## The 'reading part' of the Summer Reading Program:

Read and log at least 60 minutes each week to qualify for a raffle ticket for a chance to win a weekly prize.

(If you read more than 60 minutes, please log it so we see how each age group does in the friendly competition!)

Each week we will have different raffle prizes for each age group. You need to come in to get a raffle ticket.

When you come in, we will confirm your reading, let you pick a small prize (toy for kids, candy for teens and adults) and give you a raffle ticket.

Check our calendar for programs planned for all ages!
