1000 Books Before Kindergarten

NH 1000 BOOKS
BEFORE KINDERGARTEN

"Children need to hear a thousand stories before they can begin to learn to read. Or the same story a thousand times!" - *Children's author Mem Fox*

Early childhood experts have confirmed that the more you read to children, the more prepared and eager they will be when it comes time for them to learn to read independently. 1000 books may seem like a daunting number, but consider: if you read one story a day to your child, you'd complete 365 in one year. By your child's 3rd birthday, you'll have greatly exceeded the 1K mark. So get started today! Each time you read a story to your child, log the title of the book here. If you read the same book repeatedly, it counts each time!
