxation. This money helps fund the third year of a multi-year plan recommended by the town's consulting engineer to maintain and improve road conditions. This is a special warrant article and will not lapse until December 31, 2015. [Majority Vote Required]. By a 5-0 vote the Board of Selectmen recommends this article. *Note: This appropriation is in addition to Warrant Article #10, the operating budget article. This article has no impact on 2014 property taxes.

Article 21 To see if the Town will authorize the Board of Selectmen to enter into a long term power purchase agreement for electricity with a company that provides and installs solar panels to produce electricity with no up-front cost to the town at a cost savings to the Town of Barrington or other performance contract to save energy costs. [Majority Vote Required] By a vote of 4 in favor, 0 opposed and 1 abstention the Board of Selectmen recommends this article.

Article 22 To see if the Town will vote to adopt the ordinance proposed by the Board of Selectmen to restrict and establish a penalty for the owners of domestic and farm animals running at large on town roads and streets, public property or lands and other areas not owned by the animals owner as authorized in RSA 31:39. A complete copy of the proposed ordinance is at the town website www.barrington.nh.gov or the Town Clerk. [Majority vote required]. By a 5-0 vote the Board of Selectmen recommends this article.

Article 23 To see if the Town will vote to authorize the Board of Selectmen to appoint five members and up to 2 alternates to the Advisory Budget Committee established in or prior to 1976 and to do so with staggered 3 year terms of office that can be renewed. The method of selection from 1976 is no longer available under the

changed form of town meeting and was originally limited to one 2 year nonrenewable term. If both this article and Article 28 pass, this article will take precedence and the town will continue with only an Advisory Budget Committee. [Majority vote required]. By a 5-0 vote the Board of Selectmen recommends this article.

Article 24 To see if the town will vote to authorize the Board of Selectmen, without further action of the town, to purchase back ownership of real estate that the Board has previously sold if the option of first refusal required that real estate first be offered to the town for \$1 (one dollar) or less and if there are funds in the operating budget to do so, such authority to continue until rescinded by Town Meeting. [Majority vote required]. By a 5-0 vote the Board of Selectmen recommends this article.

Article 25 Shall the Town of Barrington adopt an Ordinance to Protect the Health, Safety, and Welfare of River Ecosystems and Residents of Barrington, New Hampshire by establishing a Community Bill of Rights, the language of which is available at town hall and the library and is posted online as “Petitioned Article” at http://www.barrington.nh.gov/Pages/BarringtonNH_Administrator/TM? (By Petition) [Majority Vote required]. The Board of Selectmen does not recommend this article by a 5-0 vote.

Article 26 Resolved, the People of Barrington, New Hampshire, stand with the Move to Amend campaign and communities across the country to defend democracy from the corrupting effects of undue corporate power by amending the United States Constitution to establish that: 1 Only human beings, not corporations, are endowed with constitutional rights, and 2. Money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting political speech. Be it further resolved, that the People of Barrington, New Hampshire, hereby instruct our state and federal representatives to enact resolutions and legislation to advance this effort. (By Petition) [Majority vote required].

Article 27 Despite the fact that the New Hampshire Department of Revenue Administration indicates that, even if passed, the proposed trust fund shall not be created because funds are not being raised and appropriated into it, shall the town vote that those monies collected by the town as land use change fees that are not already being deposited to the Conservation Fund be used to establish a trust fund to renovate, or remove and rebuild new our town hall on Ramsdell Lane? (By Petition) [Majority Vote Required] The Board of Selectmen does not recommend this article by a 5-0 vote.

Article 28 Shall a nine (9) member “official” budget committee be adopted and members appointed by the Town Moderator until elections in 2015? If this article and Article 23 both pass, Article 23 will take precedence and the town will continue with only the Advisory Budget Committee. If this article passes and Article 23 does not, the current Advisory Budget Committee will be dissolved and the town will only have the official Budget Committee. (By Petition) [Majority Vote Required] The Board of Selectmen does not recommend this article by a 5-0 vote.

Article 29 To transact any other business that may legally come before said meeting of the honorable Town Government.

Given under our hands, this 23th day of January 2014

(This budget reflects amendments made at Deliberative Session)

PUBLIC NOTICE

RSA 674:39-aa

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

In 2011, the NH Legislature created a process (see HB #316), by which an owner could petition the municipality to undo this involuntary merger and restore the lots to their separate and distinct condition.

If your property includes two or more lots that were merged for zoning, assessing or taxation purposes and the merger occurred:

- During your ownership without your consent **or**
- Prior to your ownership, if no previous owner consented to the merger

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- Deadline for such requests is December 31, 2016

Once restored:

- Your properties will once again become separate lots; however they must still conform to all applicable land use ordinances. Restoration does not cure non-conformity.

Any owner who disagrees with the Selectmen's decision regarding their request to undo an involuntary merger may appeal the decision in accordance with the provisions of RSA 676

Note: RSA 674:39-aa defines "Owner" as "a person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger."

Notes:

2013 REPORT OF THE BARRINGTON POLICE DEPARTMENT

The Barrington Police Department has personnel on duty 24 hours a day; however, we do not staff the station continuously. When assistance is needed, the following phone numbers should be used:

- 911 Emergency Calls
- 664-2700 Strafford Dispatch – for all non-emergencies
- 664-7679 Office, Tuesday thru Thursday, 6am-4pm

We understand that every incident is important to the reporting caller, and we attempt to deal with each issue as soon as possible. Frequently, our response is delayed due to staffing issues and the need to prioritize our response to calls.

The best way to protect your property is to **be extra vigilant of suspicious activity at your home and your neighbors, reporting any suspicious people or activity immediately to the police. Dial 911 or 664-2700 to report the activity. We would rather respond and not be needed than not be called when we are needed.**

POLICE DEPARTMENT STATISTICS

<u>Item</u>	<u>2011</u>	<u>2012</u>	<u>2013</u>
Accidents (total)	154	163	180
Accidents on State Roads	111(72%)	126(77%)	128(71%)
Traffic Stops	2030	2917	1799
Arrests	172	218	175
Calls for Service	10495	11414	11524
Alarms	448	327	430
E911 Hang-Ups	56	53	62
Domestic Disturbances	47	36	40
Animal Complaints	414	299	538
Criminal Investigations	1993	1976	2161
Burglary	46	34	29

2013 was a horrific year for accidents in Barrington. There were four fatal accidents in which five people lost their lives. The deaths were tragic losses for the families of the victims and the emergency service responders wish to express our condolences.

The Barrington Police Department currently has three Officers who are NHTSA Certified Child Passenger Safety Technicians and the Barrington Fire and Rescue has one. If you need help installing a child passenger seat or have questions as to how to properly use the child passenger seat call the Police Department at 664-7679 and one

of the Technicians will return your call and assist you.

Frequently Barrington Police Officers are seen directing traffic during roadside details for private contractors. There are many misconceptions about these details including how they are paid. The Barrington Police Department will provide detail Officers to private contractors when we are requested; the Police Department does not require the contractors to hire our Officers and they are permitted to use flagging services if they choose. All of the costs associated with the details are covered by the contractor as they are billed at the rate of \$70 per hour.

In 2013 Officers worked 1,531.25 hours x\$70 per hour = \$107,187.50 billed

Dispersed:

Total wages paid	\$59,148.90
Total payroll expenses	\$14,634.02
\$15 per hour for the vehicle used	\$22,968.75
Total:	\$96,751.67
Unexpended funds:	\$10,435.83

The Barrington Police Department has ten full time and one part time officer. We would not be effective without assistance from the following groups and wish to thank them.

- The citizens of Barrington who report crimes and suspicious activity
- The Barrington Highway Department
- The Barrington Fire and Rescue Department
- The Police Departments from neighboring towns with whom we share mutual aid

It is our privilege to serve the Town of Barrington and its residents. It is our goal to render efficient and professional service to the community. We encourage anyone with questions or concerns to contact us. The Department will better serve the community's needs with community participation.

Barrington Chief of Police

2013 REPORT OF THE BARRINGTON FIRE & RESCUE DEPARTMENT

In 2013, our Fire and EMS personnel responded to 481 medical aid requests and 363 fire/rescue calls, totaling 844 calls. This represents a 10% increase over the previous year. It is also important to note that there were no big storms in 2013. Big storm events will usually cause a spike in our call volume. This equates to just fewer than 2.5 emergency calls per day every day, including weekends and holidays. I believe the increase in calls can be directly attributed to a number of factors including an aging population, increased traffic running through Barrington which sometimes results in an increase in motor vehicle crashes, and a general increase in population, requiring us to provide additional emergency services, to our residents and guests.

To put the time commitment in perspective, an EMS call requires a minimum of 2 responders to transport and another 1-2 to help package and prepare for transport. Most EMS transports will tie up two hours for our responders who transport and about 1 hour door to door for non transports. An average fire/rescue call requires a minimum of 6-8 responders and generally lasts 1 hour with some calls taking 3-4 hours to complete. The overwhelming majority of these calls were handled by our highly trained and very dedicated volunteers, complimented by our 2 full-time and 3 part-time Firefighter/EMT's. As you can see our responders stay very busy.

Our Firefighters and EMT's are committed to providing our residents and guests with the highest level of service possible. They attend weekly in-house training, monthly outside training and 3-4 times per year they attend weekend training sessions. When you combine training and emergency responses, it is clear that our responders spend a considerable amount of time away from their families. Without the support and understanding of our families we would not be able to do what we do. They sacrifice so much. A great big thank you goes out to the families of our responders for selflessly sharing us with our residents during their times of need. You folks rock!

Our mission is truly a team effort and as you can see from the theme of this year's town report, Emergency Services are not just Fire, Police & EMS. Our Highway Department is out there in all types of weather, working hard to make sure we can get to you folks during an emergency. Whether clearing snow and ice or storm damaged trees, they work tirelessly to provide good safe roads for our residents. We are very lucky to have this truly dedicated group of employees! I also want to thank the Police Department for the excellent working relationship we all continue to enjoy; it is a pleasure to work with

each and every one of them.

My gratitude to Town Administrator Scruton for his support and guidance, as well as to the office staffs who help to make our department run as smoothly as possible.

I work very closely with the Building and Land Use departments as we strive to provide a safe place for our residents to work, live and play. As you know, it takes many people to provide the services that our residents have come to expect. I am proud to be part of this team.

We are fortunate to enjoy a very high level of support from our residents and this is something we do not take for granted. Your kind words and thank you notes or letters of encouragement bring a smile to our faces and lift our spirits. As we continue our efforts, these gestures of gratitude mean a lot to all of us.

Firefighter's and EMT'S by the very nature of what we do, experience emotional highs and emotional lows, which can sometimes be extreme depending on the outcome of a call. In 2013, our responders were faced with an unusually high number of deaths including responding to 4 motor vehicle crashes that resulted in 5 deaths in approximately a 60 day time span. These types of incidents take a toll on our responders and their families. However, through good and bad they work through it and move on. I extend my deepest gratitude to our Firefighters and EMT'S. You always find a way to get the job done even under the most adverse conditions. Day or night, sometimes in very treacherous weather conditions, you give freely and willingly of yourselves to help those in need. I am extremely grateful and proud of your tireless efforts. You are dedicated volunteers and without you, we could not get the job done. Each and every one of you has a special place in my heart, Thank You!

The best way to keep your family safe and ensure quick response in an emergency is to properly mark your driveway and home with street numbers that can be clearly seen from any direction. Remember, you know where you live but we don't. Ask yourself, can emergency services find your home quickly during an emergency? Time is of the essence and if we can't find you, we can't help you. Working smoke detectors save lives. Ensure that you have them on every level of your home as well as in each sleeping area and immediately outside each sleeping area. For the latest Fire/EMS information log on to the town website and click on to the Fire & Rescue link. Be sure to let us know what you think of our site and how we can make it better for you. We also encourage you to "Like" us on Facebook.

In 2014, we will ask you to support our two warrant articles. One

article is for the future replacement of a fire truck and the other is a capitol reserve fund for the replacement of large ticket equipment purchases. We thank you for your continued support of our efforts.

In December of 2013, long time Town Treasurer, Dick O'Brien, passed away. He was involved in many town projects, always trying to help make Barrington a better place for all of us. Dick was most at home when he was helping others but was never comfortable when recognized for his efforts. He was also instrumental in making our Public Safety Building a reality and a strong supporter of our Fire & Rescue department. Dick's efforts on the town's behalf will be evident for many years to come. Rest in peace Dick.

Barrington has many volunteer opportunities from Fire & EMS to Library, Recreation, Food Pantry and various other boards and commissions. If you already volunteer thank you; if not, please find an area that interests you and get involved. You will be glad you did. Finally, a big thank you to the responders of Barrington Fire & Rescue who make this all work. Thank you all and God Bless.

2013 REPORT OF THE BARRINGTON FIRE WARDEN AND STATE FOREST RANGER

Our Fire Department focuses on halting illegal burns and educating our residents on the importance of observing the state laws that govern outside burns. Illegal burning can result in a fine of up to \$2,000, along with repayment to the town and/or state for suppression costs and payment for any damages caused to another's property.

A written permit is required prior to all burns unless there is sufficient snow cover, defined in state law as "complete cover with no burnable vegetation within 100ft in all directions of the pile."

To obtain a burn permit one must be the landowner or present written permission from the landowner, have adequate means to extinguish the fire and remain at the burn site until it is fully extinguished. Only brush smaller than 5" in diameter may be burned and it is unlawful to burn trash, construction debris or painted or pressure-treated material.

Brush fire permits are issued only during periods of steady rain. Per state law, when the rain stops all daytime burns must be extinguished. You may obtain a permit at the Fire Station during normal business hours. All other times, you must contact the Warden or a Deputy Warden to obtain a permit to burn.

Cooking and campfire permits are issued seasonally and subject to an initial inspection of the burn site by the Fire Warden or a Deputy. Please contact the Fire Station at 664-2241 for more information.

Recognizing and following the state's regulations will make your outdoor experiences safe and enjoyable for you and your family.

If you have any questions regarding outside burning, please do not hesitate to call the Fire Station at 664-2241.

Barrington Fire Warden

2013 REPORT OF THE BARRINGTON FIRE & RESCUE - EMS DIVISION

This past year was a very busy one for Barrington's Ambulance. Our volunteer EMS Responders were called out for 481 medical emergencies (545 patients) and we transported 289 patients. We only had to rely on Mutual Aid Services to transport about 3.5% of our patients and all were because the town ambulance was already on a call. We were also able to supply EMS mutual aid to our neighbors as well. These changes in mutual aid were due to having full time, paid, EMS providers available for the daytime ambulance crew. The insurance and Medicare payments associated with the 2013 patient transports put over \$100,000.00 back into the town's General Fund.

We had at least one licensed provider from Barrington at more than 99% of all our calls. The average response time from page to first patient contact was 10.3 minutes (almost 13% faster than in 2012). The criticality of shortening EMS First Responder time cannot be over emphasized. One well equipped EMT can stabilize one or more patients until additional help or an ambulance arrives.

We currently have 15 active volunteer Emergency Medical Technicians (EMTs), including EMT-Basics, Intermediates and Paramedic levels. All of our volunteer EMTs have jobs or go to school outside of town and are not normally available to respond to calls during the week. State law requires at least two licensed EMS providers, one of which must be an EMT, in order to transport a patient. Each patient transported to a hospital takes about two hours round trip, from the pager going off to when the ambulance returns to the Public Safety Building.

During EMS week in May of 2013 I participated in the EMS Memorial Bike Ride as a "Muddy Angel." The Muddy Angels bicycled 500 miles, from Maine to Washington, DC in one week to honor our fallen EMS brothers and sisters and to raise funds for their families (all EMS providers are not yet eligible for death benefits as are Fire and Police). I will be riding again this year and I invite you to make a donation to support the Muddy Angels purpose at www.MuddyAngels.com.

The first Saturday in May is NH EMS Provider Recognition Day. Please let our EMS responders know that you appreciate their efforts to save lives. Katherine Hults was awarded EMT of the Year for 2013. May 18th thru May 24th, 2014 is EMS Week. This year's theme is "EMS: Dedicated. For Life." We also supported the Honor Flights out of Manchester by providing uniformed personnel.

PLEASE MAINTAIN YOUR HOUSE NUMBER AT THE ROAD.
There is nothing more tragic than having an EMS provider responding to your medical emergency, and not getting there in time because of an old address number or no number displayed as specified by the 911 system. Please help us to help you and your loved ones!

If anyone is interested in volunteering on our service or has any questions they can leave a message at 664-7394, my E-mail address AJM11013@aol.com or contact me directly on my cell phone at 603-969-4361. Please also visit our web page at:

http://www.barringtonfire.org/?page_id=23.

2013 REPORT OF THE BARRINGTON BUILDING INSPECTOR / HEALTH OFFICER

2013 was a year that saw an increase in the number of new homes being constructed, as well as all other types of permits. There were a total of 518 permits granted in 2013. In parallel, the volume of inspections remains high. There are now two (2) part-time Building Inspectors to accommodate the increased volume. Time is also spent in the office meeting with homeowners and contractors as well as responding to telephone calls, reviewing plans and addressing zoning and code enforcement issues.

The Barrington Building Department provides for a safe and healthy building environment and aids in the protection of natural resources through education and enforcement of all applicable local, state and federal regulations. To accomplish this we are working to make the department's primary objective more about education, assistance and prevention while employing enforcement when warranted.

Health Inspector duties include inspecting daycare facilities, schools and foster homes. Other issues addressed include failed septic systems and other health and safety concerns as well as responding to public questions and complaints.

The Building Safety Department wants to remind property owners permits are required for all new construction as well as rebuilding, remodeling, changes to electrical, framing or plumbing, new oil, gas and solid fuel appliance installations, swimming pools, outbuildings, garages, additions, water filtration systems, etc. Please call with any questions whenever you are considering a project to see if a building permit is required! **You may leave a message with the Building Department's voice mail system at any time at 664-5183. Your call will be returned as soon as possible.**

2013 REPORT OF THE BARRINGTON ROAD AGENT

The Highway Department finished 2013 within budget. We were able to do all the paving projects that were scheduled for the season. We will continue our aggressive hot topping schedule as long as the budget will allow. This year you will see the roads that were paved with a base course 2 or 3 years ago received a wear course, along with some reclamation which coincides with the Dubois and King pavement schedule for our road infrastructure. The hope is, within the next 3 to 4 years, to be on and stay on schedule. We also continued regular maintenance such as mowing, grading, hot shimming, culvert and ditch work which we will continue doing in 2014.

The winter is off to a roaring start and it has been a very busy way to end the year with the majority of the weather being ice which is at times very difficult to deal with, but we do our best to provide the best service and road conditions to our residents. In 2014 we are looking to pave up to 7-8 miles of road along with the usual maintenance, ditching culverts, mowing, patching, sweeping, striping and stop bars at the intersections along with winter maintenance. We will also be doing some work on the Greenhill Bridge for maintenance issues, as well as some engineering so we can get on the states bridge aid program. So, we are looking at a busy and productive year as long as funds are available. We are also looking into adding turnarounds to some of our dead end roads and upgrading some of our intersections, such as Back Canaan Road for better travel.

As always, I would like to thank the other Town Departments for their help throughout the year. The Highway Department would like to thank Mike Morrissey and Eric Spinale for their years of service, Mike retired after 35 years and we wish Eric the best in his future endeavors.

Once again our annual Highway Department Open House was a great success. This year we had a great turnout with hands on activities, refreshments, demonstrations, free raffles and a bounce house. Fun was had by all. We look forward to seeing everyone in the fall of 2014!

We would like to thank our residents for your continued support of the Highway Department and our annual budget requests.

Most importantly, I want to thank every member of my crew for all the hard work that they continually do to keep our roads maintained

and as safe as possible even under the most difficult conditions. Your dedication to your jobs does not go unnoticed.

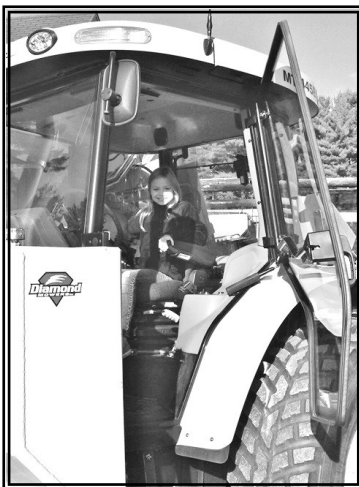

For any and all up-to-date information about the Highway Department please go to our website:

Barrington Road Agent

Open House 2013 was fun for all, including kids, big trucks, raffles, refreshments and even some highway themed cupcakes!

2013 REPORT OF THE BARRINGTON TRANSFER STATION AND RECYCLING CENTER

In the fiscal year 2013, the Transfer Station and Recycling Center ended up within budget. Toward the end of 2013, the decision was made to stay with Single Stream recycling and what we found was once we started Single Stream we had a steady increase in recycled materials and a decrease in the MSW tonnage, which means that more residents are recycling and in turn is better for the environment. It was a little tough and inconvenient at times with the way that we switched over to single stream, but before we knew we were staying with single stream we did not want to spend a lot of unnecessary funds when we didn't know if we would continue with single stream. We now know that we are staying with Single Stream and are in the process of getting a compactor. We would like to thank you for your patience and understanding during this process.

The reason for Single Stream is not for more revenue, but it is to make it easier for the residents to recycle so in turn the more residents recycle, less material ends up in the landfill and less pollutants in the ground making it better for the environment. A cleaner environment means a safer place for all future generations. As we enter 2014, we hope to continue to keep the facility up to date and make your visit as smooth as possible.

A big thank you to our staff and our volunteers at the Barrington Transfer Station and Recycling Center for all that you do to keep things running, your hard work and dedication does not go unnoticed.

2013 REPORT OF SWAINS DAM

The 2014 budget for Swains Dam stayed the same as 2013. We still have some work to do to the building. As far as maintenance, we did secure and fix the rotten part of the building. We still have some engineering work to do as to the Cofferdam. I believe holding the lines we will be able to do the work needed to continue a safe and reasonable Dam operation process and conform to the ever changing rules and regulations.

2013 REPORT OF THE BARRINGTON PLANNING BOARD

The Planning Board saw some significant changes in 2013. John Huckins, a long-time member and Chairman for a number of years, left the Board. His departure was met with expressions of regret from his colleagues on the Planning Board, the Board of Selectmen, and many members of the community. We all appreciated his steady and calm leadership and benefited from his wealth of knowledge about the planning and development processes of the town. Fortunately, he still makes his talent and skills available to the town as a staff member of the Code Enforcement Office. We also lost the participation of Steven Oles, whose work demands and the needs of his young family made it difficult for him to continue as a Board member. His knowledgeable participation will be missed.

For a while this year we were happy to have been rejoined by Selectman Dawn Hatch. Before her retirement, Dawn served as the town's Land Use Clerk for many years, and served as a Planning Board alternate member. She returned to the board to fill the Selectmen's ex-officio seat pending Selectman Dennis Malloy's designation to that post.

Our board welcomed four new members appointed or designated by the Selectman over the past year. They are Jason Pohopek, Daniel Ayer, and Joshua Bouchard, as well as Selectman Dennis Malloy. These residents bring skills relevant to the responsibilities of the Planning Board and we are fortunate to have them.

With the exception of the Board of Selectmen's ex officio designee, the Planning Board is composed of persons who volunteer their time, talent and skill to the service of the town. We encourage residents to become familiar with the Planning Board and its function, to visit with us and attend our meetings, and perhaps even volunteer to join us. The following brief statement is intended to help the community understand the underlying purpose of the Board and the attitude and orientation each member is expected to bring to that work:

Barrington Planning Board A Statement of Purpose & Values

The Barrington Planning Board has a dual purpose. The Board is charged with fostering the harmonious, safe, secure, and sustainable future development of our community and the preservation and protection of the community's resource legacy and character. In that dual purpose, we often must balance competing values between and among individuals, groups and interests. Accordingly, we feel it

appropriate to review and publish the Planning Board's Purpose and Values Statement from time to time.

WE VALUE for ourselves and those we serve:

Fidelity: We believe we are bound to make every effort to know and understand the laws and regulations under which we operate and to act in accord with our best understanding of these laws and regulations and uphold their underlying purposes. Further, we are bound to know and understand the official planning documents of the Town and to the fullest possible extent, act to further the intent and objectives of such planning documents.

Equal, fair, and objective treatment: We believe that all persons and matters that may come before us are to be accorded all the protections of, and the common sense application of, the law and regulations under which we are formed and operate.

Integrity: We believe in the value of openness, honesty, public and mutual trust, and are mindful always that all actions and decisions taken by the Planning Board are taken under the terms of a declared oath of Office.

Involvement and awareness regarding our community; Barrington, NH: We believe the best outcomes are available only when deliberations are conducted with the broadest possible understanding of their effects.

Respectful and honest communication: We believe in courteous interaction and discussion in the form of active listening and honest dialogue among ourselves and with the community.

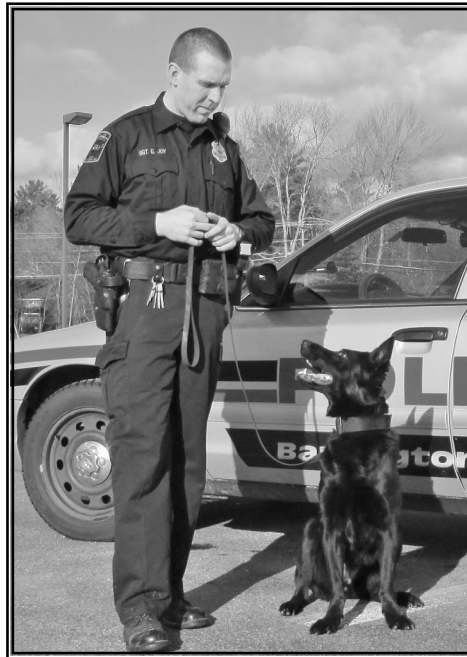

Participation: We believe in the fullest possible lawful engagement of:

- a) Each appointed or designated member of the board;
- b) The representatives of the town's lawful authorities.
- c) Each person with standing to be heard by the board, and
- d) Citizen participation in our deliberations, work sessions and other processes

On behalf of the members of the Planning Board and most assuredly for myself, I wish to recognize and commend the work of the Land Use Office Staff. Marcia and Barbara, you have our heartfelt appreciation.

Respectfully Submitted
A.M. (Tony) Gaudiello

2013 REPORT OF THE BARRINGTON PLANNING AND LAND USE DEPARTMENT

During 2013, the staff in the Planning & Land Use Office prioritized creating an environment of cooperation where applicants and citizens felt comfortable visiting the office and seeking assistance with their land use questions. The feedback we received has been very positive, from our both applicants and citizens. The Land Use staff will continue to work to ensure the highest level of service to all who seeks our assistance.

Land Use Secretary, Barbara Irvine has worked to organize files and plans by map and lot number, to enable easier review and quicker access to information. In addition, the Code Enforcement Office has adopted a Map and Lot system, which enables the two departments to work seamlessly together. Agendas for both Planning Board and Zoning Board applications currently contain links to the plans and application materials for easy access to information before the boards. During 2014, the Planning & Land Use Office invites citizens to “Like” our page on FACEBOOK, where updates to meeting schedules and notices of upcoming events will be posted.

Our priority continues to be assisting land use boards in Barrington by providing staff support, educational opportunities, and technical assistance, in order to enable board members to make educated an informed decisions regarding land use applications, issues, and planning for Barrington’s future needs.

2013 REPORT OF THE BARRINGTON ZONING BOARD OF ADJUSTMENT

Zoning and related regulations are a legislative tool that enables town government to meet the ever changing and growing demands of a community. The Zoning Board of Adjustment functions as a quasi-judicial body, which means the ZBA is empowered to grant relief from the strict application of the Zoning Regulations (variances), approve certain uses of land (special exceptions) and hear appeals of actions taken by the Zoning Administrator. In Barrington this individual is also the Code Enforcement Officer and Building Inspector.

Board members continued to stay apprised of changes in Land Use Law regulations by attending the Municipal Law Lecture Series in September put on by the New Hampshire Municipal Association. Topics covered have included: Conflicts and Ethical Considerations for land Use Boards, Conditions of Approval: How to Draft Language That is Both Clear and Defensible, Planning and Fair Housing Law.

The Barrington Zoning Board of Adjustment granted seven Variances in 2013 and had one application withdrawn.

The Board welcomed David Vincent to the Board as a full member and Meri Schmaltz and Dawn Hatch as alternate members. Longtime member Ellen Conklin retired from the Board after many years of service. The Zoning Board members thank Ellen for her commitment to the Board and the citizens of Barrington.

Citizens interested in serving on the Zoning Board of Adjustment should contact the Land Use Office. The ZBA fills a vital role in the administration of the Zoning Ordinance in the Town of Barrington.

2013 REPORT OF THE BARRINGTON CONSERVATION COMMISSION

The work of the Conservation Commission to help protect and preserve the natural resources of the town continues unabated. It was a busy year.

In March, the commission mourned the sudden death of Clayton Carl, longtime commissioner and supporter of conservation efforts in Barrington and elsewhere. His enthusiasm and insights are sorely missed.

A notable conservation accomplishment of 2013 was the purchase and conservation of a 42-acre parcel that has been added to the Samuel A Tampusi Water Supply Reserve (SATWaSR). This land has frontage on the Bellamy River and links together two 'outlying' pieces of SATWaSR. In addition to use of the town's conservation fund for this acquisition, funding came from the City of Portsmouth, the Town of Madbury, the Fields Pond Foundation, and the Bafflin Foundation. The commission is hard at work on other land conservation projects in town, most notably one with over two miles of frontage on the Isinglass River that is being spearheaded by the Trust for Public Land.

We also led or organized five hikes to showcase several of Barrington's fine array of public trails and conserved lands. These included a winter hike on SATWaSR, one on the Goodwill Conservation Area, a bird walk on the Warren Farm, a hike to educate folks about forestry activities on the Borodavchuk land, and a tree identification walk on the Newhall property. Stay tuned for future walks in 2014.

Eagle Scout candidate Ben Hanley organized and improved the trails and guided nature walk on the Town Forest. Many thanks to Ben for his effort, which will be appreciated by all who enjoy this lovely spot.

Another effort to improve and increase public access to town lands was the completion of the "Winnie the Pooh" Trail on the Goodwill Conservation Area. This is a short trail with signs containing quotes and artwork by A.A. Milne and by E.H. Shepard. It was especially designed to get families with young children out into the woods. Information about it and other public trails can be found on the Con Comm's web site, <http://barringtonconcom.org>.

We also welcome new alternate members Alison Desmarais, Julia Guimond, and Marika Wilde, who join full members Pam Failing, Anne Melvin, Ken Grossman and John Wallace and alternates Glenn Gould and Peter Sandin. It is great to have some fresh faces and ideas

on the committee as we prepare for 2014!

In addition to its work commenting to NH DES on wetlands applications, responding to complaints, working the Planning Board, and myriad other chores, we are looking forward to a productive 2014. As always, the commission also is involved in the monitoring and stewardship of the 21 conservation easements held by the town. This is a very important responsibility for the town and one that we take very seriously

We are always looking for more volunteers to help in the conservation and stewardship of Barrington's forests, lakes, wildlife, etc. Contact the commission via town hall if you would like to help in any way. It can be very rewarding work!

2013 REPORT OF BARRINGTON'S PARKS AND RECREATION DEPARTMENT

The mission of the Parks & Recreation Department is to serve as a positive presence in the community, enhancing the quality of life by providing diverse and equitable programming that fosters a sense of community, personal growth, health, fitness, relaxation and good sportsmanship, while providing opportunities for community involvement.

In 2013, the Parks & Recreation Department was able to increase its participation rate in a number of different programs. Two noticeable larger programs are the M.A.P. Before & After School program and the A.S.K. After School program. Due to the hard work of our staff, the numbers have increased and a wait list has been developed. Nevertheless, the expenses of these two programs have increased with the increase of participant's rate. However, all programs net enough revenue to cover their expenses.

Also in 2013, there were several improvements made to the Town Gym and Playground. The Town Gym improvements included new ADA faucets, carpet runners and baby changing stations. In May there was several yards of safety playground fiber (mulch) spread onto the playground. In 2014, there will be more improvements made to the playground area as well.

Programs offered during 2013, included Summer Camps for grades K –8, Teacher Workshop Camps, Summer Soccer, Fall Soccer, Flag Football, Lacrosse, Kindergarten Enrichment, M.A.P., A.S.K., Pre-K Yoga, Senior Striders, Surf Camps, Paddleboard Camps, February & April Vacation Camps, Surf Camps, Men's Basketball, High School Basketball, Soccer Camp, Zumba, Pilates, Yoga, Hoop Dance & Belly Dance. Special Community Events offered included Trunk or Treat, Kids Kaos, Holiday Hoopla, Holiday Lights Contest & the Egg Hunt as well as the Second Annual Fishing Derby, which was another big success.

In 2014, patrons can look forward to spending even more time with the Parks & Recreation Department. Programs to look forward to are: Women's, Men's & Co-Ed Fly Fishing groups and special programs, Parent's Night Out, Archery Programs, Family Ski Programs, Red Sox Trips, NYC Trips, and a Community Skating Party (partnering with the Christmas Dove. Weather permitting).

Volunteers make Community Recreation happen! The Barrington Parks & Recreation Department would like to thank all of the volunteers & local organizations and businesses who donated their

time, monetary donations, efforts and talents over the past year. A great deal of the department's work would not be possible without the kindness of those community members & businesses. Without local business & community support, many programs would not be as successful as they are. THANK YOU!

The Barrington Parks & Recreation Department invites all residents to participate and enjoy programs & events put on by your Recreation Department. As always, the Department is always open for new ideas. The Recreation Department office hours are Monday thru Friday 8:00 a.m. to 4:00 p.m. Programming ideas, suggestions and constructive criticism regarding programming are always welcome, that way we can better serve the recreational needs of all Barrington residents.

Sand Art is always a favorite activity at Summer Camp!

2013 REPORT OF THE BARRINGTON PUBLIC LIBRARY

The library circulated 99,560 of our own items this year plus 1,282 items we borrowed from other libraries across the state for a grand total of 100,842 circulations! Please see the full statistical report included on another page for details on all aspects of library use in 2013. We saw increases in the use of our online resources such as downloadable E-books and audio books as well as program attendance. This download service can be accessed at <http://nh.lib.overdrive.com> . It is FREE to any cardholder as long as you have no current fines or overdue items and your card is not expired. We update patron information yearly. We have 43% of the Town as cardholders; this does not count the many children using the library who don't get cards until they are age six.

This year we have a new Kindle Paper White E-Reader to loan, a mobile laptop for patrons to use in the library, new video gaming consoles which we use at our monthly teen gaming day, an iPad set up especially for early childhood learning which can be checked out, and a wonderful new large screen TV in the meeting room used for family movie days, presentations, and Skyping authors and others into meetings! The TV was generously donated by our Friends of the Library Group who also donated funds to pay for our e-newsletter service, part of our magazine subscriptions, our museum passes, and they allowed us to utilize their 501C-3 status to get a \$500.00 grant from Wal-Mart. We got new switches for our network to speed access for those using our wireless connection and we now offer e-mail reminders for books coming due. You may also have your photo included in your library record.

Our major project this year was the purchase and installation of new shelving for paperbacks, DVDs, and items in the Children's area. This has helped to organize us in our very limited space but was quite a shifting process as thousands of items had to be moved. We also did a major weeding project; removing items from the collection that were no longer being utilized.

2014 tasks include purchasing new chairs for our meeting space (paid for by a generous private donation) and unveiling a new library logo and plastic library cards to match. We'll also have a revamp of our website to incorporate the new logo and colors, as well as making the homepage easier to navigate. We'd like to thank Isinglass Marketing for donating time to develop and launch the new logo. All public PCs will be upgraded to Office 2013 and we'll be getting a new copier

that has color capability as well as scanning and faxing modes that patrons can utilize as well as staff. We will also be providing further support to the school with bi-weekly visits to the library from many of their classes at the ECLC.

The library wishes to thank the many volunteers who worked on projects and helped at the desk; the savings to the Town is approx. \$6,488. Staff also procured grants from the NH Humanities Council, the Museum of Science, Kids, Books, and the Arts, Federal Savings Bank, and the NH Library Trustees Association to provide the community with programs, and, allow staff to attend conferences. Our annual budget request reflects only a portion of what it actually takes to run, maintain, and upgrade your library; the library annually provides 40-50% of the funds, from sources other than tax raised monies, used to purchase the materials you see in the library.

BARRINGTON SCHOOL HISTORY

1722 - The Town of Barrington is incorporated

1740 - Town settlements occur. Population is 50 people.

1817 - Town population is 3,564. Barrington is identified as one of the three largest towns in New Hampshire.

1870 - Town population decreases to 1,500 due to the advent of the Industrial Revolution

1874 - "There are fifteen schools in town. The average length of schools for the year is sixteen weeks; the amount of money appropriated for school purposes, \$1,658.56." (Fogg, The Statistics and Gazetteer of New Hampshire, 1874)

These schools are scattered throughout the town. Their names include: Canaan, Hale, Chapel, Oak Hill, Pond Hill, Town Farm, Waldron's Hill, Winkley, and Wood Road Schools.

1899 - In the annual School Report, signed by G.B. Haley and W.E. Waterhouse, they stated: "While we realize the financial condition of the town, we feel that it's poor economy to defraud our children of schooling and not raising extra money for schools is a disgrace to the town, for which the majority of the voters are to blame."

1938 - Barrington School is completed on Rt 9 at Province Ln, on 5.48 acres. First day in the new building is September 19th.

1955 - Barrington School first floor addition is complete.

1959 - School operating budget is \$77,467.

1965 - Barrington School second floor addition is complete.

1970 - Town population is 1,965.

1975 - Barrington Middle School is built east of Town Hall building (2.92 acres) on Province Lane on 6.31 acres

1980 - Town population is 4,404. (124% increase in a 10 year period.)

1982 - Grades 1-8 enrollment is 552 students.

1988 - Grades 1-8 enrollment is 641 students.

1990 - Barrington Elementary School is built on Rt 125 on 28.3 acres for \$2.9 M

1990 - Town population is 6,164. (40% increase in a 10 year period.)

1992 - Grade 1-8 enrollment is 761 students.

1994 - Barrington Elementary School \$865,000 addition is complete.

1996 - School Administrative Unit #74 officially begins.

1997 - Grades 1-8 enrollment is 884 students.

1999 - Barrington Kindergarten building is completed on the grounds of the Elementary School.

2000 - Town population is 7,475 (21% increase in a 10 year period.)

2000 - Grades K-8 enrollment is 958 students.

2001 - Voters consider new Middle School for grades 5-8; 58.51% approve-60% needed; falls short by 29 votes; School operating budget exceeds \$10 million for the first time.

2002 - Voters reconsider new Middle School for grades 5-8; project passes in March with 60.4% in favor; wins by 8 votes.

2002 - Barrington Taxpayers Association formed; in July the group petitions for a Special School District meeting to overturn the Middle School project; their efforts are not successful.

2002 - Barrington's population ranked as the 37th largest municipality in NH; it ranks in the top 16% within the state.

2003 - Construction on new 112,000 sf Middle School begins on 120 acres on Route 9. Property was purchased in November of 2001.

2004 - New Middle School opens for grades 5-8. The district's operating budget is 13.8 million.

2004 - Revaluation of property takes place and raises the Town's total property value from \$383,391,972 to \$793,243,599.

2008 - Barrington continues to grow. Population approaches 8,700. Total property value is \$929,323,953, High School population is 469.

2009 - Early Childhood Learning Center (ECLC) established in "old" Middle School on Province Lane; Pre-K enrollment-49.

2010 - Phase II of renovations to the ECLC are completed with the addition of Kindergarten classrooms (half day program); enrollment Pre-K and Kindergarten-133 students. "Old" Kindergarten building at BES is being used for Grade 1 classrooms.

2010 - SAU 74 District offices move into two rooms at the ECLC; Town discussion begins on remediation and renovation to Town Hall.

2012 - SAU 74 offices located in ECLC expanded to include one more room; renovations/upgrades to ECLC admin offices are completed.

2013 - Voters consider a bond vote to renovate Town/School office building located on Ramsdell Lane; not supported by voters.

2013 - Full-day Kindergarten initiated in Barrington. ECLC has five classrooms for full-day Kindergarten and 2 for half-time Preschool program (4 sessions). Annex at BES (old Kindergarten building) being used for School Board and Town committee meetings in addition to a Professional Development meeting room and OT/Title 1. (All classrooms are now in the main Elementary School building.)

BARRINGTON SCHOOL DISTRICT: SAU #74
SCHOOL DISTRICT MEETING
DELIBERATIVE SESSION
Monday, February 11, 2013, 9:00 AM

To the inhabitants of the School District of the Town of Barrington qualified to vote in district affairs: You are hereby notified of the ANNUAL MEETING.

The first session for the transaction of all business other than voting by official ballot shall be held Monday, February 11, 2013 at 6:00 pm** at the Middle School, 51 Haley Drive, Barrington, New Hampshire. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 12, 2013 at the Barrington Middle School, 51 Haley Drive, Barrington, New Hampshire. The polls shall be open from 8:00 A.M. to 7:00 P.M.

Moderator, Stan Swier, stated his rules of order.

School Board Members present: Chairman, Deb McNally; Vice Chair, Moira Taylor; Dave Gibson; Scott Francisco and Michelle Antosiewicz

Administration present: Superintendent, Gail Kushner; Director of Student Services, Tamara MacAllister; Elementary Principal, Mary Maxfield; Middle School Assistant Principal, Cheryl Peabody

Also present: Barbara Loughman, Esquire, Legal Counsel for the District

Chairman, Deb McNally, thanked the Board, the ABC and Gail Kushner for all the work that has been done for the proposed budget. Ms. McNally stated that this is Mr. Francisco's last year on the Board and recognized him for all the work he has done during his 3.5 years on the School Board.

ARTICLES

ARTICLE S-1 To choose all necessary School District Officers by ballot and majority vote, including:

One Clerk for one year
One Moderator for one year
One Treasurer for one year
Two Members of the School Board for three years

Moderator Swier declared Article S-1 would appear on the ballot as written and as prescribed by law.

Results: Clerk 1 yr: **Cindy Taylor**
Moderator 1 yr: **Stanley Swier**
Treasurer 1 yr: **Janet Clark**
School Board 3 yrs: **Moiria Taylor, Beckie Kula**

Superintendent, Gail Kushner, gave an overview of the budget process, the main budget drivers, the new financial software and an update on the state of the District.

ARTICLE S-2 “Shall the school district raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$19,424,293. Should this article be defeated, the default budget shall be \$19,308,318, which is the same as last year, with certain adjustments required by previous action of the school district or by law or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only?” (Majority vote required) The School Board recommends this appropriation by a (5-0) vote and the Advisory Budget Committee recommend this appropriation by a (5-0) vote.

Ms. Antosiewicz made a motion to approve Article S-2. Seconded by Ms. Taylor

Resident, Ken Grant, had questions on several areas of the budget including salaries, insurance coverage, the technology assistant position and the cost of transportation. Mr. Gibson stated that the District is trying for appropriate and competitive compensation for staff; the Board feels that having additional human help will help get the most out of all the new technology; the technology line is not just for purchasing computers but is also for software used in teaching all

subjects; bus ridership is a concern but since Barrington is such a large area and if we took away a bus students could be on the bus for longer periods of time.

BEA President, Lauren Katz, read from a prepared statement that the staff is concerned with proposed cuts in staff and programs but they encouraged community members to support the proposed budget.

Seeing no further comments, Moderator Swier declared Article S-2 would appear on the ballot as written.

Mr. Francisco made a motion to restrict reconsideration. Seconded by Mr. Gibson. The moderator declared the motion passed by a majority show of hands.

Article S-2 Passed With A Majority Vote

Article S-3 Contingent Warrant Article. To see if the District will vote to discontinue the Capital Reserve Fund established in 2004 for the purpose of constructing a high school, said funds, with accumulated interest to date of withdrawal, are to be transferred to the School's General Fund. This article is contingent upon approval of warrant Article 4. In the event that warrant Article 4 is defeated, this article is to be given no legal effect. (Majority vote required) The School Board recommends this appropriation by a (5-0) vote and the Advisory Budget Committee recommend this appropriation by (5-0) vote.

Mr. Francisco made a motion to approve Article S-3. Seconded by Mr. Gibson.

Seeing no further comments, Moderator Swier declared Article S-3 would appear on the ballot as written.

Resident, Peter Royce, asked why Article S-3 and S-4 weren't all in one Warrant Article. The attorney stated the DRA recommends 2 separate articles and she thinks it works best.

Resident, Julien Olivier, asked how the high school issues come about. Ms. Kushner stated that the area high schools have plenty of room for Barrington students and the State Building aid has been discontinued for now. Ms. Kushner stated that at this time the District's priority is to replace the roof at the elementary school.

Ms. Antosiewicz made a motion to restrict reconsideration. Seconded by Ms. Taylor. The moderator declared the motion passed by a majority show of hands.

Article S-3 Passed With A Majority Vote

Article S-4 Contingent Warrant Article. To see if the District will vote to raise and appropriate from surplus the sum of up to \$550,000 to be added to Facilities Capital Reserve Fund previously established and to designate the school board as agents to expend this fund. The foregoing sum to come from the June 30, 2013 fund balance available for transfer on July 1, 2013. No amount to be raised by taxation. This article is contingent upon approval of Article 3. In the event that Article 3 fails, this article to be given no legal effect. (Majority vote required) The School Board recommends this appropriation by a (5-0) vote and the Advisory Budget Committee recommend this appropriation by (5-0) vote.

Mr. Francisco made a motion to approve Article S-4. Seconded by Mr. Gibson.

Seeing no further comments, Moderator Swier declared Article S-4 would appear on the ballot as written.

Mr. Francisco made a motion to restrict reconsideration. Seconded by Ms. McNally. The moderator declared the motion passed by a majority show of hands.

Article S-4 Passed With A Majority Vote

Article S-5 To see if the Barrington School District will vote to create a Capital Reserve Fund under the provisions of RSA 35:1-b for the purpose of unanticipated high school tuition costs and to raise and appropriate the sum of up to \$160,000 to be placed in this fund. This sum is to come from the June 30, 2013 unreserved fund balance (surplus) available for transfer on July 1, 2013 and further to designate the school board as agents to expend this fund. (Majority vote required) The School Board recommends this appropriation by a (5-0) vote and the Advisory Budget Committee recommend this appropriation by (5-0) vote.

Ms. Taylor made a motion to approve Article S-5. Seconded by Ms. Antosiewicz.

Ms. Kushner stated that this unanticipated sum is due to the high school tuition costs per student being less than the amount budgeted. Ms. Kushner stated that the contract with Dover will be up next year and the Board is negotiating the area high schools. Ms. Kushner believes that costs could go up significantly and would like to create this Capital Reserve fund to keep from having a higher cost all at once. There were questions on sending unreserved funds back to the taxpayers. Mr. Gibson stated that every year most of the unreserved funds are returned to taxpayers. Mr. Gibson stated that in the past the

unreserved funds have been much larger but the Board has been working to get the budget as close as possible.

Seeing no further comments, Moderator Swier declared Article S-5 would appear on the ballot as written.

Ms. McNally made a motion to restrict reconsideration. Seconded by Ms. Taylor. The moderator declared the motion passed by a majority show of hands.

Article S-5 Passed With A Majority Vote

ARTICLE S-6 Capital Reserve Fund Technology. To see if the District will vote to designate the school board as agents to expend from the Capital Reserve Fund previously established for the purpose of supplementing technology equipment replacement. (Majority vote required) The School Board recommends this appropriation by a (5-0) vote and the Advisory Budget Committee recommend this appropriation by (5-0) vote.

Mr. Francisco made a motion to approve Article S-6. Seconded by Mr. Gibson.

Seeing no further comments, Moderator Swier declared Article S-6 would appear on the ballot as written.

Mr. Gibson made a motion to restrict reconsideration. Seconded by Mr. Francisco. The moderator declared the motion passed by a majority show of hands.

Article S-6 Passed With A Majority Vote

ARTICLE S-7 Contingency Funds. To see if the School District will vote to authorize, indefinitely until rescinded, to retain year end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5% of the current fiscal year's net assessment, in accordance with RSA 198:4-b, II. Such fund balance retained can only be used to reduce the tax rates or for emergencies to be approved by the Department of Education under RSA 32:11. (Majority vote required) The School Board recommends this appropriation by a (5-0) vote and the Advisory Budget Committee recommend this appropriation by (5-0) vote.

Seeing no further comments, Moderator Swier declared Article S-7 would appear on the ballot as written.

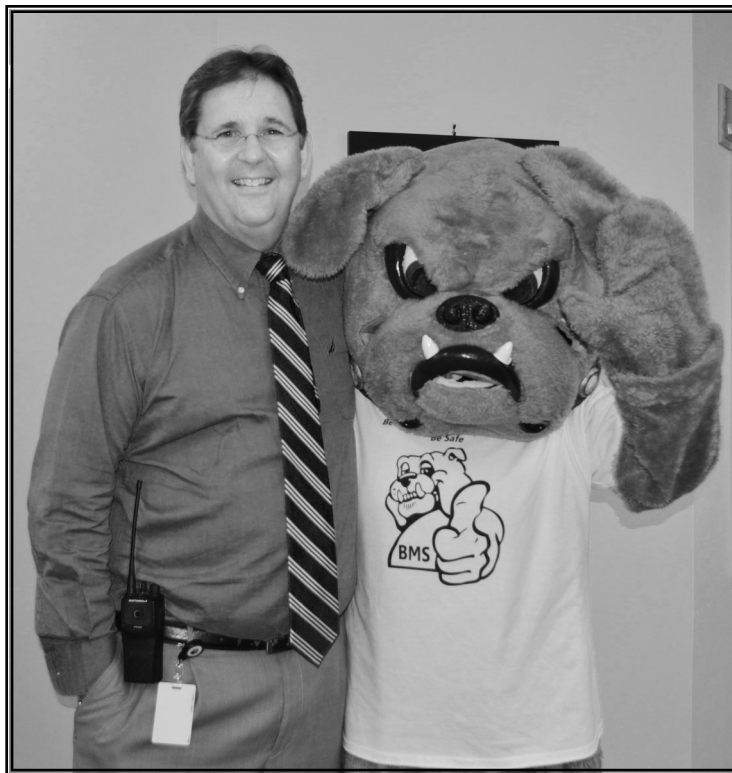

Mr. Gibson made a motion to restrict reconsideration. Seconded by Mr. Francisco. The moderator declared the motion passed by a

majority show of hands.

Article S-7 Passed With A Majority Vote

Ms. McNally made a motion to adjourn at 8:03 PM. Seconded by Mr. Francisco. The moderator declared the meeting adjourned at 8:03 by a majority show of hands.

Respectfully Submitted,
Cindy L. Taylor
Barrington School District Clerk

**BARRINGTON SCHOOL DISTRICT
SCHOOL WARRANT ARTICLES--2014**

The State of New Hampshire

To the inhabitants of the School District of the Town of Barrington qualified to vote in district affairs: You are hereby notified of the ANNUAL MEETING.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, February 8, 2014 at 9:00 A.M. at the Middle School on 51 Haley Drive in Barrington. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.
- (c) No warrant article shall be amended to eliminate the subject matter of the article.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 11, 2014 at the Barrington Middle School on 51 Haley Drive in Barrington, NH. The polls shall be open from 8:00 A.M. to 7:00 P.M.

ARTICLES

ARTICLE S-1 To choose all necessary School District Officers by ballot and majority vote including:

- One Clerk for one year.
- One Moderator for one year.
- One Treasurer for one year.
- One member of the School Board for one year.
- One member of the School Board for three years.

ARTICLE S-2 “Shall the school district raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$20,328,16. Should this article be defeated, the default budget shall be \$20,707,996, which is the same as last year, with certain adjustments required by previous action of the school district or by law or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only.” (Majority vote required).*

* If article S-3 for the collective bargaining agreement passes, this article will be reduced by \$61,206.

(Recommended by the School Board (4-0) and by the Advisory Budget Committee (4-0).)

Note: This warrant article (operating budget) does NOT include appropriations in ANY other warrant article.

ARTICLE S-3 Teacher two-year collective bargaining agreement article. “Shall the voters of Barrington vote to approve the cost item included in the collective bargaining agreement reached between the Barrington School Board and the Barrington Educator Association, Inc. that calls for the following increase in salaries and benefits at the current staffing level over those paid in the prior fiscal year:

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2014-2015	\$185,084
2015-2016	\$181,527

and further to raise and appropriate the sum of \$185,084, for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. And further to reduce the operating budget by the sum of \$61,206 for the upcoming year, such sum representing the changes in costs attributable to the changes in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.” (Majority vote required) (Recommended by the School Board

(4-0) and by the Advisory Budget Committee (4-0).)

ARTICLE S-4 “Shall the Barrington School District, if Article S-3 is defeated, authorize the governing body to call one special meeting at its option to address Article S-3 cost items only.” (Recommended by the School Board (4-0) and by the Advisory Budget Committee (4-0).)

ARTICLE S-5 “To see if the District will vote to raise and appropriate the sum of up to \$300,000 to be added to High School Tuition Capital Reserve Fund previously established. This sum to come from the June 30 fund balance available for transfer on July 1.” No amount to be raised from taxation. (Recommended by the School Board (4-0) and by the Advisory Budget Committee (4-0).)

ARTICLE S-6 High School Tuition Agreement-Dover. “To see if the Barrington School District will vote to ratify and approve the Tuition Agreement between the Barrington School District and the Dover School District for the purpose of educating Barrington students in grades 9-12 for a ten (10) year period beginning on July 1, 2014 and ending on June 30, 2024.” Limit 400 students. (Recommended by the School Board (4-0) and by the Advisory Budget Committee (4-0).)

ARTICLE S-7 High School Tuition Agreement-Oyster River “To see if the Barrington School District will vote to ratify and approve the Tuition Agreement between the Barrington School District and the Oyster River Cooperative School District for the purpose of educating Barrington students in grades 9-12 for a ten (10) year period beginning on July 1, 2015 and ending on June 30, 2025.” Limit 200 students. (Recommended by the School Board (4-0) and by the Advisory Budget Committee 4-0).)

ARTICLE S-8 “To see if the District will vote to raise and appropriate the sum of up to \$150,000 to be added to Facilities Capital Reserve fund previously established. This sum to come from the June 30 fund balance available for transfer in July 1. No amount to be raised from taxation.” (Recommended by the School Board (4-0) and by the Advisory Budget Committee (4-0).)

2013 REPORT OF THE SUPERINTENDENT OF SCHOOLS

Parents, Students, Staff and Members of the Barrington Community, Communication, Curriculum, Student Learning and Community Engagement remain the focal points of the 2013/14 school-year.

Our Mission

The mission of the Barrington School District is to be an inclusive school community where students are prepared to be intellectually and physically engaged members of the local and global community.

We foster an environment that encourages and celebrates life-long learning and teaching for students, staff, and community members based on the principle that we all have strengths and experiences to contribute.

Highly skilled and dedicated teachers, paraprofessionals and administrators collaborate regularly to make our mission and commitments to all students a reality. For the first time, Barrington offered a full-day Kindergarten program to almost one hundred students. Students are thriving with more time to engage in learning activities in all areas. Teachers are working to align the SAU 74 curriculum to College and Career Standards as identified by the State of New Hampshire. Teachers strive to connect student learning with the preparation needed to develop and master both present and future skills and knowledge. Key components of listening, speaking, reading and writing are core competencies in all content areas for 21st century learning.

Currently Barrington serves 1,347 students Pre-school through grade twelve. The Early Childhood Learning Center houses the SAU offices and 127 Preschool and Kindergarten students. The Barrington Elementary School houses grades 1-4 and currently we have 409 students enrolled. The BES roof was completely replaced this summer and many renovations are evident in the building. The Barrington Middle School enrolls 431 students for grades 5-8 and welcomed Terry Leatherman as the new Principal. The Middle School has been very busy preparing for the (NEASC) New England Association for Schools and Colleges visit in October 2014 with a self-analysis and preparing a written report with supporting evidence.

We currently have 410 High School students in Dover High School, Oyster River High School, Coe-Brown Academy and Somersworth High School. Barrington does not maintain its own high school facility, but remains the Special Education (LEP) Local Education

Agency and participates in all educational assessments and (IEP) Individual Education Plan decisions. Barrington has been in negotiations with area high schools for the future with the goal of preserving options for students and their families. We have had many information sessions and public forums. In December 2013, The New Hampshire Board of Education approved contracts with Dover and Oyster River. Voting in March will determine if Dover High School will remain the “School of Record” and if the public would also like to enter into an agreement with the Oyster River Cooperative School District.

In October, students in grades 3-8, and 11 participated in the last NECAP New England Common Assessment Program for Math, Reading, and Language Arts. In the Spring of 2015 we will transition to the Smarter Balanced Assessment. Grades 4, 8 and 11 will continue to take the Science NECAP. The State of New Hampshire applied for a “waiver” from the regulations under “No Child Left Behind”. Schools are no longer defined as making “Adequate Yearly Performance”. All three Barrington Schools meet New Hampshire Adequate Public Adequacy standards and are not identified as “Priority” or “Focus” schools.

Oct 2012/May 2013 Percent Proficient:

	Barrington Math	State Math	Barrington Reading	State Reading	Barrington Science	State Science
Grade 3	86	74	88	78		
Grade 4	81	77	78	78	57	51
Grade 5	76	74	79	77		
Grade 6	70	74	77	79		
Grade 7	65	69	72	77		
Grade 8	70	68	91	82	31	32

Our Professional Growth and Evaluation System to support the effective implementation of curriculum, instruction and assessment was approved by the State of New Hampshire in June 2013. I would like to recognize the Barrington educators for their dedication in developing an integrated evaluation and professional growth model that includes student data.

Barrington has a long tradition of community support. Barrington community members make a difference. There are many individuals that volunteer in our classrooms, participate in music concerts, attend athletic events, Open House, Math and Literacy events, Dancing with the Stars and in many other ways. I am grateful to the citizens of

Barrington for their commitment to provide the best possible educational opportunities to our students and their families.

It is my privilege to work with a dedicated team of professionals, involved parents, and the caring community of Barrington.

Respectfully Submitted

Sack Racing is Fun at the Barrington Middle School

2013 REPORT OF THE BARRINGTON MIDDLE SCHOOL PRINCIPAL

It is with pride that I submit this annual report on behalf of the students, faculty and parents of the Barrington Middle School.

Our middle school educates approximately 430 students in grades fifth through eighth, using a traditional middle school model. We have continued with the same team configuration as last year. Our fifth grade Yellow Team, and sixth grade Red Team are straight grade-level teams with approximately 110 students in each grade. These two teams are each housed within a five-classroom pod area on the first floor. The Blue and Green Teams are both multi-aged, and are comprised of approximately 105 seventh and eighth grade students per team. The two teams are each housed within a five-classroom pod area on the second floor.

Barrington Middle School welcomed five new teachers this year. New additions to our sixth grade Red Team included, Hillary Edwards (Math) and Merrill Koontz (Science). Our multi-aged Blue Team welcomed Chris Lever (Social Studies), and Tyler Sargent (Physical Education) and Jessie Palmer (REACH) joined our Unified Arts Team.

We recently adopted a mission statement for our middle school. The mission statement states:

Barrington Middle School recognizes the creativity of all children, the need for all children to succeed, and the unique characteristics of the early adolescent. Our goal is to help students develop the knowledge and skills needed to demonstrate proficiency in the course expectations as stated in each syllabus. We foster a caring and creative environment emphasizing the social, emotional, physical, and intellectual development of the whole child.

This mission statement reiterates our strong belief in meeting the needs of every student.

Each team provides core class instruction. These core classes are Language Arts, Reading, Science, Social Studies and Math. The instruction is delivered within the pod area. All four teams have five core teachers, along with a special education teacher/ case manager. Students also participate in the Unified Arts curriculum. These classes include Art, Family Consumer Science, Technology Education, Music, Physical Education, Computer Applications and REACH. Teachers and staff continue to use a variety of methods to challenge, motivate and engage students in the learning process both socially and

academically.

Barrington Middle School administers two standardized tests per year. Students take the New England Common Assessment (NECAP) and Northwest Evaluation Association (NWEA) test. This past fall, we administered the NECAP for the last time. Next year we will be administering the Smarter Balanced Test in the spring. The state did not establish Annual Yearly Progress (AYP) this year, but when looking at the student's scores we continue to make good progress.

Barrington Middle School continues to offer and promote a wide variety of enriching activities, which include our athletic programs, after school clubs, jazz band, show choir, yearbook and annual dance show. A large number of students participate in these activities.

Dover High School, Coe-Brown Academy and Oyster River High School, along with some other neighboring high schools, actively seek Barrington Middle School students. All of the high schools report back that our students have been very successful. This can be attributed to the outstanding jobs our teachers, paraprofessionals, support staff, parents/guardians, and the Barrington Community do to prepare our students. We will continue to reflect and improve as we move toward the future.

In closing, I would like to thank the Barrington School Board for their continued support and dedication towards the education of Barrington children; the Facilities Management team and their commitment to ensure our buildings are safe, clean and a point of pride within the community; the numerous parent volunteers and town employees who are dedicated to the students at all of our community schools; and finally our teachers, paraprofessionals, and support staff, whose commitment to each student's needs is reflected in our students success.

Respectfully Submitted

Terrence L Leatherman

Principal, Barrington Middle School

2013 REPORT OF THE BARRINGTON ELEMENTARY SCHOOL PRINCIPAL

It is with great pleasure and pride I submit my sixth Annual Report to the citizens of Barrington.

The Barrington Elementary School educates students in Grades 1 through Grade 4 with a current enrollment of 405 students.

During the 2012-13 school year we had a number of accomplishments and highlights we can report with great satisfaction.

This past year the staff at BES has worked hard to continue their own learning regarding standards, progress monitoring of all students, and improving instructional strategies to meet our students' needs. Using the Common Core Standards to guide our planning and instruction, our Professional Learning Communities met regularly to develop cycles of focused instructional time where students engage in learning activities during a block of time called WIN (What I Need). This additional Math instruction along with our Math Club, has allowed us to improve our ability to meet students' Math instructional needs. Our students' reading progress has also continued to flourish using a variety of materials, best practices and strategies to meet the learning needs of all students. Our dedicated staff is credited with working through a variety of obstacles to plan, instruct, and assess our students to ensure good progress.

We are proud of our efforts to further our students' academic achievement, but we are most proud of our efforts to bring the children of Barrington a well-rounded education. While Math and Reading development is fundamental and primary to our mission, we believe it must be accompanied by a wealth of experiences that help our children understand their world, their community, their school and one another. This is evidenced throughout the year in a variety of ways that include the performing and creative arts, as well as guidance, community, and wellness activities.

Our 60-70 member band and chorus groups performed holiday and spring concerts, with additional performances at the Barrington Soiree, and in our own lobby performing for their peers. Additionally, our first Annual Creative Arts Festival was held! Our Literacy Night, Math Game Night and Invention Convention were some of the other ways our students staff and community celebrated our students' learning.

Helping students understand their world and their community is also part of the BES experience. Two very successful food drives for the

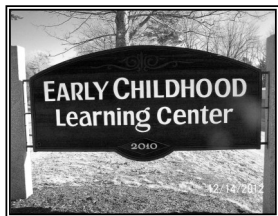

Barrington Food Pantry were held, Grade 4 Leadership Council coordinated by Assistant Principal, Laura Deely, accomplished Geography Week activities, recycling efforts, and coordinated our Anti-Bully week, highlighted by the TIGER Theater Group performing and conducting workshops with our fourth grade students. Our Jump-Rope for the Heart Association Activity, coordinated by Tim Bulger, raised more than \$9,100. This was more than any other school in NH within our division! Additionally, our students walked 7,907 miles during our daily walking program at BES.

Our very supportive PTA continues to serve both the ECLC and BES in a variety of ways including our Back-to-School Barbeque, Pizza Bingo Night, Family Fitness Night and Pancakes with Santa. All were particularly well-attended events last year. This group also supports our volunteer efforts, Math and Literacy nights and now as a member of the Chamber of Commerce, has connected with businesses throughout the Barrington area. This year, Kim Nicols, our very talented PTA president will step down from her post. We are very grateful to her for her tireless efforts to make BES shine!

In closing, I would like to thank the dedicated and hard working staff at BES, our devoted School Board and our very supportive Superintendent, Gail Kushner, for their collective efforts to continuously improve and enhance the education experience for all Barrington students.

Respectfully Submitted,
Mary M. Maxfield
Principal, Barrington Elementary School

2013 REPORT OF THE BARRINGTON EARLY CHILDHOOD LEARNING PRINCIPAL

The Early Childhood Learning Center serves Barrington's youngest population, Preschool and Kindergarten. Our high quality, developmental programs give students a wonderful first experience to their academic career. The ECLC is the place where Barrington children begin to grow their "Roots and Wings." Children are exposed to a solid foundation for future learning, an understanding of the connection between education and life experiences, an eagerness to challenge themselves academically, and the opportunity to develop effective social skills to succeed as life-long learners and productive citizens. Our guiding principles are simple, "Be Kind, Be Caring and Be Respectful." The current enrollment at the ECLC is 140 students. There are four half-day preschool sessions, and for the first time, five full day Kindergarten sessions.

This year, we welcomed Mrs. Tracey Ruest, Kindergarten Teacher, who transferred from Barrington Elementary School. We also welcomed our Paraprofessionals, Mrs. Josee Brannen, Mrs. Aileen Roberts and Mrs. Joanne Hennessey who also transferred from Barrington Elementary School. Mrs. Anne Marie Cummings position was changed to ECLC Secretary.

The ECLC Professional Learning Community strives to successfully achieve our annual school goals. The Preschool and Kindergarten Teams have been focusing on "Student Learning Objectives," which promote reflective teaching practice. Each team has established learning targets for students based on available data, are monitoring student growth towards the targets, and will examine outcome data to see if students have met the targets at the end of the school year. Under the guidance of Anne Davis, Curriculum Coordinator, and Celia Goyette, Reading Specialist, the Kindergarten staff continue to work together to align the Common Core State Standards in the areas of Language Arts and Mathematics. This year, the ECLC has implemented the Foundations Program, a phonological/phonemic awareness, phonics, and spelling program.

The ECLC students and staff enjoy many events and Community Outreach activities to help the Barrington Community. We began the year with a well attended Barbecue and Open House. Our annual PJ Jump Start to Literacy Celebration hosted by the Barrington School Foundation took place in November. The ECLC continues to enjoy

our monthly Literacy Celebrations, Career Day, Math Day, Field Day and Pancake Day where we use our school made Maple Syrup. We always end the year with a school-wide field trip to Fort Foster. Our Community Outreach activities include the “One Million Good Sleeps Bedtime Pajama Drive”

where we provided 66 pairs of pajamas and books for area families in need this winter. We also participated in the “Kimberly’s Wings Coat Drive” which donated new hats and mittens to the Barrington Food Pantry and distributed over 100 coats, boots, hats, and mittens to children in Barrington. The ECLC continues to provide an After School Enrichment Program for PK and K students. The ECLC Face Book page, and ECLC District Website have provided a great deal of information to our community and abroad.

As part of our Emergency Plan, the ECLC staff participated in CPR and First Aid Training. All staff members are now certified and prepared. We have also practiced fire drills and evacuation drills.

Our Parent Teacher Association enhances our school. Our PTA Team gives of their time unselfishly. We are eternally grateful for all they do. It is a nice way for our first time families to get to know other families in the community. Our Welcome Back PTA Barbecue, Pancakes with Santa, and Pizza Bingo Night were well-attended events this year.

In conclusion, I would like to thank our highly skilled and dedicated teachers, paraprofessionals, and Leadership Team who provide a comprehensive and best practice approach for all our students. I would also like to thank our Superintendent of Schools, Gail Kushner, for leading the District forward. Finally, a special thank you to our School Board for their endless hours of public service to make Barrington what it is!
