A WORD FROM THE BARRINGTON SELECTMEN

During 2015 the Board continued its efforts to determine the best option for a permanent home for the town offices. The town is currently spending over \$60,000 a year renting temporary space in an office building plus an offsite storage unit for records; the rental property lacks adequate space for meetings, parking and record storage.

Last spring the Board reconsidered the possibility of renovating the old town hall and was advised by local contractor Fenton Groen, after an extensive study, that the historic part of the structure was not salvageable and that new construction was our best alternative. The Board concluded the proposed building which was brought to voters at the 2015 Town Meeting remains our best option. A space needs study had determined this proposed building is the right size and configuration for the town now and well into the future, and the Board determined the best location remains the site of the former Town Hall. This site will also accommodate a future library building. The Board has worked to have the site prepared with the removal of the former town offices.

While the majority of voters approved the proposed New Town Hall at the 2015 Town Meeting, it fell short of the super-majority (60%) needed to move forward. One of the criticisms of the 2015 proposal was that the project had not been put out to bid before the vote so that the construction cost would be known rather than estimated. The Board worked with SMP Architects this year to put the project out for bid, and the proposed bond article reflects the construction costs submitted by the lowest bidder. The bids revealed that construction costs increased over the past year and the longer the town waits, the more this building will cost.

While it is doubtless that it is possible to build a cheaper structure, this building was designed to have lower long-term operating costs, be very energy efficient, meet the space needs of the town with modern technology, have adequate parking and record storage and provide much-needed meeting spaces for the community. Located near the geographic center of Barrington, it will be a structure in which the residents of Barrington can take pride. The Board encourages voters to support this high-efficiency building to provide a permanent home for the town offices for decades to come.

Although 2016 property taxes will not be affected by the passage of this article, there is a commitment to make payments in future years

that will increase property taxes until the bond is paid off in 20 years. The projected annual net increase due to the bond is 16 cents/1000, or \$40 in the property tax bill on a home currently assessed at \$250,000. Additional information is available on the town website, www.Barrington.nh.gov, as well as at the town offices.

The Board has also developed a budget and 10 warrant articles for 2016 that result in a reduced tax rate, yet adds hours for Fire/Rescue and Public Works; sets aside \$50,000 for road emergencies; supports the police collective bargaining agreement; and adds money to a variety of other funds reserved for future capital expenditures. The operating budget continues to provide funds for maintaining quality services to the Town.

This year saw a couple of major changes in personnel. Richard Conway retired after 28 years as Police Chief. Dick has been very involved in the community in many ways, notably the food pantry, and has started working part time with youth in the Recreation Department. The Board was fortunate to be able to work closely with Sheriff David Dubois who loaned the town his deputy, Captain Joseph McGivern, to serve as interim police chief. After a nationwide search, the Board hired Barrington resident Robert Williams as the new Police Chief, who had been second in command for the Strafford County Sheriff. Finance Director Carolyn Berryment resigned after 10 years to move out of state and Norma McCulloch, her deputy, was promoted to be the new Finance Director. The Board is thankful for an excellent group of employees, and especially Dick and Carolyn for their years of service to the town.

Finally, the Board of Selectmen wishes to thank all those who have participated in local government, especially those who have served on the various Boards and Committees and who demonstrate dedicated public service. The Board knows there will be continuing challenges and change, but looks forward to meeting these challenges with the support and involvement of staff, volunteers and town residents.

Respectfully Submitted

TOWN OF BARRINGTON, NEW HAMPSHIRE
2015 Annual Town Meeting

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs:
You are hereby notified of the annual meeting.

The first session for the transaction of all Town Meeting business, other than voting by official ballot, shall be held Saturday, the 31st day of January 2015 at 9:00 A.M. at the Middle School, 51 Haley Dr. If the session cannot be held that date because of weather or other unexpected emergencies the session will be held the 2nd day of February 2015 at 6:30 PM at the Middle School. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- Warrant articles whose wording is prescribed by law shall not be amended.
- Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 10, 2015 at the new Middle School 51 Haley Dr. The polls shall be open from 8:00 A.M. to 7:00 P.M.

The Moderator, Stanley Swier, opened the Deliberative Session for the town of Barrington at 9:04 am on January 31, 2015 in the Barrington Middle School gymnasium at 51 Haley Drive, Barrington, NH 03825.

The Moderator explained his rules and procedures.

Michael Clark requested permission for non-residents: Town Administrator John Scruton, Town Attorney Jae Whitelaw, Planner Marcia Gasses, Tax Collector Linda Markiewicz, Police Chief Dick Conway, Recreation Director Tara Barker, Library Director Amy Inglis and Architect Jason Lacombe to speak at the Deliberative.

The Board of Selectmen chair Michael Clark gave his opening remarks

ARTICLES

Article 1 To choose all necessary Town Officers by ballot and majority vote, including:

- One Selectman for three years
- One Town Clerk for three years
- One Trustee of Trust Funds for three years
- One Cemetery Trustee for three years
- Three Library Trustees for three years
- One Town Moderator for two years

Result:

- One Selectmen 3 yrs: Casey O'Brien**
- One Town Clerk 3 yrs: Kimberly Kerekes**
- One Trustee of Trust Funds 3 yrs: Holly Grossman**
- One Cemetery Trustee: Jere Calef**
- Three Library Trustees 3yrs: Ronald St Jean,
Althea Sheaf, Samuel Thaddeus Boduch**
- One Town Moderator 2 yrs: Stanley Swier**

Article 2 Are you in favor of adoption of Amendment No. 1 to remove unnecessary determination of the Planning Board when the use/structure is specifically permitted as set forth in ZO 9.4(5) and the conditions (requirements) are specified within the Ordinance at 9.4(5) (a & b) to a degree sufficient for effective Code Enforcement.

A) Add language that clarifies the local Ordinance does not permit that which is otherwise proscribed by State Authority.

B) Insert text that assures any and all required permitting reviews take place for the wetlands and the wetland buffer areas and to recognize that much of the uses and structures listed are under State requirements and review.

C) Insert text providing for a limited expansion of the permitted uses and structures with a combined area of 200 square feet or less.

D) Add under 9.4(5) a paragraph (c) requiring an Administrative Zoning Permit be obtained from the Zoning Administrator, verifying the structure is in compliance with 9.4(5) (a & b). Unanimously recommended by the Planning Board. **[Majority Vote Required]**

Article 2 Passed With A Majority Vote

Article 3 Are you in favor of adoption of Amendment No. 2 to include the text “except as noted in Section 9.4 and Subsection 9.5.1” to Article 9.5.3 to prevent a conflict in meaning. Unanimously recommended by the Planning Board. **[Majority Vote Required]**

Article 3 Passed With A Majority Vote

Article 4 Are you in favor of adoption of Amendment No. 3 to add to the definition of Structure a reference to Article 9.4.5 that sheds may require an Administrative Zoning Permit. Unanimously recommended by the Planning Board. **[Majority Vote Required]**

Article 4 Passed With A Majority Vote

Article 5 as amended To see if the Town will vote to raise and appropriate the sum of two million three hundred fifty thousand Dollars **(\$2,350,000)** for the purpose of construction of a town hall to replace leased spaces including but not limited to building construction, site work, architectural fees, engineering, permitting, inspection, furniture, commissioning and other expenses to occupy the building. Up to two million three hundred fifty thousand dollars **(\$ 2,350,000)** of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. **[3/5th (60%) Majority Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee. There is no impact on the amount to be raised by 2015 property taxes by the passage of this article but there is a commitment to make payments in future years that will increase property taxes in those years. While there are many factors effecting future property tax impact, based on current total assessment, savings of eliminated rental costs, recent interest rates on a 20 year bond sale, the projected

average net increase is \$35.00 in the property tax bill (14 cents/1000) on a home currently assessed at \$250,000 from this article.

Article 5 Failed To Pass

Article 6 as amended “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling six million, four hundred eighty three thousand, eight hundred eleven dollars (**\$6,483,811**)? Should this article be defeated, the default budget shall be six million three hundred thirty three thousand fifty dollars (\$6,333,050) which is the same as last year, with certain adjustments required by previous action of the Town of Barrington or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.” **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation does not include any other warrant article. There is a 2015 projected increase of \$20 in the property tax bill (8 cents/1000) on a home currently assessed at \$250,000 from this article.

Article 6 Passed With A Majority Vote

Article 7 To see if the town will vote to raise and appropriate the sum of \$50,000 to be added to the Fire Truck Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 7 Passed With A Majority Vote

Article 8 To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Fire and Rescue Equipment Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article #6, the

operating budget article. This article has no impact on 2015 property taxes.

Article 8 Passed With A Majority Vote

Article 9 To see if the town will vote to raise and appropriate the sum of \$3,000 to be added to the Library Technology Fund Capital Reserve previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 9 Passed With A Majority Vote

Article 10 To see if the town will vote to raise and appropriate the sum of \$10,500 to be added to the Cemetery Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. This is the amount the Town collected in 2014 from sale of cemetery lots and other cemetery revenue. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 10 Passed With A Majority Vote

Article 11 To see if the town will vote to raise and appropriate the sum of \$50,000 to be added to the Highway Heavy Equipment Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 11 Passed With A Majority Vote

Article 12 To see if the town will vote to raise and appropriate the sum of \$50,000 to be added to the Bridge Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. Such funds may be expended for the purposes of the fund and may be used to apply for 80% state

funding from the New Hampshire Bridge Aid Program for some of this work. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 12 Passed With A Majority Vote

Article 13 To see if the town will vote to establish an Emergency Road Repair and Winter Maintenance Expendable Trust Fund per RSA 31:19-a, for the emergency repair of roads and winter maintenance and to raise and appropriate \$100,000 to put in the fund, with this amount to come from fund balance; further to name the board of selectmen as agents to expend from the fund. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 13 Passed With A Majority Vote

Article 14 To see if the town will vote to withdraw \$30,000 from the Special Detail Revolving Fund established by the 2009 Town Meeting, said funds to be placed in general fund balance, and also to raise and appropriate from the general fund balance \$30,000 for the purpose of purchasing technology and communication equipment for police cruisers including but not limited to radios, software, and data terminals. The Special Detail Revolving Fund has accumulated funds in excess of those reimbursed for town costs and currently has a balance over \$45,000. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 14 Passed With A Majority Vote

Article 15 To see if the town will raise and appropriate the sum of \$125,000 for road paving and reconstruction, this sum to come from fund balance and no amount to be raised from taxation. This money helps fund the fourth year of a multi-year plan recommended by the town's consulting engineer to maintain and improve road conditions. This is a special warrant article and will not lapse until December 31,

2016. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 6, the operating budget article. This article has no impact on 2015 property taxes.

Article 15 Passed With A Majority Vote

Article 16 To see if the town will vote to discontinue the Ambulance Capital Reserve Fund established in 1989. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. It contains approximately \$1,225. The Town now uses a revolving revenue fund to save for purchase of a new ambulance instead of this fund. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee. This article has no impact on 2015 property taxes.

Article 16 Passed With A Majority Vote

Article 17 To see if the town will vote to discontinue the Revaluation Capital Reserve Fund established in 1994. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. It contains approximately \$3,770. The Town now annually budgets for a portion of the revaluation, continually updating the data base instead of the way it was done in the 1990's. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee. This article has no impact on 2015 property taxes.

Article 17 Passed With A Majority Vote

Article 18 To see if the town will vote to discontinue the Above and Below Water Fund established in 2006. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. It contains approximately \$25,970. This fund has not been used since it was established. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee. This article has no impact on 2015 property taxes.

Article 18 Passed With A Majority Vote

Article 19 To see if the town will vote to discontinue the Road Improvement Plan Fund established in 2008. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. It contains approximately \$10,072. The

Town completed its Road Improvement Plan in 2011. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee. This article has no impact on 2015 property taxes.

Article 19 Passed With A Majority Vote

Article 20 To see if the town will vote to rescind the non-lapsing authority to raise and appropriate \$50,000 given in 2014 under warrant article 12 for the purpose of engineering and related studies on the Svenson property, the remaining funds will be transferred to the general fund. The unexpended amount is approximately \$48,000. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee. This article has no impact on 2015 property taxes.

Article 20 Passed With A Majority Vote

Article 21 To see if the town will vote to change the purpose of the existing Cemetery Building and Well Capital Reserve Fund established in 2001 to the Cemetery Land Expansion Capital Reserve Fund for the purpose of purchasing additional land, clearing, construction and survey associated with expansion of the cemetery and to name the Board of Selectmen as agents to expend from the fund for this purpose without further action by Town Meeting. **[2/3rds Majority Required]**. Recommended unanimously by the Board of Selectmen and Advisory Budget Committee. This article has no impact on 2015 property taxes.

Article 21 Passed With A 2/3rds Vote

Article 22 To see if the Town will vote to reclassify the Class VI portion of Town Farm Road to a Class A trail pursuant to RSA 231-A:2 beginning on the Southeastern boundary of Exclusion Area B as shown on a plan entitled Wetland Reserve Program Conservation Easement on file at the town offices on land formerly owned by the A. Harlan Calef Revocable Trust and now owned by the Town (Tax Map/Lot 217/27 & 218/07) and continuing along said road taking the northerly fork in the road to the property boundary and the southerly fork to the Isinglass River. Motor vehicle access by the public shall be prohibited on the Class A Trail established by this article. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen and Conservation Commission.

Article 22 Passed With A Majority Vote

Article 23 To see if the Town will vote change the amount of Land Use Change Tax revenues to be deposited into the Conservation Fund

pursuant to RSA 79-A:25 (II) from 50% of all such revenues to 75% of all such revenues? [By petition] **[Majority Vote Required]**. Not recommended by the Board of Selectmen by vote of 3-1. After the Deliberative Session the Board of Selectmen held a meeting and changed their recommendation as follows: Recommended by the Board of Selectmen by a vote of 3-2.

Article 23 Passed With A Majority Vote

Article 24 as amended Shall the town of Barrington adopt an Ordinance to Protect the Waterways of the Town, including Rivers, Streams, Ponds, Wetlands, Watersheds and Aquifers, by Establishing a Community Bill of Rights for the People of Barrington which Prohibits Activities and Projects that would Violate the Bill of Rights and which Provides for Enforcement, and further vote to remove the severability clause, Section 11, from the adopted Ordinance? [By Petition] **[Majority vote required]** Not recommended unanimously by the Board of Selectmen.

Article 24 Failed To Pass

Article 25 To transact any other business that may legally come before said meeting of the honorable Town Government.

The Moderator read article 25, seeing no further discussion adjourned the meeting at 1:16 pm

A TRUE COPY OF WARRANT – ATTEST

Please notify the Selectmen’s Office at least five business days prior to this meeting if the meeting must be modified for your participation.
January 31, 2015

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Barrington
Barrington, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Barrington as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Barrington, as of December 31, 2014, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 to 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational or economic context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The combining nonmajor and individual general fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor and individual general fund schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor and individual general fund schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

As management of the Town of Barrington, we offer readers of the Town's financial statement this narrative overview and analysis of the financial activities of the Town for the years ended December 31, 2014. This overview is designed to assist the reader in focusing on significant financial issues, provide an overview of the Town's financial activity.

Since the Management's Discussion and Analysis is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Town's financial statements.

Financial Highlights

- The assets of the Town of Barrington exceeded its liabilities at the close of the most recent fiscal year by \$15,278,980. (Exhibit 1).
- The Town of Barrington's net assets increased by \$1,385,872. (Exhibit 2).
- At the end of the current year, the Town's governmental funds reported a combined ending fund balance of \$4,816,671 an increase of \$ 213,801, from the prior year. Exhibit 5
- At the end of the current fiscal year, unreserved fund balance for the General Fund was \$2,076,798, a 6.4% decrease from last year. (Exhibit 3)

Overview of the Financial Statements and Using this Report

This discussion and analysis is intended to serve as an introduction to the Town's basic financial statements. These statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements – The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

Statement of Net Assets and Statement of Activities – One of the most important questions asked about the Town's finances is, "Is the Town, as a whole, better or worse off as a result of the year's activities?" The Statement of Net Assets and the Statement of Activities report information about the Town and its activities in a way that helps answer this question. They provide information on all of the

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

Town's assets and liabilities, with the difference between the two reported as net assets. You can think of the Town's net assets as one way to measure the Town's financial health, or financial position. Over time, increases or decreases in the Town's net assets is one indicator of whether its financial health is improving or deteriorating. However, in evaluating the overall position of the Town, non-financial information such as changes in the Town's tax base and the condition of the Town's capital assets (like roads) will also need to be evaluated. All of the current year's revenues and expenses are taken into account, regardless of when cash is received or paid. Thus, some items reported in this statement may result in cash flows in future fiscal periods (e.g. uncollected taxes and earned but unused compensated absences).

The governmental activities of the Town include general government and administration, public safety, public works, health and human services, conservation, and culture and recreation. These services are funded primarily by taxes and intergovernmental revenues, including federal and state grants and other shared revenues.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objects. The fund financial statements provide detailed information about the funds, not the Town as a whole. Some funds are required to be established by State law and by bond covenants, and some the Town has established to account for the services provided to our residents. All of the funds of the Town can be divided into two categories: governmental funds and fiduciary funds.

Governmental Funds – Governmental funds are used to account for essentially the same functions reported as governmental activities on the government-wide financial statements. Most of the Town's basic services are reported in these funds that focus on how money flows into and out of the funds and the year-end balances available for spending. These funds are reported on the modified accrual basis of accounting that measures cash and all other financial assets that can be readily converted to cash. The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services being provided, along with the financial resources available. The Town's governmental funds are the General Fund, and the Special Revenue Funds, including the Library Fund, the Conservation Fund, Recreation Fund, Capital Reserve

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

Funds, Ambulance Revolving Fund, Grant Fund and PD Special Duty Fund.

Because the focus of the governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities on the government-wide financial statements. By doing so, readers may better understand the long-term effect of the government's short-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Town maintains several governmental funds. Information is presented separately on the governmental fund balance sheet and on the governmental fund statement of revenues, expenditures, and changes in fund balances for the funds, which were identified earlier. Data from the Special Revenue funds are sometimes consolidated into a single, aggregated presentation. Individual fund data for each of these funds is provided in the form of combining statements elsewhere in this report.

Fiduciary Funds – Fiduciary funds, sometimes called Trusts, are used to account for resources held for the benefit of parties outside the Town. Fiduciary funds are not reflected on the government-wide financial statements because the resources from those funds are not available to support the Town's programs. The Town is responsible for ensuring that the assets reported in these funds are used for their intended purposes. The Town holds deposits for various individuals and businesses for contract performance and guarantee. These funds are then returned when the contractual requirements have been fulfilled.

Notes to the Financial Statements – The notes provide additional information that is essential to a full understanding of the data provided on the government-wide and fund financial statements.

Other Information – In addition to the basic financial statements and accompanying notes, this report also presents General Fund budgetary information.

Government-Wide Financial Analysis

Net assets may serve over time as a useful indicator of government's

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

financial position. In the case of the Town of Barrington, assets exceeded liabilities by \$15,278,980 (Exhibit 1) as of December 31, 2014.

A portion of the Town's net assets (41%) reflects its investments in capital assets (e.g. land, building, equipment, improvements, construction in progress and infrastructure), less any debt used to acquire those assets that is still outstanding. The Town uses these capital assets to provide service to citizens; consequently these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

	2014
Assets	
Current and Other Assets	13,671,249
Capital Assets, Net	<u>9,378,154</u>
Total Assets	23,049,403
Liabilities	
Current and Other Liabilities	7,348,428
Long Term Liabilities	<u>421,059</u>
Total Liabilities	7,769,487
Net Assets	
Invested in Capital Assets, Net of Related Debt	9,298,021
Restricted Net Assets	197,404
Unrestricted Net Assets	<u>5,783,555</u>
Total Net Assets	<u>15,278,980</u>

An additional portion of the Town's net assets (1%) represents resources that are subject to external restriction on how they may be used. The remaining balance of unrestricted net assets \$5,783,555 may be used to meet the Town's ongoing obligation to citizens and creditors.

As of December 31, 2014, the Town is able to report positive balances in all types of net assets.

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

Analysis of the Town's Operations – The following table provides a summary of the Town's operations for the year ended December 31, 2014. (See exhibit 2)

	Governmental Activities 2014

Program Revenues	
Charges for Services	895,923
Operating Grants and Contributions	184,870
Capital Grants and Contributions	340,000
General Revenues:	
Property Taxes	3,875,146
Other Taxes	238,742
Grants and Contributions Not Restricted to Specific Programs Licenses and permits	421,025 1,586,412
Miscellaneous	243,250
Total Revenues	7,785,368
Expenses:	
General Government and Administration including capital	1,658,109
Public Safety	1,761,559
Highways and Streets	1,771,664
Sanitation and Water	306,579
Health and Welfare	52,086
Culture and Recreation	798,429
Conservation	40,839
Interest on Long Term Debt Capital outlay	200 10,031
Total Expenses	6,399,496
Change in Net Position	1,385,872
Net Position – January 1	13,893,108
Net Position – December 31	15,278,980

Governmental Activities – There was an increase in net assets in 2014 of 9.6%.

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

Financial Analysis of Town Funds

The Town uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental Funds – The focus of the Town of Barrington's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unreserved fund balance may serve as a useful measure of the Town's net resources available for spending at the end of the fiscal year.

As of December 31, 2014, the Town of Barrington's governmental funds reported combined ending unassigned fund balances (non-GAAP budgetary basis see Exhibit 7) of \$ 3,439,959, a decrease of \$94,887. The variance from the GAAP basis unassigned fund balance (\$ 2,076,798) (Exhibit 3) is the result of deferred tax revenue under the 60-day rule of \$1,363,161. The unreserved balance is in line with the recommendations from the NH Department of Revenue Administration.

The Town again received more revenues than budgeted in some areas (Exhibit 7) which included License and Permit Fees of \$114,612, approximately an 8.1% increase, and Charges for Services which exceeded the budgeted amount by \$46,944 or an approximate 23.5% increase, reflecting conservative revenue projections. The Town's total revenues were \$178,299 above projections or an approximate 6.8% increase.

Budgetary Highlights

The Town's overall actual revenue increased from 2013 to 2014 by 3.4 % reflecting an improving economy in the region.

Capital Assets

The Town of Barrington's investment in capital assets (Exhibit 1) for its governmental activities as of December 31, 2014, was \$9,378,154 (net of accumulated depreciation). This investment in capital assets includes land, building, equipment, improvements, and infrastructure and shows an increase from the December 31, 2013 total by approximately 13%.

TOWN OF BARRINGTON, NEW HAMPSHIRE
MANAGEMENT'S DISCUSSION & ANALYSIS

Major capital asset events during the current fiscal year included the following:

- Road paving \$ 695,484
- Cruiser with Safety Equipment \$ 32,076

	<u>2014</u>
Land and Land Improvements	3,989,068
Buildings and Building Improvements	1,225,353
Machinery, Equipment, Vehicles	1,163,309
Infrastructure	3,000,424
Total	<u>9,378,154</u>

	<u>2014</u>
Bond, Public Safety Building	0.00
Conservation Bonds	0.00
Total remaining	<u>0.00</u>

Other obligations of the Town include accrued vacation pay and sick leave.

Economic Factors That May Impact Next Year's Budgets and Rates

The economy is improving and Barrington is seeing an upswing in business and housing. There are several areas with new developments and new home construction is increasing.

Request for Information

This financial report is designed to provide a general overview of the Town's finances for all those with an interest in the government's finances. If you have questions about this report or need any additional information, contact the Finance Director, PO Box 660, Barrington, NH 03825, call (603)664-9007, or email selectman@metrocast.net.

**2015 REPORT OF THE BARRINGTON
TAX COLLECTOR**

During 2015, the Tax Office continued to work in cooperation with the taxpayers of Barrington to create a positive attitude toward the Tax Office.

Payment plans are up which means more work for us. However, it also means that money is coming in that normally wouldn't. In 2015, \$68,488.07 was collected through payment plans.

2015 TAX RATE BREAKDOWN (\$25.22)

Municipal	\$ 4.66 a decrease of \$0.06
School	\$15.48 an increase of \$1.13
State	\$ 2.26 a decrease of \$0.03
County	\$ 2.82 an increase of \$0.15

Total Increase \$ 1.19 per \$1000 of assessed value

The 2015 property tax warrants totaled \$22,538,642.00. To date we have collected \$21,566,828.70. The total amount collected in 2015 for property tax including all liens, boat fees, yield tax, excavation tax, current use liens, interest, costs and fees is \$21,671,664.35.

The 2014 lien totaled \$542,728 and of that, the \$161,921.07 that has been collected to date is included in the total above. No properties were deeded this year for unpaid 2012 taxes. The Assessing and Tax offices worked diligently together, along with taxpayers to find resolutions for unpaid taxes.

Jessica and I completed our certification training in September. Our re-certification will take place in 2020.

We continue to serve the community of Barrington with the utmost respect and dedication. It has been another successful year for the Tax Collector's office and Jessica and I find it a pleasure to work with the taxpayers of Barrington.

2015 REPORT OF THE BARRINGTON TOWN CLERK

The Town Clerk's Office is the information center for the town, mostly because everyone calls the Town Clerk to find out where to go or who to talk to...and while we can usually direct residents to the correct department, the Town Clerk's Office is responsible for processing motor vehicle registrations, licensing dogs, issuing vital records, conducting local/state elections and maintaining the town's records.

Just a reminder to license your dogs by April 30th of every year. Starting Jan. 4, 2016, you may license your dog(s). Residents are able to license their dog(s) with proof of:

1. current rabies vaccination certificate
2. spaying/neutering certificate

\$ 7.50 Spayed, neutered and dogs under 7 months old

\$10.00 Dogs that are not spayed or neutered and older than 7 months

\$ 3.00 Residents who are 65 years old by January 1st of the current year may register **one dog** at the rate of \$3.00.

Residents may mail copies of certificates along with a check made out to **Barrington Town Clerk** to:

Barrington Town Clerk
PO BOX 660
Barrington, NH 03825

In July after attending three years of NEMCI (New England Municipal Clerk Institute), I have attained my CMC (Certified Municipal Clerk) designation from the IIMC (International Institute of Municipal Clerks). The CMC designation program is designed to enhance the job performance of the Clerk in small and large municipalities. To earn the CMC designation, a Municipal Clerk must attend extensive education programs. The designation also requires pertinent experience in a municipality. The program prepares participants to meet the challenges of the complex role of municipal clerk by providing them with quality education in partnership with 47 institutions of higher learning. The program has been in existence since 1970 and has helped thousands of clerks in various municipalities.

The end of 2015 was spent preparing for the Presidential Primary which is going to be an eventful one. In 2016 it will be New Hampshire's 100th Anniversary of First in the Nation Primary.

I would like to thank the town employees, members of all boards, committees, elected and appointed officials for their service and

support throughout the year. I would also like to thank my Deputy Town Clerk, Camille Browne and Asst. Town Clerk, Debra Donn-Griffin for your commitment to our mission: to meet and exceed our residents expectations on a daily basis by providing them with accurate, reliable, fast and friendly service. The hard work and dedication that you both bring to work every day are truly appreciated. And finally I would like to thank the residents, the reason we are here to serve (with a smile).

“Enjoy your time in public service. It may well be one of the most interesting and challenging times of your life.”

Donald Rumsfeld

**2016 WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs:
You are hereby notified of the annual meeting.

The first session for the transaction of all Town Meeting business, other than voting by official ballot, shall be held Saturday, the 30th day of January 2016 at 9:00 A.M. at the Middle School, 51 Haley Dr. If the session cannot be held that date because of weather or other unexpected emergencies the session will be held the 1st day of February 2016 at 6:30 PM at the Early Childhood Learning Center, 77 Ramsdell Lane. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

Warrant articles whose wording is prescribed by law shall not be amended.

Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 8, 2016 at the new Middle School 51 Haley Dr. The polls shall be open from 8:00 A.M. to 7:00 P.M.

ARTICLES

Article 1 To choose all necessary Town Officers by ballot and majority vote, including:

SELECTMEN Two for 3 year term
TRUSTEE OF TRUST FUNDS One for 3 year term
CEMETERY TRUSTEES One for 3 year term
LIBRARY TRUSTEES Two for 3 year term
TOWN MODERATOR One for 2 year term
SUPERVISOR OF CHECKLIST One for 6 year term

Article 2 Are you in favor of adoption of Amendment No. 1 to change the time period under Article 18 the definition of Active and Substantial Development or Building from twelve months (12) to twenty-four months (24), consistent with RSA 674:39. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 3 Are you in favor of adoption of Amendment No. 2 to include in Article 18 definitions for; Assisted Living Facility, Congregate Care Facility and elderly Assisted Care Home, in order to differentiate between the specific types of elderly housing and to amend the definition of Nursing Home to Nursing Facility for consistency with RSA 151-E:2V. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 4 Are you in favor of adoption of Amendment No. 3 to include in Article 19 Table of Uses the following uses; Assisted Living Facility, Business & Professional Park, Distillery/Brewery with Retail, Elderly Assisted Care Home, Kennel, Nursing Facility, and Distillery without Retail. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 5 Are you in favor of adoption of Amendment No. 4 to allow under Article 19 Footnotes to Table 1 (11) to allow one structure of 200 sq. ft. or less to be utilized as a farm stand without site plan review, after review by the Zoning Administrator for compliance with section 7.3 of the ordinance and consultation with appropriate department heads for review of access and safety concerns. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 6 Are you in favor of adoption of Amendment No. 5 allowing legally existing residential uses to continue as part of a mixed use development to add under Article 3.3.4, 3.3.4(1)(c) Legally Existing residential uses may be combined as part of a mixed use development. A) Add to Article 3.3.5 to include 3.3.5(3)(c) Legally Existing residential uses may be combined as part of a mixed use development. B) Add to Article 3.3.6 to include 3.3.6(1)(c) Legally Existing residential uses may be combined as part of a mixed use development. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 7 Are you in favor of adoption of Amendment No. 6 to replace in Article 1 specific dates with “current”. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 8 Are you in favor of adoption of Amendment No. 7, inserting in Article 2 an index of 2.1. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 9 Are you in favor of adoption of Amendment No. 8, relocating the second sentence of Article 3.1 as new section 3.1(1). By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 10 Are you in favor of adoption of Amendment No. 9, clarifying how to read the Table of Uses in Article 3.2
A) by deleting in Article 3.2 “in accordance with the following provisions”
B) by making formatting changes in Article 3.2.1,3.2.2, 3.2.3, 3.2.4, to delete duplicative instructions, and relocate language requiring compliance with footnotes. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 11 Are you in favor of adoption of Amendment No. 10 to add “are permitted” following Well/Well Lines to Article 9.5.1(4). By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 12 Are you in favor of Amendment No. 11 inserting “that is regulated by the building code” into 15.4.1 to clarify scope of building permit requirement. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 13 Are you in favor of Amendment No. 12 Clarifying Article 3.1.8(3) by striking such and insert “a” after “Where”. By a vote of (7) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 14 Are you in favor of Amendment No. 13 to include the definition of Kennel in Article 18. By a vote of (5) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 15 Are you in favor of Amendment No. 14 to include in the exemption from setbacks in the definition of Structure in Article 18 (n) Cisterns, (o) Wells, provided they meet NHDES requirements, including ancillary equipment, (p) Drainage facilities, (q) Such structures as are authoritatively deemed required for the safety of the community and its citizens, and (r) Utility service lines. By a vote of (5) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 16 Are you in favor of Amendment No. 15 in Article 18 to add in the definition of Structure (g) the language “the differential in grade shall be no more than four feet” and to change “bottom” to “top”. By a vote of (5) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 17 Are you in favor of Amendment No. 16 to insert (15) to Article 19 footnotes, Maximum density per NHDES Subsurface Disposal Regulations or no more than one bedroom per ten thousand (10,000) square feet of upland soil, the most restrictive shall apply. By a vote of (5) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 18 Are you in favor of Amendment No. 17 to substitute “on” for “or” in Article 9.5.1(5). By a vote of (5) in favor and (0) opposed the Board unanimously recommended this article. **[Majority Vote Required]**

Article 19 Are you in favor of Amendment No. 18 by Petition to prevent the contamination of Barrington’s water supplies by prohibiting Gasoline Service Stations in or within 500 feet of a stratified drift aquifer boundary in Article 12.4.2. By a vote of (3) in favor and (4) opposed the Board failed to recommend this article. **[Majority Vote Required]**

Article 20 To see if the Town will vote to raise and appropriate the sum of \$2,900,000 (two million nine hundred thousand dollars) for

the purpose of construction of a town hall to replace leased spaces including but not limited to building construction, site work, architectural fees, engineering, permitting, inspection, furniture, commissioning and other expenses to occupy the building. Up to \$2,900,000 (two million nine hundred thousand dollars) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. **[3/5th (60%) Majority Required]**. Recommended by the Board of Selectmen by a 4-1 vote and recommended unanimously by the Advisory Budget Committee.

Note: There is no impact on the amount to be raised by 2016 property taxes by the passage of this article but there is a commitment to make payments in future years that will increase property taxes in those years. While there are many factors effecting future property tax impact, based on current total assessment, savings of eliminated rental costs, recent interest rates on a 20 year bond sale, the projected average net increase is \$40 in the property tax bill (16 cents/1000) on a home currently assessed at \$250,000 from passage of this article.

Article 21 “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling six million five hundred fourteen thousand one hundred twenty eight (\$6,514,128)? Should this article be defeated, the default budget shall be six million four hundred twenty one thousand two hundred ten dollars (\$6,421,210) which is the same as last year, with certain adjustments required by previous action of the Town of Barrington or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.” **[Majority Vote Required]**.

Note: This appropriation does not include any other warrant article. There is a 2016 projected decrease of \$7.50 in the property tax bill (minus 3 cents/1000) on a home currently assessed at \$250,000 from passage of this article.

Article 22 To see if the town will vote to raise and appropriate the sum of \$50,000 to be added to the Fire Truck Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 23 To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Fire and Rescue Equipment Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 24 To see if the town will vote to raise and appropriate the sum of \$3,000 to be added to the Library Technology Fund Capital Reserve previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 25 To see if the town will vote to raise and appropriate the sum of \$60,000 to be added to the Highway Heavy Equipment Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 26 To see if the town will vote to raise and appropriate the sum of \$50,000 to be added to the Bridge Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. Such funds may be expended for

the purposes of the fund and may be used to apply for 80% state funding from the New Hampshire Bridge Aid Program for some of this work. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 27 To see if the town will vote to raise and appropriate \$50,000 to be added to the Emergency Road Repair and Winter Maintenance Expendable Trust Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 28 To see if the town will raise and appropriate the sum of \$125,000 for road paving and reconstruction, this sum to come from fund balance and no amount to be raised from taxation. This money helps fund the fourth year of a multi-year plan recommended by the town's consulting engineer to maintain and improve road conditions. This is a special warrant article and will not lapse until December 31, 2017. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 29 To see if the town will vote to approve the cost items included in the collective bargaining agreement reached between the Board of Selectmen and the New England Police Benevolent Association Local 240, representing police employees other than the Police Chief which calls for the following increases in salaries and benefits at the current staffing level: 2016 Fiscal Year estimated increase \$ 22,731 in 2016; 2017 Fiscal year estimated increase \$6,569 in 2017 and further to raise and appropriate the sum of \$22,731 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. **[Majority vote required]**. Recommended unanimously by the both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the

operating budget article. There is a projected increase of 2.5 cents/1,000 (\$6.25 on a home currently assessed at \$250,000) from this article.

Article 30 To see if the town will vote to raise and appropriate the sum of \$25,000 to be added to the Communications Upgrade for Emergency Services Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 31 To see if the town will vote to raise and appropriate the sum of \$5,000 to be added to the Cemetery Capital Reserve Fund previously established, this sum to come from fund balance and no amount to be raised from taxation. This is the amount the Town collected in 2015 from sale of cemetery lots and other cemetery revenue. **[Majority Vote Required]**. Recommended unanimously by both the Board of Selectmen and the Advisory Budget Committee.

*Note: This appropriation is in addition to Warrant Article # 21, the operating budget article. This article has no impact on 2016 property taxes.

Article 32 To see if the town will vote to place a conservation easement on properties owned by the town known as the Leahy and Renna parcels, totaling 77 acres, Map 254 Lots 21 and 22, said easement to be conveyed to and held by the Society for the Protection of New Hampshire Forests (SPNHF). These properties connect separate parts of the town-owned Samuel A Tamposi Water Supply Reserve, on which SPNHF already holds a conservation easement, and were purchased using money from the town's conservation fund expressly for this purpose. **[Majority Vote Required]**. Recommended unanimously by the Board of Selectmen.

Article 33 To see if the town will vote to urge our selectmen to act now to bring this proposed action in front of the Barrington tax payers at a town meeting so the residents can discuss and vote on this specific project and can be properly informed re: impact on individual property tax rates and on the property tax issues raised by an lease/easement agreement with regard to placing equipment on town property." Petitioned warrant article titled "Solar Power Purchase Project and Placing Solar Equipment on Town Property in a Long Term Lease/Easement Agreement and Transparent Cost Analysis" **[By petition]**

Article 34 Shall the town of Barrington adopt an Ordinance to Protect the Waterways of the Town, including Rivers, Streams, Ponds, Wetlands, Watersheds and Aquifers, by Establishing a Community Bill of Rights for the People of Barrington which Prohibits Activities and Projects that would Violate the Bill of Rights and which Provides for Enforcement, and further vote to remove the severability clause, Section 10 from the adopted Ordinance? **[By Petition]. [Majority Vote Required]**. Not recommended by the Board of Selectmen (5-0).

Article 35 To transact any other business that may legally come before said meeting of the honorable Town Government.

Given under our hands, this 21st day of January, 2016

Michael Clark
Fred Bussiere
Dawn Hatch
Susan Gaudiello
Casey O'Brien

PUBLIC NOTICE

RSA 674:39-aa

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

In 2011, the NH Legislature created a process (see HB #316), by which an owner could petition the municipality to undo this involuntary merger and restore the lots to their separate and distinct condition.

If your property includes two or more lots that were merged for zoning, assessing or taxation purposes and the merger occurred:

- During your ownership without your consent **or**
- Prior to your ownership, if no previous owner consented to the merger

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- Deadline for such requests is December 31, 2016

Once restored:

- Your properties will once again become separate lots; however they must still conform to all applicable land use ordinances. Restoration does not cure non-conformity.

Any owner who disagrees with the Selectmen's decision regarding their request to undo an involuntary merger may appeal the decision in accordance with the provisions of RSA 676

Note: RSA 674:39-aa defines "Owner" as "a person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger."

2015 REPORT OF THE BARRINGTON POLICE DEPARTMENT

The Barrington Police Department has hired a new Police Chief after Chief Richard Conway retired after 28 years of service. Congratulations Chief Conway on your retirement and thank you for the years of dedicated service.

Robert Williams was appointed as Chief of Police on December 7th, 2016, after a nationwide search was completed by MRI Incorporated. Chief Williams has over 21 years of law enforcement service and has lived in the Town of Barrington for 18 years with his wife Helen and daughter Carmela.

The Barrington Police Department has personnel on duty 24 hours a day; however we do not staff the station continuously. When assistance is needed, the following phone numbers should be used:

- 911 Emergency Calls
- 664-2700 Strafford Dispatch-for all non-emergencies 24 hours per day.
- 664-7679 Office, Monday thru Friday, 8:30am - 4:30pm

We understand that every incident is important to the reporting caller and we attempt to respond to each issue as soon as possible. Frequently, our response is delayed due to staffing issues and the need to prioritize our response to calls for service.

The best way to protect your property is to be **extra vigilant of suspicious activity at your home and your neighbors, reporting any suspicious people or activity immediately to the police. Dial 911 or 664-2700 to report the activity. We would rather respond and not be needed than not be called when we are needed.**

POLICE DEPARTMENT STATISTICS

<u>Item</u>	<u>2015</u>
Accidents (total)	199
Traffic Stops	532
Arrests	172
Calls For Service	8745
Alarms	28
E911 Hang-Ups	388
Domestic Disturbances	62
Animal Complaints	495
Burglary	19
Overdoses	16

The Barrington Police Department currently has Officers who are NHTSA Certified Child Passenger Safety Technicians and the Barrington Fire and Rescue. If you need help installing a child passenger seat or have questions as to how to properly use the child passenger seat, call the Police Department at 664-7679 and one of the Technicians will return your call and assist you.

The Barrington Police Department has ten full-time and one part-time officer. We would not be effective without assistance from the following groups and wish to thank them.

- The Citizens of Barrington who report crimes and suspicious activity.
- The Barrington Highway Department.
- The Barrington Fire and Rescue Department.
- The Police Departments from neighboring towns with whom we share mutual aid.
- The Barrington Business Community

It is our privilege to serve the Town of Barrington and its residents. It is our goal to render efficient and professional service to the community. We encourage anyone with questions or concerns to contact us. The Department will better serve the community's needs with community participation

Respectfully Submitted
Robert Williams
Barrington Chief of Police

2015 REPORT OF THE BARRINGTON FIRE & RESCUE DEPARTMENT

2015 was again a record year for Emergency Medical Services in which we responded to 647 emergency medical calls and 347 fire calls for a combined total of 994 calls for service. This equates to about 2.75 calls per day for services including weekends and holidays. This also represents a 6% increase over our 2014 call volume; there were no big storm events in 2015 that typically bump the call volume numbers. These numbers show that Barrington continues to follow the national trend of steadily increasing medical aid requests within the fire service.

To put a responders' time commitment into perspective, an EMS call requires a minimum of 2 responders to transport and another 1-2 to help package and prepare for transport, a patient in cardiac arrest may need as many as 6 responders in order to provide adequate CPR. Most ambulance calls require 2 hours for transport and related paperwork and approximately 1 hour for non-transport. An average fire call requires 6-8 responders, and takes about an hour from tone to back in service, with some calls taking 3-4 hours to complete. The majority of our calls are covered by our highly trained and very dedicated volunteers who are complemented by our 3 full-time and 2 part-time Firefighter/EMT positions. As you can see our responders stay very busy. In 2015, we added a full-time Firefighter/EMT position to the budget and I am very thankful that the voters approved this position. We are now able to provide increased coverage for the weekday, day-time hours when there are a limited number of available responders. With each passing year it becomes more and more of an issue to get qualified volunteers to respond. This is a growing national trend in which there has been a decrease of volunteers in Fire and EMS that is caused by a number of factors including increased call volume, increased training requirements, families having to juggle their time between work, play, sports etc. We are committed to finding cost effective ways to keep our current volunteers and attract new ones, so that we can continue to provide top quality services at a reasonable cost.

Our Firefighters and EMT's are committed to providing our residents and guests with the highest level of service possible. They attend weekly in-house training, some monthly outside training and multiple weekend training sessions each year. When you combine training and emergency response calls it is easy to see that many of our responders spend a considerable amount of time away from their families. Our families sacrifice so much, without their support and understanding

this could not happen. A big Thank You goes out to the families of our responders for selflessly sharing us with our residents during their time of need. You folks rock!

Our mission is truly a team effort that could not be successful without the continued support from other town agencies. I am proud of the relationship we share with our Police Department and in particular the officers who work very closely with on a daily basis. Peter Cook and our very dedicated Highway Department crew does a great job taking care of our roads so that we can get to you in any type weather when time is of the essence. You can be very proud of the fact that Barrington has the best maintained roads in the area. Thank you BHD! We also work closely with the Land Use and Building Departments as we strive to provide a safe environment for our residents to live, work and play in. Administrator Scruton and his staff are always there to help us in any way that they can and I am grateful for their support. Thank you all!

In September Police Chief Richard Conway retired after more than 28 years of dedicated service to Barrington. I had the good fortune to have worked closely with him for over 15 years; he has become a friend, mentor and confidant who has helped me to be a better person. Thank You, Chief Conway for your years of dedicated service to our town. Enjoy your retirement!

Barrington had the good fortune of hiring Chief Bob Williams to take over for Chief Conway, welcome aboard Chief Williams!

Firefighters and EMT's, by the very nature of what they do, experience highs and lows which can be extreme depending on the call and its outcome. I cannot say enough about the very dedicated members of our department. Through it all even during the most adverse conditions, you always find a way to get the job done. I am grateful to each and every one of you for all you do. Our volunteers are the backbone of our department and without them we could not provide the services we do. They will forever have a special place in my heart. Thank you for all you do!

The best way to keep your family safe and ensure a quick response in an emergency is to properly mark your driveway and home with street numbers that can be clearly seen from either direction. Remember you know where you live but we don't! Ask yourself could emergency services find your home quickly during an emergency? If not fix it so we can find you when time is of the

essence. If we can't find you we can't help you. Working smoke detectors do save lives! "Hear the Beep where you sleep" make sure you have working smoke detectors in each sleeping area and on every level of your home. You should have a working carbon monoxide detector in your home as well. Carbon monoxide is an odorless, colorless, tasteless gas that is deadly!

For the latest Fire/EMS information please go to the town website then click on the Fire & Rescue link. We also provide regular updates on Facebook and we encourage you to "like" our Facebook Page.

We applied for and received a federal grant totaling a little more than \$140,000, for the purchase of 20 new air packs. We are responsible for a 5% cost match which is about \$6,700, to replace our current air packs that are more than 15 years old. We are working on the bid package now and expect to have them in the spring. A big Thank You to our grant committee for their hard work.

We ask that you support the town budget which is where we get our funding to provide the necessary services. We are also asking that you support the warrant article to put \$50,000 away for the purchase of our next truck which should be in the next 3-4 years.

Please vote in the warrant articles for \$25,000 for the future purchase of new radios, and a \$10,000 addition to the equipment capitol reserve fund. Your support is crucial and much appreciated.

Barrington has many volunteer opportunities from Fire & EMS to Library, Recreation, Food Pantry and our many other boards and commissions. Volunteerism is part of what makes Barrington the great town that it is. If you already volunteer thank you, if not, please find an area that interest you and get involved, you will be glad you did. Our Fire Dept. meets every Tuesday at 7 pm and EMS meets the second Wednesday of the month at 6:30. Stop by and see what we are all about. Finally a big heartfelt Thank you to the responders of Barrington Fire & Rescue who make this all happen. Thank you and God Bless.

2015 REPORT OF THE BARRINGTON FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17), a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

This past fire season burned **635 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5th and burned for several days. The Bayle Mt. fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees.

Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials.

Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

2015 REPORT OF THE BARRINGTON FIRE & RESCUE - EMS DIVISION

The past year was a very busy one for Barrington's Ambulance. Our volunteer and paid EMS Responders were called out for 647 medical emergencies with 694 patients; nearly 8% more than in 2014; and we transported 388 of those patients. This is nearly a 10% increase from 2014. We had to rely on Mutual Aid Services to transport very few of our patients and all were because the town's ambulance was already on a call. We were also able to supply more EMS Mutual Aid to our neighbors as well. These changes in Mutual Aid flow were primarily due to having full time, paid, EMS Providers available for the daytime ambulance crew seven days a week. The insurance and medicare payments associated with our 2015 patient transports put over \$150,000.00 into the town's general fund.

Due to the efforts of our volunteers and paid staff, we had at least one licensed provider from Barrington at more than 99% of all our calls. The 2015 average response time from page to first patient contact was 9.7 minutes. This is a full minute faster than in 2014. The criticality of shortening EMS First Responder time cannot be over emphasized. One well equipped EMT can stabilize one or more patients until additional help or an ambulance arrives.

Our Town is fortunate to have 22 Emergency Medical Providers, including 14 EMTs, 5 Advanced/Intermediates and 3 Paramedics. All of our volunteer EMTs have jobs or attend school out of town and are not normally available to respond to calls during weekdays. State law requires at least two NH licensed EMS Providers, one of which must be at least an EMT, in order to transport a patient. Each patient transported to a hospital takes about 90 minutes round trip from the pager going off to when the ambulance returns to the Public Safety Building.

During EMS Week in May of 2015 I participated in the EMS Memorial Bike Ride as a "Muddy Angel". The Muddy Angels bicycled 500 miles, from Boston to Washington, DC in one week to honor our fallen and injured EMS brothers & sisters and to raise funds for their families (all EMS providers are not yet eligible for death benefits as are fire and law enforcement). You can make a donation to support the Muddy Angels purpose at www.MuddyAngels.com.

The first Saturday in May has been designated NH EMS Provider Recognition Day. Please let our EMS Responders know that you appreciate their efforts to save lives. Craig Deady was awarded Barrington EMT of the Year for 2015. May 15th thru May 21st, 2016

is EMS Week. This year's theme is "EMS STRONG". We also supported the Honor Flights out of Manchester by providing uniformed personnel to send off our WWII heroes on their tour of the Washington, DC, monuments.

PLEASE MAINTAIN YOUR HOUSE NUMBER AT THE ROAD. There is nothing more tragic than having an EMS provider trying to respond to your medical emergency, and not getting there in time because of an old address number or no number displayed as specified by the 911 system policy. Please help us to help you and your loved ones!

If anyone is interested in volunteering on our service or has any questions about Emergency Medical Services they can leave a message at 664-7394, my E-mail address AJM11013@aol.com or contact me directly on my cell phone at 969-4361.

Respectfully Submitted

Tony Maggio

Barrington CMO, EMT-B, EMS Chief

2015 REPORT OF THE BARRINGTON BUILDING INSPECTOR / CODE ENFORCEMENT

John Huckins' first year as Barrington's full time Building Inspector/ Code Enforcement Officer has been both educational and productive. John has earned 13 certifications for both residential and commercial inspection and continues to attend training sessions covering all aspects of the building inspection process.

Due to an increase in permits, part-time Deputy Building Inspector, John Abbott has joined our department. John is a licensed electrician and plumber who has received certification as a Residential Building Inspector and proven himself to be a very valuable addition to our team. Please join us in welcoming John Abbott to our community.

The primary goal of the Building Department is to ensure the safety of the public through proper permitting and construction practices

The Code Enforcement Office works proactively with residents and builders to help them comply with our regulations as projects commence and as they progress. Contractors and homeowners are kept abreast of the codes and any changes to them. This has helped to eliminate much of the need for enforcement action or rework to comply with our Zoning and Building Codes once the job is done. Our department stays current with the ever changing codes by studying and attending applicable training. We are available to assist in processing applications and answering any questions concerning building and/or zoning.

A large reorganization of all of the property files has been in progress this year. It allows for quicker access to the files by town personnel, and more efficient time response to residents, realtors, etc. The reorganization will continue this year to include archived, computer scanned files from old map and lot to new map and lot numbers.

The total number of building permits issued in 2015, increased from last year's total of 444. There was an increase in almost all categories which includes an increased interest in energy saving construction as well as renewable energy projects.

Appointments can be made by calling 603-664-5183. Applications and information can also be found on the Town of Barrington's website at "Barrington.NH.gov" under Building/Code Enforcement.

2015 REPORT OF THE BARRINGTON ROAD AGENT

The 2015 year got off to a busy start! It seemed like we had a snow storm every other day from January to the end of March. We even ended up with a winter storm that after all was said and done, we ended up getting over 30” of snow. We were able to get some of our funds back from FEMA for Winter Storm Juno that was put back in the budget into the lines that it had come from. During the spring and summer months we did all of our usual maintenance of sweeping, grading dirt roads, graveling, ditching and brush cutting.

During the 2015 paving season we did all the roads on the engineers’ list and a couple that had been passed over in previous years. With the cost of pavement going down over the past couple years, we have paved more roads than ever. If we continue to fund this line we should be able to get on track with the engineers’ recommendations which is our end goal. With paving completed and coming in under bid, I made the decision to use those funds to add fog lines on some of our more heavily traveled roads, in addition to re-stripping the double yellow lines and stop bars. The feedback on the fog lines have been very positive and will be a part of the yearly striping maintenance.

The vehicle maintenance line did take a big hit because we had some unexpected vehicle breakdowns that resulted in the following projects scheduled to be delayed,: grinding of the stump piles behind the highway shed, drainage work and road bed work on Mahala and Juniper. Mahala and Juniper Roads should get some work done in the 2016 year but the stump grinding will be another year. Even with all the ditching, mowing, paving and regular maintenance that has been completed which has been more than any other year, with time restraints on a couple of the projects and the major hit to the vehicle maintenance line, we will finish the year within the bottom line.

Our annual Barrington Highway Open House was a great success! Usually held in the fall, it gives the residents of Barrington a chance to see what the Highway Department is all about and the opportunity to ask questions and even try out some of our equipment. Every year it gets bigger and better and we will continue to put it on as long as there is an interest. I would like to thank all the volunteers who help organize, setup, cook and really help make our open house a success. Be on the lookout for more information on this event later in the year!

Want the “dirt” on where there is road construction in town or current road conditions during inclement weather? “Like” us on Facebook

or visit our webpage where you can find current town policies, ordinances, road classifications and more. If you have any questions please do not hesitate to call the office at 664-0166.

I want to thank all of the town employees for their help and support during the year. I would also like to thank the hardworking staff here at the Highway Department and their dedication for not only what they do day in and day out but the countless hours they spend making the roads as safe as possible. In closing I would like to thank all the residents of the Town of Barrington for your support of the Highway Department. With your support of the budget we will continue to keep the roads as safe and smooth as possible to the standard you have become accustomed to.

It is with great sorrow and heavy hearts that we mourn the loss of Doug Hatch Sr. He was a major part of the Barrington Highway Department for the past 50 years. Our thoughts and prayers go out to his loved ones.

Respectfully Submitted

Peter Cook

Barrington Road Agent

Everyone loves to try out the equipment at our Annual Open House!

2015 REPORT OF THE BARRINGTON TRANSFER STATION AND RECYCLING CENTER

2015 was our second full year of single stream recycling. Single stream recycling is working well for us but we still need to make sure the material we are recycling is recyclable and the containers are rinsed and are as clean as possible, because it does affect the price of processing. On the MSW side which is household waste, there was an increase in tonnage and what we have noticed is there is a lot of material that is not supposed to be in the Barrington Trash bags that is being disposed of in household trash. What you will notice in 2016 is the attendants will take notice of this and will let you know what can and can't go where and let you know where it should go. I understand that things have been done a certain way for a long time, but there will be changes that we will all have to make to help operations run smoothly and efficiently. Please remember that the Transfer Station is a pay as you dump facility and there is a charge for certain items to be disposed of, if you have any questions see the Transfer Station attendant before disposing of any material.

During the 2015 budget process we looked at curbside pickup and the estimated price was 1.4 to 1.6 million dollars compared to the proposed 2016 budget of just under \$327,000.00. Even though it may be difficult at times, the numbers show a big difference. The 2015 budget will show a \$26,000.00 overage for the year. *The contributing factors for this was the increase in tonnage on single stream and household waste, along with two price increases for the electronics recycling container.* The other reason is during the budget process for 2015, in an effort to run budgets and lines as close to possible the 2015 budget was cut by \$20,000.00 which also contributed to the bottom line going over. So what I would ask for in 2016 is to understand that there will be some changes to help make things run smoother and to make sure things get put in the right receptacle and are recycled correctly. Also, please be patient with the attendants as they are doing what they are asked to do. As for the Town I am currently trying to come up with a solution to the power problem which will allow us to be able to run the compactors at the same time if this is done and it is possible it will help with delays and the lines and hopefully make things run smoother. If you have any questions please do not hesitate to check the website for information on acceptable recyclable materials, price list and hours of operation or call 664-0166 or 664-2446 for help and answers.

I would like to thank the employees and the volunteers at the Transfer Station and Recycling Center for their dedication and hard work

during some very difficult circumstances. I would like to thank the residents in advance for their patience and understanding as we move forward and try to make operations run smoother and for your support of the Transfer Station and Recycling Center Budget.

2015 REPORT OF SWAINS DAM

The 2015 budget for the Swains Lake Dam stayed the same as 2014. We will be looking to do our yearly maintenance on the dam building, like staining replacing some of the damaged clapboards, hydro seeding the cap and mowing. By holding the budget lines like the previous year we will be able to do the work needed to continue a safe and effective Dam operation.

Information about Swains lake drawdown will be available on our Towns website and it will also be posted on our local TV channel.

2015 REPORT OF THE BARRINGTON PLANNING BOARD

During 2015, the Barrington Planning Board devoted many hours of time to their duties. The Board of volunteers reviewed and acted upon applications which at times were controversial, consistently acting with integrity. As citizen volunteers Planning Board members look to the regulations and law when making decisions. Time away from family given to engage in the shaping of the community should be applauded. The Barrington Planning Board encourages members of the community to participate in the planning process and volunteer for positions on the Board and subcommittees throughout the year.

The Planning Board continues to work with Strafford Regional Planning Commission on the update to the Master Plan. The Board has chosen to update the Master Plan by individual chapters, allowing for a rolling update. In 2015, the Board completed the draft Existing Demographics Chapter and Existing Land Use Chapters. These chapters will be discussed at a public hearing prior to adoption by the Board. The Board in cooperation with UNH Cooperative Extension completed a two day Envision Event in 2013, information from the event along with addition public outreach will occur in 2016 as the Board works on completion of the Vision Chapter of the Master Plan.

The Capital Improvements Program along with ongoing updates to the site and subdivision regulations will continue through 2016. Review and update of the regulations is ongoing as State regulations change from year to year and issues are brought to the Board's attention through the application review process. The Planning Board is responsible for bringing forth Zoning Amendments to the voters on a yearly basis at Town meeting and they Board encourage public participation throughout the process.

The Barrington Planning Board sends their sincere thanks to Robert Williams for his diligent service as a member of the Planning Board. Robert rendered his resignation this year, on the heels of his appointment as Barrington's new Chief of Police. We invite the community to join with us as we wish Chief Williams great success in his new position.

2015 REPORT OF THE BARRINGTON PLANNING AND LAND USE DEPARTMENT

The Planning and Land Use Department is responsible for a variety of planning and economic development tasks, including plan and permit review, grant writing and administration, meeting with prospective developers/engineers and as a principal point of contact for individuals searching for information on property and land use codes. The Planning and Land Use Department provides staff support to all land use boards.

In 2015, the Planning and Land Use Office worked with a variety of citizens and business owners on individual projects as well as community efforts. In an effort to stimulate commercial development the Land Use Department worked with the Growth and Development Committee to identify and submit applications for the designation of Economic Revitalization Zones. The Commission of the State Department of Resources and Economic Development approved seven ERZ Zones in Barrington on June 10, 2015. It is hoped that the ERZ zones will help with the creation of new jobs, expand the commercial and industrial base, and increase tax revenue in an effort to shift the tax burden from home owners.

The Land Use Office Staff worked with the Highway Department to secure a \$203,000 grant for the replacement of a culvert on Young Road, which received approval from the Governor and Counsel in 2015. Hoyle Tanner Associates has begun design on the culvert with construction to take place in 2017.

FEMA began the Risk MAP project in Barrington in late 2015, in an effort to improve their understanding of the watershed's flood hazard mapping and mitigation planning. Through a joint effort with department heads from Highway, Fire and the Planning & Land Use Departments, critical areas have been identified from previous flooding events and forwarded to FEMA as part of the discovery process. The Conservation Commission was asked to provide information on critical environmental areas as part of the process.

The Planning and Land Use Department partnered with Dartmouth College and NHDES to provide the opportunity for Town wide drinking water tasting as part of raising the awareness of arsenic in local water. Staff will continue to work with Dartmouth on an advisory team to bring information on drinking water quality to the public statewide.

The fall brought the Workforce Housing Coalition to Barrington to work with area professionals at no cost, to provide design options for

for the Town Center as part of a charrette. The public was invited to participate in the two day event with a reveal held at Turbocam at the conclusion of day two. A presentation of the final report is scheduled for March of 2016.

Regional Planning initiatives are followed closely with the Town Planner representing the Town as a member of the Technical Advisory Committee. SRPC plays a key role in transportation planning for the greater area. and provides educational opportunities for staff. This is in addition to the opportunities provided by the NHMA, the NH Planners Association and the NH Building Officials Support Staff.

**2015 REPORT OF THE BARRINGTON
ZONING BOARD OF ADJUSTMENT**

Zoning and related regulations are a legislative tool that enables government to meet the ever changing and growing demands of a community. Although zoning ordinances are crafted to meet the needs of individual communities all zoning ordinances require the creation of a zoning board of adjustment. The Zoning Board Of Adjustment (ZBA), is considered the “constitutional safety valve”, which has allowed comprehensive land use and planning to be upheld by the courts.

No community can create a rule to address every situation or piece of land and the zoning board of adjustment exists to allow flexibility to ensure the ordinance is applied equitably to all property. The job is not always an easy one but the dedicated volunteers of the Barrington Zoning Board of Adjustment address each request for a variance, special exception, and appeal with professionalism and fairness.

The Board which is made up of five regular members and up to five alternate members, is always looking for citizens to join them and is currently in need of alternate members. The ZBA is a great way to be involved in your community. They usually meets once per month, although under special circumstances they will meet twice per month. In the event the Board does not have business before them they are not required to meet.

2015 REPORT OF THE BARRINGTON CONSERVATION COMMISSION

The year started out very well for the commission as the townspeople voted to increase the amount of the Land Use Change Tax that goes to the Conservation Fund from 50% to 75%. This tax is assessed when land in current use is developed. The Conservation Fund is used by the commission to further its goals of protecting Barrington's natural resources; most of the money in the fund goes towards land conservation projects. Thus there is a certain amount of balance: when open space is developed, as some of the money realized from that development goes towards conserving other parcels.

We had hoped to do a grand public "roll-out" of the A Harlan Calef Isinglass Preserve this year, but couldn't make it happen. This 300-acre property with much frontage on the Isinglass River was conserved and purchased by the town at the end of 2014. The problem is the need for a parking area on the property, the

construction of which has turned out to be *far* more complicated than expected. However, we expect it will be built this spring, so be on the lookout for such a "grand opening" this spring or summer.

On the other hand, with the help of the Trails Committee (see separate report), a parking area *was* completed at the Rt 125 entrance to the Samuel A Tamposi Water Supply Reserve (right next to the Lee line), and it is an excellent place to access the east side of the property, and in particular the areas that were cut in 2014 to provide habitat for the New England Cottontail.

The commission was very excited to collaborate with the Barrington Middle School in a project to get students out on some of the town's many trails as part of their curriculum. On a fine October day four separate groups of students were led on four separate hikes to help them better appreciate the natural world and some of what makes Barrington special.

The great excitement for the conservation community at the end of the year is the start of a campaign by the Southeast Land Trust of NH (SELT) to purchase and conserve some 1500 acres of land in Barrington, to be called the Stonehouse Forest. This huge area, extending from behind Stonehouse Pond to Merry Hill Rd., from Swain Rd to the Nottingham line, contains some of the best wildlife

habitat in the seacoast area. For more details see SELT's web site, SELTNH.org. The Con Com will do all it can to help the land trust make this project come to pass.

We (Alison Desmarais, Anne Melvin, Dan Ayer, Glenn Gould, John Wallace, Ken Grossman, Pam Failing, Peter Sandin, and Susan Gaudiello) are always looking for more volunteers to help in the conservation and stewardship of Barrington's forests, lakes, wildlife, etc. Contact the commission via town hall if you would like to help in any way. It can be very rewarding work!

Further information about the commission and about lands and trails that are open to the public can be found at the web site www.barringtonconcom.org.

**John Wallace inspecting Conservation Markers
on the Barrington Trail.**

2015 REPORT OF THE BARRINGTON TRAILS COMMITTEE

The Barrington Trails Committee was much more active in 2015 than in recent years. Starting with a "Moon Light Walk" on the Barrington Town Forest in February we led five other walks through the spring, summer and fall. Many townspeople enjoy these hikes - use the contact info below to be added to an email list that announces them.

Short sections of walking trail were added to the Winnie-the-Pooh Trail in the Goodwill Conservation Area and in the Samuel A. Tamposi Water Supply Reserve (SATWaSR). We also created a new trail at the Barrington Middle School to provide safe, easy access by the students to a vernal pool on the property. Maintaining and blazing existing trails is an ongoing effort.

Barrington Middle School students made over 20 signs for the Barrington Trail that runs from the BYA ball fields on Smoke St. to Green Hill Rd. These aid hikers in finding access points and staying on the trail at intersections. Blazing was added or upgraded using dollar bill size plastic markers attached to trees along the trail to assist with following the trail, and a bog bridge was installed to avoid impacting a wet area on the trail.

A kiosk was built at the Tibbetts Rd. access point for the Samuel A. Tamposi Water Supply Reserve to provide information about the reserve and its trails. A parking area that was installed this spring, provides access from Rt. 125 at the Barrington/Lee town line to the 50 acres that has been cleared on SATWaSR to provide a habitat for the rare New England cottontail rabbit. A Picture Post (go to: picturepost.unh.edu/) is in place in one of the clearings to monitor how the area changes over time.

Alicia Lee, a girl scout pursuing a Gold Award made and installed new routed signs, replacing all signs on the Barrington Town Forest on Swain Rd. She and her crew also re-blazed the trail network there. Great work, Alicia!

In 2016 we plan to have a parking lot constructed at the entrance to the Calef Preserve on Town Farm Rd., install a kiosk there and develop a trail system on the 300 acre property. A kiosk is also planned for the Rt. 125 parking area of SATWaSR. We will continue to maintain and improve Barrington's trails.

Current members of the trails committee are Charlie Tatham, Marika Wilde, Matt Carpenter, David Smith, Anne Melvin, Denis Beaulieu, and John Wallace. We've got plenty to do, so anyone interested

in assisting the trails committee with our efforts please contact:
Charles Tatham ctathams@hotmail.com 603-942-7710.

2015 REPORT OF BARRINGTON'S PARKS AND RECREATION DEPARTMENT

The mission of the Parks & Recreation Department is to serve as a positive presence in the community, enhancing the quality of life, by providing diverse and equitable programming that fosters a sense of community, personal growth, health, fitness, relaxation and good sportsmanship, while providing opportunities for community involvement.

In 2015, the Parks & Recreation Department has continued to work on its "Building Blocks" savings program. The "Building Blocks" saving program is a means that the Recreation Commission uses to earmark funds in the Revolving Fund in order to save programming fees to better serve the needs of Barrington. Some of these earmarks are upgrades to our recreation software, a long term playground maintenance plan, a long term Town Gym maintenance plan, possible park development, department vans/transportation for program participants, soccer fields, acquiring land, as well as the possibility of adding a part time weekend and evening supervisor. Even though the Recreation Commission will be working on over the next few years to develop these ideas and place them on a time line, please keep in mind that these ideas and possibilities are works in progress.

Programs offered in 2015 included M.A.P., A.S.K., K.A.P., February & April Vacation Camps, Teacher Workshop Camps, Summer Camps for grades k – 8, Summer Soccer, Fall Soccer, Flag Football, Youth Basketball, Soccer Camp, Rumpus Room, Senior Striders, Men's and Women's Basketball, Zumba, Pilates, Yoga, Insanity and CIZE. Special Community Events offered included Trunk or Treat, Kids Kaos, Community Skating Party, Holiday Hoopla, the Annual Egg Hunt as well as the Fourth Annual Fishing Derby, which was another big success.

In 2016, patrons can look forward to spending even more time with the Parks & Recreation Department. Programs to look forward to are: Family Campout, Town wide Yard Sale, Vendor Fair, Chili Cook-Off, Food Truck Festival, Outdoor Movies, Gaga and Flag Football Camp, Field Hockey, Disc Golf and Snowshoeing, as well as the possibility of family bus trips.

Volunteers make Community Recreation happen! The Barrington Parks & Recreation Department would like to thank all of the volunteers & local organizations and businesses who donated their time, monetary donations, efforts and talents over the past year. A great deal of the department's work would not be possible without the

kindness of those community members & businesses. Without local business & community support, many programs would not be as successful as they are. THANK YOU!

The Barrington Parks & Recreation Department invites all residents to participate and enjoy the programs & events put on by your Recreation Department. As always, the Department is always open for new ideas. The Recreation Department office hours are Monday thru Friday 8:00 am to 4:00 pm. Programming ideas, suggestions and constructive criticism regarding programming are always welcome, that way we can better serve the recreational needs of all Barrington residents.

Barrington Parks & Recreation Director

2015 REPORT OF THE BARRINGTON PUBLIC LIBRARY

The library circulated 87,028 of our own items this year plus 1026 items we borrowed from other libraries across the state for a grand total of 88,080 circulations. Please see the full statistical report included on another page for details on all aspects of library use in 2015.

In technology we added downloadable magazines to our electronic collection so patrons can borrow periodicals remotely and view them on tablets and other devices. A new public computer system called “Useful” was purchased and installed, making access quicker and easier for patrons, and costing far less in staff time to maintain. These terminals are also “green” and use much less power than normal PC units. The library added the ability for the library to track Wi-Fi usage statistics, showing us how many people access our connection via this method on smart phones and tablets they bring to the library. One of our old public PC’s was re-used to give a staff member an office terminal for processing and cataloging. Volunteers finished a massive project; adding cover shots to all our items in our online catalog and staff and volunteers began an inventory of the library holdings which is about 60% complete. The library website was also revamped to be “mobile friendly” so it is easier to view and retrieve information on smart phones and other small devices.

In programs and collections, we added more programs geared towards the arts, nature, and history. Paint Nights, adult crafting, and stone wall building were all popular. We also began to focus on STEM skills for children, creating a LEGO club and doing outreach programs to the middle school such as LEGO robotics and coding. We launched the 1,000 Books Before Kindergarten Program which rewards parents and children for reading throughout the year. We held community art exhibits, from elementary school students to adult quilters. We added two new areas: creation kits that are educational toys, games, building sets that spur hands on learning, and, Xbox One games. These can be checked out by patrons and enjoyed at home.

One new staff member joins us; Michele Hawkins is now our afternoon circulation desk clerk. The Library Trustees have been working towards setting up a Library Foundation whose purpose will be to raise money towards a new library facility. They are seeking interested townspeople who wish to help in this capacity.

2016 plans include adding a new digital service called “Hoopla”, where patrons will be able to download music, comics, movies,

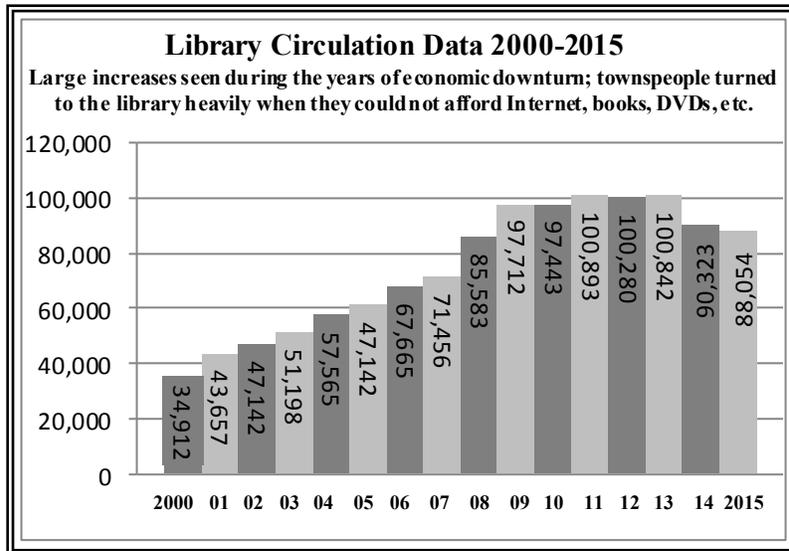

e-books, TV shows, and audio books. This 2 year trial will be funded through donations from the Friends of the Library in conjunction with other generous donors.

The library wishes to thank the many volunteers who worked on projects and helped at the desk, as well as the Friends of the Library group and TurboCam; the savings to the Town is work time equal to \$7,741.19 (at \$7.25/HR) and services and materials paid for directly by these groups at \$2,985. Staff also procured grants of \$1,557.50 from the NH Humanities Council, Kids, Books, and the Arts, Federal Savings Bank, and Wal-Mart to provide the community with programs.

BARRINGTON SCHOOL HISTORY

1722 - Town of Barrington is incorporated.

1740 - Town settlements occur. Population 50 people.

1817 - Town Population 3,564. Barrington is identified as one of the three largest towns in New Hampshire.

1870 - Town Population decreases to 1,500 because of the advent of the Industrial Revolution.

1874 - "There are fifteen schools in town. The average length of schools for the year is sixteen weeks; the amount of money appropriated for school purposes, \$1658.56." (Fogg, The Statistics and Gazetteer of New Hampshire, 1874) These schools are scattered throughout the town. Their names include: Canaan School, Hale School, Chapel School, Oak Hill School, Pond Hill School, Town Farm School, Waldron's Hill School, Winkley School, Wood Road School.

1899 - In the annual School Report, signed by G.B. Haley and W.E. Waterhouse they stated: "While we realize the financial condition of the town, we feel that it's poor economy to defraud our children of schooling, and not raising extra money for schools is a disgrace to the town, for which the majority of the voters are to blame."

1938 - Barrington School is completed on Route 9 at Province Lane on 5.48 acres. First day in the new building is Sept. 19th.

1955 - Barrington School first floor addition is completed.

1959 - School operating budget is \$77,467.

1965 - Barrington School second floor addition is completed.

1970 - Town Population 1,965.

1975 - Barrington Middle School is built east of Town Hall building (2.92 acres) on Province Lane on 6.31 acres.

1980 - Town Population 404. (124% increase over the past ten years)

1982 - Grades 1-8 Enrollment 552 students.

1988 - Grades 1-8 Enrollment 641 students.

1990 - Barrington Elementary School. Town Population 6,164. (40% increase over the past ten years)

1992 - Grades 1-8 Enrollment 761 students.

1994 - Barrington Elementary School addition is completed for \$865,000.

1996 - School Administrative Unit #74 officially begins.

1997 - Grades 1-8 Enrollment 884 students

1996 - School Administrative Unit #74 officially begins.

1997 - Grades 1-8 Enrollment 884 students.

1999 - Barrington Kindergarten Building is completed on the grounds of the Elementary School.

2000 - Town Population 7,475 (21% increase over the past ten years) Grades K-8 Enrollment 958 students.

2001 - Voters consider new Middle School for Grades 5-8; 58.51% approve 60% needed; falls short by 29 votes; School operating budget exceeds \$10 million for the first time.

2002 - Voters reconsider new Middle School for Grades 5-8; project passes in March with 60.4% in favor; wins by 8 votes

2002 - Barrington Taxpayers Association formed; in July the group petitions for a Special School District Meeting to overturn the Middle School project; group's efforts are not successful. Barrington's population is ranked as the 37th largest municipality in NH; it ranks in the top 16% within the state.

2003 - Construction on new 112,000 SF Middle School begins on Rt 9 120-acre property purchased in November 2001

2004 - New Middle School opens for students in Grades 5-8; the district's operating budget is \$13.8 million

2004 - Revaluation of property takes place and raises the town's total property value from \$383,391,972 to \$793,243,599

2008 - Barrington continues to grow. Population approaches 8,700 residents. Total property value is set at \$929,323,953; High School population is 469.

2009 - Early Childhood Learning Center (ECLC) established in "old" middle school on Province Lane; Pre-K Enrollment – 49

2010 - Phase II of renovations to the ECLC are completed with the addition of Kindergarten classrooms (half-day program); enrollment Pre-K and Kindergarten - 133 students "Old" Kindergarten building at BES (Annex) being used for Grade 1 classrooms. SAU 74 District offices move into two rooms at the ECLC; Town discussion begins on remediation and renovation to town office building.

2012 - SAU 74 offices located in ECLC expanded to include one additional room; renovations and upgrades to ECLC administrative office completed.

2013 - Voters consider bond vote to renovate Town/School office building located on Ramsdell Lane; not supported by voters. Full-day Kindergarten initiated in Barrington. ECLC has 5 classrooms for full-day Kindergarten and 2 classrooms for half-time preschool program (4 sessions). Annex building at BES (old Kindergarten building) being used for School Board and Town committee meetings in addition to a Professional Development meeting room and OT/Title I. (All student classrooms are now located in the main building of the elementary school.)

2014 - Voters approve 10-year high school contract with Dover, High School continues to be the school of record for Barrington's high school population; Upgrades/improvements made to the ECLC water system and parking area.

2015 - Ten-year high school contract with Oyster River Cooperative School District, supported by voters in both Barrington and the ORCSD, begins in August. SAU 74 offices prepare to relocate to the former BES Annex building.

DELIBERATIVE SESSION

Saturday, February 7, 2015
Barrington Middle School 9:00 am

School Warrant Articles 2015

State of New Hampshire

To the inhabitants of the School District of the Town of Barrington qualified to vote in district affairs: You are hereby notified of the ANNUAL MEETING. The first session for the transaction of all business other than voting by official ballot shall be held Saturday, February 7, 2015 at 9:00 A.M. at the Middle School, 51 Haley Drive, Barrington, New Hampshire. The first session shall consist of explanation, discussion, and debate of each warrant article.

Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.
- (c) No Warrant article shall be amended to eliminate the subject matter of the article.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 10, 2015, at the Barrington Middle School, 51 Haley Drive, Barrington, New Hampshire. The polls shall be open from 8:00 A.M. to 7:00 P.M.

Board Members present: Chairman, Dave Gibson; Vice Chair, Moira Taylor; Rebecca Kula; Tim Hatfield; and Garth Svenson.

Administration present: Superintendent, Gail Kushner; Director of Student Services, Tamara MacAllister; ECLC Principal, Deanna Wallace; Elementary Principal, Mary Maxfield; Middle School Principal, Terry Leatherman; Middle School Assistant Principal, Cheryl Peabody.

Elementary Principal, Mary Maxfield introduced student, Brianna Horwath to lead the pledge.

Chairman, Dave Gibson, thanked the public who chose to come to the meeting and thanked all the Board members and the School Board Advisory Budget Committee for all their work getting the budget to this point. Mr. Gibson remembered the contributions of former ABC member Steve Conklin, who recently passed away.

Superintendent, Gail Kushner, spoke about the District's accomplishments for the past year and gave an overview of the 2015-2016 proposed budget including: main budget drivers, enrollment projections, high school tuition, new Math curriculum, transportation contract; differences between the Default and Proposed budgets; and all the Warrant Articles.

Moderator Swier read the rules of order.

ARTICLES

Article S-1 To choose all necessary School District Officers by ballot and majority vote, including:

One Clerk for one year

One Moderator for one year

One Treasurer for one year

Two Members of the School Board for three years

Moderator Swier declared Article S1 is prescribed by law and would appear on the ballot as written.

Results: Clerk 1 year: Janet Clark

Moderator 1 year: Stanley Swier

Treasurer 1 year: Cindy Taylor

Two School Board 3 years: Tim Hatfield, David Gibson

Article S-2 "Shall the school district raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of

the first session, for the purposes set forth therein, totaling \$21,513,385. Should this article be defeated, the default budget shall be \$21,294,369, which is the same as last year, with certain adjustments required by previous action of the school district, or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only.” **(Majority vote required)**

* NOTE: This Warrant Article (operating budget) does NOT include appropriations in ANY other warrant articles.

Ms. Taylor made a motion to move Article S2. Seconded by Mr. Hatfield.

Ron St. Jean asked what the tax impact would be for both S2 and S3. Ms. Kushner stated that on the proposed budget, the impact would be a \$1.19 per one thousand and on the Para contract it would be \$.06 (6 cents) per one thousand dollar evaluation.

Jill Hilfiker asked why one of the ABC members did not support the budget. ABC member, Leslie Craigen, stated that the member was not present at the meeting today and did not indicate a specific line item to the committee.

Seeing no further comments, Moderator Swier declared Article S2 would appear on the ballot as written.

Article S-2 Passed With A Majority Vote

Article S-3: PARAPROFESSIONAL TWO YEAR COLLECTIVE BARGAINING AGREEMENT ARTICLE “Shall the voters of Barrington vote to approve the cost item included in the collective bargaining agreement reached between the Barrington School Board and the Barrington Paraprofessional Association Inc. that calls for the following increase in salaries and benefits at the current staffing level over those paid in the prior fiscal year:

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2015-2016	\$55,557
2016-2017	\$54,259

and further to raise and appropriate the sum of \$55,557. for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. **(Majority vote required)**

Ms. Taylor made a motion to move Article S3. Seconded by Ms. Kula.

Seeing no further comments, Moderator Swier declared Article S3 would appear on the ballot as written.

Article S-3 Passed With A Majority Vote

Article S-4 “Shall the Barrington School District, if Article S3 is defeated, authorize the governing body to call one special meeting at its option to address Article S3 cost items only.”

Mr. Svenson made a motion to move Article S4. Seconded by Mr. Gibson.

Seeing no comments, Moderator Swier declared Article S4 would appear on the ballot as written.

Article S-4 Passed With A Majority Vote

Article S-5 “To see if the District will vote to raise and appropriate the sum of up to \$150,000 to be added to Facilities Capital Reserve Fund previously established. This sum to come from the June 30 fund balance available for transfer on July 1.” No amount to be raised from taxation.

Mr. Gibson made a motion to move Article S5. Seconded by Mr. Svenson.

Fire Chief, Rick Walker, stated that the Fire and Police departments work closely with the schools to come up with safety precautions and this past week a security assessment was completed at all schools. Chief Walker stated that one of the recommendations was to install cameras on school properties. Chief Walker asked people to support this article and add funds to the Facilities Capital Reserve Fund. Diane St. Jean asked why there were no other Warrant Articles to add funds to other Capital Reserve Accounts. Mr. Gibson stated that the Board felt they did not have to add to them this year because of good budgeting and we haven't had to draw down on those accounts yet. Julien Olivier asked about the plans for the SAU move. Mr. Gibson stated that there are no concrete plans for a move at this time.

Seeing no further comments, Moderator Swier declared Article S5 would appear on the ballot as written.

Article S-5 Passed With A Majority Vote

Ms. Taylor made a motion to adjourn at 9:55 AM. Seconded by Mr. Hatfield. The moderator declared the meeting adjourned at 9:55 AM by a majority show of hands.

Respectfully Submitted
Cindy L. Taylor
Barrington School District Clerk

2015 REPORT OF THE SUPERINTENDENT OF SCHOOLS

Dear Parents, Students, Staff and Members of the Barrington Community,

Our Mission

The mission of the Barrington School District is to be an inclusive school community where students are prepared to be intellectually and physically engaged members of the local and global community.

We foster an environment that encourages and celebrates life-long learning and teaching for students, staff and community members based on the principle that we all have strengths and experiences to contribute.

Each year the Barrington District reviews our Mission statement and reflects on our accomplishments and areas that continue to need improvement. Our goal is to offer a well-balanced, rigorous curriculum, in a safe and respectful environment. In July, we purchased “Math in Focus” for Kindergarten and grades five through eight as the first stage towards a comprehensive K-8 program. The implementation of this program will follow continue in the 2016-17 school year in grades one through four.

Currently, the Barrington School District serves 1,377 students pre-school through grade twelve. The Early Childhood Learning Center houses pre-school and full-day Kindergarten classes with 130 students. The Barrington Elementary School houses grades 1-4 and with 401 students. The Barrington Middle School enrollment is 422 for grades 5-8. Dover High School remains our “School of Record” with an enrollment of 202. We are in our first year of an agreement with Oyster River High School with an enrollment of 98 students. We also have 120 students enrolled at Coe Brown Northwood Public Private Academy. Barrington remains the Special Education (LEP) Local Education Agency and participates in all educational assessments and (IEP) Individual Education Plan decisions.

In 2015/16 the SAU welcomed Dr. Kathleen Upton as the Director of Student Services and Dan Moulis as the Director of Operations and Instructional Leadership. The SAU offices have relocated to the former Annex building behind the Elementary School. The building is also used for Board meetings, professional development, meeting space and Occupational Services.

In the Spring of 2015 students in grades 3-8 participated in the first Smarter Balanced Assessment that is based on the College and Career Ready standards. The new learning standards are challenging. The

results this year give us some baseline data. The assessment goes beyond multiple-choice questions to include extended response and performance tasks that allow students to demonstrate critical thinking and problem solving skills to respond to complex, real world problems. In Barrington we also continue to use the DRA (Developmental Reading Assessment) and NWEA (Northwest Evaluation Association) the computer adaptive test.

In July, the District entered into a Performance Energy Contract that allowed us to use savings in utilities to fund multiple projects throughout the district including: new lighting, more efficient boilers, and many other energy savings measures. The ECLC parking lot was completely repaved and a safety fence was installed. The voters supported the Paraprofessional contract and will be presented with the Barrington Educator contract on the March ballot.

I continue to celebrate the collaborative culture and positive community support that is evident in the Barrington School District. Our community partners in the Town Offices, Police Department and Fire Department work to keep our students safe. It is through our common effort that our mission can be realized. I feel very privileged to work with a dedicated team of professionals, caring parents, and the supportive community of Barrington.

Respectfully Submitted

Gail W Kushner

Superintendent Of Barrington Schools

2015 REPORT OF THE BARRINGTON MIDDLE SCHOOL PRINCIPAL

It is with pride that I submit this annual report on behalf of the students, faculty, and parents of the Barrington Middle School.

Our middle school educates approximately 423 students in grades five through eight. We continue to use a traditional middle school model. Grades five and six are a straight team with approximately 108 students in grade five and 99 in grade six. Grade five and six are housed on the first floor in a five-classroom pod. This year we moved to a straight team approach in grades seven and eight moving away from multiage teams. There are approximately 105 students in grade seven and 111 in grade eight. Both grade seven and eight are housed on the second floor in a five-classroom pod.

Barrington Middle School welcomed nine new teachers this year. Mandy Akerley is our grade seven and eight guidance counselor. Amanda Chabala is case managing our On Track program. Dylan Crettol is the new Language Arts teacher in grade six. Lauren Salters is teaching seventh grade Science and Eric Martens is teaching Social Studies in grade seven as well. We have four new teachers joining our Unified Arts team. John Lines in Tech Ed, Karen Parr is our Reading Specialist, Angela Sarni is teaching Art and Kyle Widness is our new Reach teacher.

This summer the New England Association of Schools and Colleges (NEASC) reaccruited our middle school. The team was very impressed by our middle school. The report is on our school web site.

Each team provides core class instruction. These core classes are Language Arts, Reading, Science, Social Studies, and Math. The instruction is delivered within the pod area. All four teams have five core teachers, along with a Special Education/Case Manager teacher. Students also participate in the Unified Arts curriculum. These classes include Art, Family & Consumer Science, Technology Education, General Music, Band, Chorus, Physical Education, Computer Applications, and Reach. Teachers and staff continue to use a variety of methods to challenge, motivate, and engage students in the learning process, both socially and academically.

Barrington Middle School continues to offer and promote a wide variety of enriching activities. These include our athletic programs, clubs, Jazz Band, Show Choir, Student Council, Yearbook Committee, Dancing with the Stars, and the annual Drama Club dinner theater. This past year our baseball, softball and boys soccer teams won our league championship. A large number of students

participate in the above activities.

Barrington Middle School continues to administer two standardized tests per year. Students will be taking the Smarter Balanced Assessment this spring, and the Northwest Evaluation Association (NWEA) test in the fall and spring. Teachers use these assessments to help deliver instruction.

Dover High School, Coe-Brown Northwood Academy, and Oyster River High School, along with some other neighboring high schools, actively seek Barrington Middle Schools students. We continue to seek feedback from the high schools to help us improve. All of the high schools report back that our students are extremely successful. This can be attributed to the outstanding jobs our teachers, paraprofessionals, support staff, parents/guardians, and the Barrington community do in preparing our students to be successful in high school.

In closing, I would like to thank the following: The Barrington School Board for their continued support and dedication towards the education of the Barrington children; the Facilities Management team and their commitment to ensure our buildings are safe, clean, and a point of pride within the community; the numerous parent volunteers and town employees who are dedicated to the students at each of our community schools; and finally our teachers, paraprofessionals, and support staff, who's commitment to each student's needs is reflected in our student's success.

Terrence L Leatherman

Principal, Barrington Middle School

2015 REPORT OF THE BARRINGTON ELEMENTARY SCHOOL PRINCIPAL

It is with great pleasure and pride I submit my eighth Annual Report to the citizens of Barrington.

The Barrington Elementary School educates students in Grades 1 through Grade 4 with a current enrollment of 406 students. In the 2014-15 school year our dedicated staff of professionals and support staff once again put their best foot forward each and every day to bring the children of Barrington high quality education in a safe and respectful environment.

Our training focus during the last school year and into the present year has been building a safe and respectful learning environment, while maintaining strong expectations for our students. In March of 2015 all staff members had training in a new math program, Math in Focus. This training will continue into the spring of this year so we are ready for its introduction to BES students in September of 2016. Also last spring, many of our staff members participated in a four-day Responsive Classroom training. This training has proven to be critical to our growth as a safe, respectful school. School culture experiences directly related to this training include classroom morning meetings and student-led Whole School Morning Meetings. Additionally, under the direction of Assistant Principal Laura Deely, BES has established a Student Support Team where our teachers, guidance counselors and psychologist problem solve and put forth efforts to help all students succeed, despite the difficulties they may be facing in their lives.

Our Professional Learning Communities continued to meet on a weekly basis to share instructional strategies, create assessments, and analyze data to help inform their instruction. We also continued our math interventions, our WIN cycles and after school Math Club opportunities. The staff at BES is credited with working diligently and professionally to plan, instruct, and assess our students to ensure strong academic, social and emotional progress for all students.

Celebrating our students' academic success is done in a variety of ways including communication with parents, our Million-Minute Reading challenge, and our "True Grit" awards. And while academic achievement remains central to our mission, we are committed to bringing the children of Barrington a well-rounded education and accompany their instruction with a wealth of experiences that help our children understand their world, their community, their school and one another. Over the course of 2014-15 school year, our 70+

member band and chorus groups performed holiday and spring concerts, with additional performances at the Barrington Soiree, and in our own lobby performing for their peers. Additionally, our 3rd Annual Creative Arts Festival hosted a day of student learning, sharing, and performing and our Invention Convention were some of the other ways our students, staff, and community celebrated our students' learning and growth. We also feel strongly about the importance of taking care of one another in the Barrington community through our Kindness and Justice Week, Food Pantry drives, donations to End 68 hours of Hunger, hosting a Red Cross blood drive, our annual Holiday Giving Tree, as well as supporting individual staff and student efforts and causes.

Our very supportive PTA continues to serve both the ECLC and BES in a variety of ways including our Back-to-School Barbeque, Pizza Bingo Night, and Pancakes with Santa. All of these were well-attended events last year. Our PTA co-presidents, Katie Hatfield and Jill Hilfiker, and a board of talented parents, continue to work tirelessly to bring our community fun and engaging family centered events. We are truly grateful for their efforts.

In closing, I would like to thank the dedicated and hard working staff at BES, including Assistant Principal Laura Deely, our devoted School Board, and our very supportive SAU staff and Superintendent, Gail Kushner, for their collective efforts to continuously improve and enhance the education experience for all Barrington students.

Respectfully Submitted,
Mary M. Maxfield
Principal, Barrington Elementary School

2015 REPORT OF THE BARRINGTON EARLY CHILDHOOD LEARNING PRINCIPAL

It is with continued pride and excitement that I submit my second Annual Report to the residents of Barrington. We are in our third year of full day kindergarten programming and we continue to serve our earliest public school learners, the preschool population. We currently have 97 kindergarten students in five classrooms and 41 preschool students in four half-day sessions. Our guiding principles are simple, “Be Kind, Be Caring, and Be Respectful.” When we approach each day with these principles at the forefront we create a wonderfully happy and positive environment for all.

This school year we welcomed two new certified staff members to the Early Childhood Learning Center (ECLC) community. Ms. Brandy Godbout joined the kindergarten team along with Mr. Joshua Tubbs. We are so pleased to have these upbeat, creative, heartfelt individuals as a part of our teaching staff. They have immersed themselves in the school community and have been busy becoming familiar with routines, policies and procedures.

We continue to adjust academic expectations and rigor while keeping in mind the developmental needs of our youngest learners. We have aligned our curriculum to the Common Core Standards and have embedded appropriate assessments and authentic learning opportunities. Kindergarten teachers are fluently trained on the implementation of Foundations, a research based, scientifically proven approach to teaching phonological/phonemic awareness, phonics, and spelling and we continue to learn as we implement the Math in Focus program. Much of this work is accomplished through Professional Learning Communities where we share ideas, student successes and concerns and brainstorm how to make our great teaching even better by reaching every child at their current level and bringing them forward.

This is the most dedicated staff and committed community that I have had the honor of being a part of and it is what makes the ECLC a truly successful place. We are invested in cementing a love of learning in our students through monthly Literacy Events, a Career Day, a Thanksgiving Feast, a Maple Syrup event, by promoting Kindness and Justice, organizing a Math Day, attending Fort Foster, visiting the Opera House and by providing preschool and kindergarten academic screening opportunities. We also reach out to the greater community through the JumpStart to Literacy Event, the Pajama Drive, the Giving Tree, and the “Kimberly’s Wings Coat Drive.” Our Parent Teacher Association works tirelessly and is incredibly active by giving of their

time, energy, and resources. This amazing group of volunteers works together with school staff to provide many fun events for our families and employees. I would like to extend a huge thank you to all of the incredible people who support the early learners of Barrington. We are so lucky and grateful to have such a strong commitment to early supports and services. I often say, “What’s not to love about a building dedicated to 3 – 6 year olds?!”

In closing, I would like to reiterate that the work being done in this educational community is amazing! We are committed to the safety of our students through Emergency Management Planning, to the growth of our students through academic rigor, to the health and well being of our students via a clean and well-maintained facility, solid food services program, and thoughtful guidance/nursing services. All of this is made possible due to the knowledge and expertise of our Superintendent, Gail Kushner along with the support of our School Board Members and community. I thank you!
