### **Barrington Public Library Mission Statement**

The Barrington Public Library empowers our community by ensuring equitable access to information, technology, and opportunities to learn and create. We provide welcoming spaces, inclusive programs, and trusted resources that support curiosity, connection, and personal growth. We uphold intellectual freedom, privacy, and the open exchange of ideas in all that we do.

### **Barrington Public Library Vision Statement**

Barrington Public Library envisions a community enriched by curiosity, creativity, and lifelong learning, supported by spaces and resources that invite exploration and connection for all.
